All Lunch Orders must be handed into the School before 3.30pm on Wednesday. School staff will deliver lunch orders to the Servo at approximately 3.30pm on the Wednesday.

Lunch orders can be handed in earlier in the week prior to the Wednesday if needed.

Any orders given to the school after 3.30pm on the Wednesday will not be accepted.

Lunch Orders can also be handed in direct to the Servo as long as it is before 6pm on the Wednesday evening. Any orders after 6pm will not be accepted.

Lunch Orders will be collected by School Staff at approximately 12.50pm every Thursday.

Envelopes must be clearly labelled with Student Names and Grade with specific items.

(ie: JOHN DOE – GRADE 6 – Battered Sav \$3, Mr D Cola \$2.80 = \$5.80 – enclosed \$10)

We would prefer the correct change if possible.

Healthy Options have been discussed, but the Servo can only provide food and drinks above unfortunately. If this is an issue, I would encourage families to provide their own healthy lunches.
