SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone,

Last Friday our school had an Enrolment Audit which focused on our school processes in regard to attendance. Overall, we were given some positive feedback in regard to this which was pleasing. Our school community is generally supportive when documenting illnesses or absences from school which is great to see. A reminder though, that a formal note must be written in regard to this at all times.

Yesterday was Anzac Day and it was again wonderful to see our school involved in a variety of activities to commemorate this event. These ranged from making Anzac Biscuits and a School Wreath along with ceremonies at Shepparton and Tallygaroopna. A big thankyou to all the families who were involved in any of these activities – your support is really appreciated.

In this edition of the newsletter, there is some important information in regard to the Grade 3/4 Camp to Curumbene, the Dance Festival and Interschool Cross Country. We are seeking some support for the latter, so if you can assist by taking your car to Princess Park let me know ASAP. Unfortunately, the Grade 3/4 students won't have an opportunity to participate in the Cross Country this year because of the clash with the camp. Sorry for this inconvenience, but the Camp was booked by another school last year so this clash was unavoidable unfortunately.

Finally, over the next couple of weeks there are some important school programs taking place which occur annually from the Education Department – Attitude to Schools Survey for Grade 5 and 6 students and NAPLAN for students in Grades 3 and 5. Please reinforce the importance of these tasks with your children and we hope that all students involved participate in these actively with a positive attitude. This is a great opportunity for our kids to strive for high quality work and I am sure some good results will be evident during this time.

Karen was away today but she will be at school until Thursday as usual to attend to any matters that arise. I look forward to catching up with some parents on Thursday at the Parents Club Meeting after school.

Photos of the Week – Anzac Day (LEST WE FORGET)

Thanks to all the families who helped out with these activities to commemorate Anzac Day It was wonderful to see some of our students again contribute to the Wreath that was laid at the service in Shepparton on Monday. Thankyou to the families who attended any services at Tallygaroopna and Shepparton – again our school was well represented.

Photos of the Week – Curriculum Day (BIG WRITE program)

All class teachers participated in a whole day professional learning session on Tuesday and we look forward to some exciting developments with our Writing Program throughout the year.

Photos of the Week – Bega Cheese Funding

We would like to thank Bega Cheese in Tatura for the generous donation of funds to our school. We were fortunate to receive \$550 in vouchers to support the purchase of reading material and sporting equipment. This great support has allowed our school to continually encourage our children to read, learn and be active while enjoying the fun of something new and unexpected. The kids at our school love reading and certainly are very active out in the yard and the items purchased will have a profound impact on our kids. Initiatives such as this teach our children not only the value of reading and exercise but also the joy of giving to others. We have recently introduced a Random Acts of Kindness program for all of our students and this kind gesture certainly links beautifully into this.

1. Grade 3/4 Camp

The Medical Form, the Campers Agreement and the Parental Permission Form are all due now. Students will not be able to attend the camp unless these forms are returned. A reminder that the payment of \$200 needs to be paid by Wednesday 27th April – contact the office if a payment plan is needed. The Curumbene camp is from Wednesday 4th May to Friday 6th May.

It is also advisable that students are made aware prior to the camp that it is essential that they wear correct footwear for all activities, ie: lace up runners, not thongs or slip on shoes/sandals. Anyone with long hair will need to have it tied back and necklaces, large earrings and rings are not appropriate whilst participating in activities.

2. School Photos

These were taken last Wednesday and we anticipate that these will be distributed back to families in a few weeks' time. Thankyou to everyone for being so flexible on this day.

3. Mother's Day Craft Day

This year will be done on this Thursday 28th April (to allow for the camp next week) and once again we are looking forward to making some lovely gifts for our great mums. It is wonderful to see the effort that the kids go to in making these items; they really enjoy it! Cost per student will be \$3 and is payable to the office before the day. We are in need of some jam jars (about as big as a can of coke), so if anyone could help us out with these by leaving them at the office before Thursday that would be greatly appreciated. If anyone is able to help for an hour on the day that would be wonderful as we try not to have mums involved with their own children's class so the gift is a surprise on Mothers' Day. This year gifts will be put into a bag with the family name on it and can be collected from the office from Monday next week ready for the big day! Looking forward to Thursday, Philippa Collins 0458298422.

Grade 4/5/6 – 9am

Grade F/1 – 10am

Grade 2/3 – 11.30am

4. Congratulations

Congratulations to Kyle who made the Goulburn Murray Division Football Team. Kyle was among 40 players who tried out for this team and he was selected in the final team of 20 players. He now plays at Benalla on the 9th May in a round robin competition, which will be a lead into selection for the State Team. Well done Kyle.

5. Interschool Cross Country

This has been confirmed for Friday 6th May at Princess Park in Shepparton and students in Grade 5/6 will have an opportunity to participate in this program. As only up to 12 students will attend this day, we will rely on cars for transport. If you can assist let the office know ASAP please. Mr Brodie will be taking his car on this day and permission forms will go home this week. There is no cost for this day and we will leave at 12.15pm and return at 3pm.

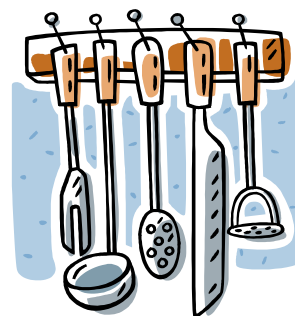

6. Dance Festival

Our school again will be involved in the Dance Festival at Shepparton this year. This will primarily involve students in the Grade 4/5/6 class but some other students may be needed to help out with groupings. These are currently being finalised and we will have a number of practice sessions throughout Term 2. The Dance Festival will be held at the Shepparton Basketball Stadium on Wednesday 22nd June from 1.30pm until 2.45pm. More information will go home in the near future – permission forms will be needed and there will be a small cost to cover the bus.

7. Cooking Groups

Jade Forman will continue to conduct small group Cooking activities with all of the students in the school this term. Groups are listed below and each of these sessions will be held at lunchtime from 1.15pm until 2pm. 10. NAPLAN

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9. It has been an annual event for schools since 2008. On Tuesday 10th, Wednesday 11th and Thursday 12th May, students will undertake the 2016 NAPLAN tests. A back up day will be made available on the Friday. NAPLAN is made up of tests in the four domains of Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy. NAPLAN assesses skills in literacy and numeracy that are developed over time, through the school curriculum. NAPLAN is not a pass or fail type test, but rather shows how individual students are progressing in numeracy and literacy skills against national standards for all Australia children.

All students are encouraged to participate in the tests. Students with disability may qualify for special provisions that reflect the support normally provided to them in the classroom. An individual student NAPLAN report will be issued by the school later this year. Parents can use this information to monitor how their child is progressing and to identify any areas of concern. Parents may also wish to use their child's results to discuss progress with teachers. Class Teachers will be conducting all of the NAPLAN tests with Grade 3 and 5 students this year.

More information is available at www.naplan.edu.au

11. Attitude to Schools Survey

Students in Grades 5 and 6 will complete the Attitude to School survey on Wednesday. The overall objective of the this survey is to collect data about the opinions of students from Year 5 to Year 12 and for individual schools across Victoria to use this information to drive improvement. All results are confidential and students are given each question in detail.

12. Finance & School Council

The Next Finance and School Council meeting will be held on Wednesday 4th May. Finance will begin at 6.45pm and School Council will begin at 7.30pm.

13. School Production Auditions

All grade 4/5/6 students have received scripts for the School Production which is planned for Wednesday 14th September. The production this year is titled "Pirates of the Curry Bean" and there are a large number of speaking parts. Auditions began last week and will continue most days this week. "WORDS OF WELLBEING 1"

There is no perfect parent

Prior to becoming a chaplain, I worked in Family Support and one part of my role was to visit families in home and support them with challenges they were finding in raising their children. Another part of my role was to run parenting programs to small groups. It was easy to teach facts and information to people based on textbooks and training I had attended, but my eyes were opened to the reality of parenting when I finally had a child of my own. What a challenging role we have as parents!

I now have two energetic and spirited young boys aged almost 6 and 2 years. Most days are a challenge keeping up with them and they regularly test my patience and tolerance.

Parenting is a journey of constantly learning and unfortunately it cannot be learnt in a textbook. There are no two children that are exactly the same and a certain technique that worked with one child may not work with another. Just when you think you have sorted out how your child works, they go and change and what worked no longer does! It can be very frustrating!

So, I encourage you to remember that there is no perfect parent and there are no perfect children. We just need to do our best to support our children in the ways they need. And remember that it's okay to ask for help from other parents or professionals if you are struggling because there is no shame in that.

Jade Forman (Student Wellbeing Worker)
