SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone

Welcome back. This term promises to be an eventful one so it is important that all families read the newsletter carefully so that events run as smoothly as possible. Our school prides itself on the way we communicate with our families and we always try our best to include our students in all fun activities at and away from school. However, I would like to emphasise how important it is to get permission forms in on time so that programs can be implemented without any major issues. As our enrolments have increased, chasing up missing forms has become more time consuming and it would be appreciated if these are returned in a timely manner. Many reminders are put on Skool Loop as well so your attention with this matter would be appreciated. An alternative to returning paper hard copy permission forms is to contact the school via Skool Loop – via school email.

This week we have the Life Ed. Van visiting the school tomorrow and Wednesday and on Friday the F/1 students will be going to Shepparton to see a performance, which is exciting. These opportunities were limited last year because of COVID-19 and touch wood, these continue for the foreseeable future.

In this edition of the newsletter there is some specific information in regard to NAPLAN which begins in week 4. Please contact me if you have any queries regarding your child's participation with this testing. As always, this is just a snapshot of student achievement and we take many classroom tasks and other forms of assessment into consideration before making a judgement in school reports. The testing will again be implemented online and we have noticed this to be less stressful for students in 2019 – we look forward to seeing our children having a go and doing their best.

Term 2 will also see many Open Days being made available for prospective families for the future. These are spread out over a number of weeks with different days on offer, but we will certainly accommodate other requests if these days do not suit. Please spread this message as much as possible – we have a very large cohort of Grade 6 students leaving at the end of the year and to maintain 4 classes at our school we again need to have a good influx of new families and children at our school for the new year.

A huge thank you to the school community with the great fundraising effort during the Easter raffle and the Crazy Hair Day last term. We hope to announce how much was raised with the Chocolate Drive soon and a Pie Drive will be held this term which I am sure will again be well supported.

Karen will be at the school all week again to attend to any matters that arise. **I will unfortunately be away from school next Monday and Tuesday. I look forward to catching up with some parents throughout the week and seeing many helpers at the working bees on Wednesday and Thursday this week.**

OSHC MARCH NEWSLETTER

Beck and I have continued to enjoy running OSHC. We have had a very busy and creative month - some of our activities have included making our own windsocks, a variety of Easter activities and we made our own play doh. We also learnt some new card games, played with Lego and playing schools continues to be fun. The students have been doing a lot of singing {lookout Taylor Swift} and the bookings in OSHC are continuing to grow. However, we still have plenty of room for more friends to come and have fun. Beck and I hope you had a safe and happy holidays and looking forward to a great term 2.

Public demonstration site tests

In advance of taking NAPLAN online, students are encouraged to explore the [public demonstration site](https://www.nap.edu.au/online-assessment/public-demonstration-site) tests for their year level in order to familiarise themselves with the different item types as well as the features of the test player.

The timetable for our school needs to be confirmed – but we are looking at 2 activities in the first week and then the other 2 tasks being completed in the second week of the testing period.

NAPLAN Online

Home » NAPLAN Online » Public demonstration site

Public demonstration site

In advance of taking NAPLAN Online, students, teachers and parents are invited to use the public demonstration tests to familiarise themselves with the type of questions and related functionalities available in the NAPLAN Online assessment.

Some of the key features include a range of question types, onscreen tools, timers and interactive navigation. Students are encouraged to try all the tests for their year level to practise the complete range of question formats available in the online assessment.

The demonstration tests cover a sample of possible questions and do not reflect the range of literacy and numeracy content or skills NAPLAN Online will assess. While it is helpful for students to become familiar and comfortable with the format of the online test, ACARA does not encourage students to study separately for NAPLAN. That is why you will not find answers to the demonstration tests.

All question types are keyboard accessible. Where applicable, there are tests that provide adjustments (audio and visual alternative questions, and free colour themes), which may improve accessibility for some students with disability to access NAPLAN Online. Students with disability should undertake the demonstration tests at their school, to help determine what accessibility adjustments they may require.

These demonstration tests are not tailored tests. Demonstration tests do not include branching between testlets or branching messages. In NAPLAN Online tests, branching messages (PDF 1.56 mb) between testlets advise students whether they may go back to previous testlets to change their answers, or not. This will not affect their branching but will affect their final score.

The demonstration tests will work with many devices and browsers but not all. Before starting, check if your device or browser meets the minimum technical requirements to ensure the tests function and display as intended.

The links below take you to demonstration tests for conventions of language (grammar, punctuation, and spelling), numeracy, reading and writing for each NAPLAN test year level: 3, 5, 7 and 9. As all Year 3 students will complete the writing test on paper, there is no Year 3 demonstration test for writing.

Visit NAPLAN Online's accessibility page to learn about adjustments available to students with disability and watch our interviews with students, parent/carer and teachers.

Year 3 Year 5 Year 7 Year 9

9. Life Ed. Van

This program is scheduled to be held for the 20th and 21st of April. We are hopeful that all children will participate in the Life Education Program. Although the van session is a one off, all class teachers have activities to further reinforce themes, which are discussed as part of this program. Permission forms are now due and the cost is \$8 per student. This Program has been kindly subsidised by the Tallygaroopna & District Lions Club.

MY BODY MATTERS

Foundation

Harold and his friends want to look their best for photo day at school, but discover that things don't always go to plan. This module focuses on things children can do to keep themselves healthy including:

- the importance of personal hygiene
- choosing foods for a healthy balanced diet
- benefits of physical activity and sleep
- ways to keep safe at home, school and in the community

SAFETY RULES

Year 1 / Year 2

- recognising safe and unsafe environments
- how to care for others
- behaviours that maintain friendships
- places and people who we can go to for help

MIND YOUR MEDICINE

Years 3 - 4

Using a friendly game show format *Mind Your Medicine* develops students' understanding of medicines and their safe use, positive communication, strategies for managing conflict, stress, and bullying and explores how feelings influence the choices that we make.

- factors that influence someone's sense of self-worth
- techniques for effective communication
- identifying the impact of different factors on health and wellbeing
- strategies for managing stressful situations
- medicines as drugs & the consequences of their misuse

DECISIONS

Years 5 - 6

This module offers a choice of content on legal drugs or legal and illegal drugs. Students explore the decision making process and improve decision making skills by looking at choices, consequences, responsibility, facts, and influences.

- what is a drug and how drugs are classified
- effects of drugs on the body
- analysing health messages about drugs in the media
- messages around non-use – normative data – dispelling myths
- influences on decision making – family, peers, media, culture, financial, legal
- strategies and skills to be safe

10. Performances

We have booked two performances which will be held early in term 2. The cost for each show is \$12 and permission forms are due on Friday 23rd April. The F-2 students will see the Very Hungry Caterpillar show on Friday 23rd April and the Grade 3-6 students will see the Midnight Gang Performance on Thursday 6th May. Both shows begin at 10.30am so we anticipate leaving school at 10am and returning at approximately midday. Students not participating will remain at school with other children.

11. Cross Country

This will be held for Grade 3-6 students on Thursday 29th April at the Victoria Lake in Shepparton. All students and teachers will travel by bus and the cost for this day will be \$2 – permission forms will be sent home first week back in term 2. The first event begins at midday (10 year olds and under) – so we will aim to leave school at 11.30am and return at approximately 2.30pm. All students participating will have an early lunch on this day. Mr Brodie, Miss Lothian and an Education Support staff member will attend this program.

12.50pm - Boys 11 years - 3000m

1.30pm – Boys 12/13 years – 3000m

- It should be emphasised to children that they are not expected to run all the way and that the emphasis is on giving children the opportunity to participate and complete the course.
- Each child who completes the course will receive a certificate of participation and an indication of the position they came in the field. Only the first 10 children in each section will receive a finishing time.
- Children should take their own drinks in a named container.
- Schools are to assemble near the new toilet area in front of KFC at the north end of the lake. They may leave their drinks etc. there.
- The first ten placegetters in each section will be invited to compete in the Goulburn Murray Division Cross Country on Friday, May 14th – to be confirmed.

12. Building & Grounds Works / Working Bees x 2

Some building maintenance was carried out over the holiday period. Works were completed on our main building veranda, portable, student toilets and car park. We are still awaiting our new shade sail and hope this is upgraded in the next few weeks. We hope to see many helpers at the working bees this week to do some repairs on our school oval along with some general maintenance to drains...etc.

13. School Fees

Family statements were sent home to all families recently. If you need any clarification, please contact Karen. More information regarding fees can be found in Parent Payment Arrangements for 2021 which was sent home to families late last year and are also available on the school website under Information < School Fees. These base school fees are summarised below:

Grade 3/4	-	\$135	Grade 5/6	-	\$140

These fees are now due and we would appreciate payment as soon as possible. If you would like to discuss a payment plan, please speak to Karen or David. School Crossing

We are looking for someone from the local community, to assist with the school crossing each day. This is a non-paid position but an opportunity for someone to assist the school from 8.30am – 8.55am and 3.25pm – 3.35pm each day. This is an informal way to interact with our children and any support would be appreciated. A volunteer would need a Working With Children Check and also comply with the School's Child Safe accountability. Contact the school on 58298264 if interested.
