Show Time at Sea

Our musical is an important part of our performing arts program. The Arts enable children to develop skills in dance, drama and music. Social skills have been developed as students have worked together for many weeks, dancing, singing, acting and having lots of fun! They have collaborated with the cast and crew to produce a very entertaining performance. We thank them all for their hard work and commitment and congratulate them on their enthusiastic participation in a whole school project.

We will enjoy a parade of sea going personalities including pirates, penguins, jellyfish and lifesavers. They will be boogie board riding, beach towel boppin' and walking the plank! We hope you enjoy the show!
