SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone

The last fortnight has been extremely busy with many extra curricula activities and many of these are documented in this edition of the newsletter. As always, we try and give our children many opportunities in and out of the school environment and many more fun activities are planned over the next few weeks.

Last Friday was our Movie Night and we were able to use this event as an opportunity to engage our families with information relating to our new Smart Spelling Program. Our staff did a terrific job on the night with this and further information is in this edition of the newsletter – video prepared by Miss Lothian. At School Council last week, we also decided to trial our new approach to Reading and this will begin on Tuesday 29th May. I must stress that this reading time is not compulsory; however students will not be able to play out in the yard during this time as supervision will not be provided. **From 8.45am, all staff will be assisting with reading and we hope many parents and special friends will also join us at this time** instead of hearing reading throughout the first couple of hours of the morning – which really is not sustainable.

A big thank you to Mrs Montgomery for implementing the Bike Education Program again this year. This program has now concluded and we now need all bikes to be collected so that our Sport Shed can return to its normal state. We look forward to Bike Ed. continuing again in 2019. In this edition of the newsletter, there is specific information in regard to: the Cluster Performance, Quantum Excursion, Reedy Swamp Trip, Life Education Van and Interschool Football & Netball. Please read these items carefully and don't hesitate to contact the office if clarification is needed.

A big thank you to the many families who have been prompt of late with permission forms – we have really noticed a difference over the last couple of weeks and we thank you for your attention with this issue.

Finally, it was great to see many students participate in the Mother's Day Craft Day today. Thanks to those who were able to help and I hope all of the Mum's, Nans and Aunties get spoilt during the weekend.

Karen will be at school for the whole week to attend to any matters that arise throughout the week. **I look forward to catching up with some parents throughout the week.**

David Brodie (Principal)

Absence forms can be submitted on Flexibuzz for any students absent.

GRADE 6 PLACEMENT FORMS FOR SECONDARY SCHOOL ARE DUE BACK TO THE SCHOOL ON MONDAY 14TH MAY.

School Fees are due now. Contact the school if a payment plan needs to be set up.

Well done to Fenn, Dan and Mrs Haberfield for their Random Act of Kindness last week. This week's givers are Josh, Ayla & Diesel J.

Can all payments for the Mother's Day Craft Activity which was held today be paid before the end of the week – so that items can be taken home by students at the end of the week please. The cost for this is only \$3.

If any parents or special friends are able to help out with the Morning Reading Program contact Miss Lothian or Mr Brodie please.

This trial period will begin on Tuesday 29th May.

CAN ALL BIKES BE COLLECTED BEFORE THE END OF THE WEEK PLEASE.

Morning Reading Routine

TRIAL PERIOD

Dear Parents,

After consultation with School Council and feedback received from parents, we have decided to go ahead with a whole-school approach to morning reading between 8.45 – 9am. This is in line with many schools in our area. Feedback received was extremely positive and we would like to thank everyone that made contact with us in regards to this.

We would like to begin morning reading Tuesday, Wednesday, Thursday and Friday mornings from Week 7 (**beginning Tuesday May 29th**). Due to Breakfast Club and assembly occurring each Monday morning, we feel that trying to include this dedicated reading time on a Monday would make an already busy morning even busier.

During this time, on Tuesday – Friday, Foundation, Grade 1, Grade 2, Grade 3 and Grade 4 students will be in their classrooms. The 5/6 students will spread themselves amongst the F-4 classrooms, assisting with the process of listening to students read. This will provide the 5/6 students with additional responsibilities as our school leaders and we believe it will also continue to promote the very positive attitude towards reading that we currently have within our school. Next week, the 5/6 students will be shown how to undertake this reading time appropriately with the younger students.

We would still love as many parents as possible to come into our school during this time. We have calculated that if we have approximately 10 parent helpers across the school, along with 6 staff members listening to students read, and approximately 20 5/6 student helpers, with each aiming to listen to two students read, that we can successfully listen to almost all students read within this time. This would then allow for the morning literacy blocks within each class to occur as normal, without students removed from the room to read, causing disruption to teaching and student learning. This will also allow support staff to make better use of their time, enabling them to spend more one-on-one time with at risk students. In addition, the 5/6 students would not be missing out on their daily reading as they undertake independent reading at various times throughout the day.

This reading time is not compulsory; however, students will **not** be able to be playing out in the yard during this time, as supervision will not be provided. If a child arrives at school at 9am, we also will not be able to guarantee that they will be able to complete their daily reading. Whilst there will be a small amount of before school playtime that is lost as a result, our students receive sufficient time outside during recess and lunch. Classroom rolls will not be marked until after 9am, so students will not be considered late or absent if they are not present between 8.45 – 9am.

If you have any questions in regards to how this approach will operate, please see Liss Lothian. Liss will be seeking interest from parents about which days they may be available for morning reading.

We acknowledge that some tweaking of this approach may need to occur over time, but we are hopeful that this model will continue to support our students' literacy development and enthusiasm towards reading.

Regards,
David Brodie - Principal

Morning Reading Routine

From the 8.45am bell, all students are to head inside to their classroom.

Foundation, Grade 1, Grade 2, Grade 3 & Grade 4 Students

- Change your reader.
- Sit with your bag in the designated area in your classroom.
- Read independently or practise your Sight Words whilst waiting for an adult or senior student to hear you read.
- After reading to an adult or senior student, put your reader bag away.
- Choose an interest book from your classroom library to read until the 9am bell.

5/6 Students

- Head to your designated classroom, depending on the day of the week (see timetable).
- Aim to listen to at least two students, remembering to sign their reading logs. Mark their names off on their class's Daily Reading Checklist.

Parents

- Aim to listen to two children read.
- Mark their names off on their class's Daily Reading Checklist.

Teachers

- Listen to students read, following Weekly Morning Reading Timetable.

iParent: take the new Screen Smart Parent Tour **(Cybersafety)**

Whether you're a parent, carer, grandparent, aunt, or uncle, it can be a difficult task keeping up with young people and technology, or even knowing when and how to start the conversation about online safety.

That's why we recently launched a new interactive self-reflective tool, Screen Smart Parent Tour, to help parents and carers of 10 to 14-year-olds keep on track with online safety. The 'tour' offers practical tips and advice via six important online topics to help manage online issues if they arise.

The Office of the eSafety Commissioner

[Start the Tour here](#)

Welcome to iParent

Where you can learn about the digital environment and how to help your child have safe and enjoyable online experiences.

Screen Smart Parent Tour

Our 10 minute interactive tour is for parents of pre-teens and young teens (10 to 14 years). It has plenty of tips and practical steps along the way so you can help your child explore safely and manage online issues should they arise. This is especially important at this age as they strive for independence and peer acceptance.

There are no right or wrong answers and you'll get to see how other parents responded to the same questions.

1. Smart Spelling / Morning Reading

A big thank you to the many parents who attended the Smart Spelling Information Night. We hope the information which was presented was worthwhile and we look forward to your support over the coming months with this program. It was also encouraging to get some helpers for our Morning Reading initiative, which will begin on Tuesday 29th May. We are just going to trial this and make the necessary adjustments over time. Some specific information regarding Morning Reading is in this edition of the newsletter.

Liss Lothian has put together a remarkable presentation in regard to Smart Spelling – and I recommend all families having a look at this and revisiting this presentation when needed. This can be accessed from the link below.

<https://vimeo.com/268229441/5efab13257>

2. Quantum Excursion

On Tuesday 22nd May, students in Grade 2 to 6 will be travelling to Bundoora to participate in an excursion at Quantum Science Centre. The sessions are designed to promote STEM thinking and give students hands on experiences. The venue is free and the bus cost has also been subsidised for country schools so it is a free day for the children. They will need to bring a cut lunch, snacks and water bottle. Students are required in full school uniform and permission forms will go home this week.

Specific Programs:

Grade 2/3 – Forces in Action

Grade 3/4 – Minibeasts

Grade 5/6 – Lego EV3 Space Robots

The sessions are great for beginners & experts doing art, engineering and everything in-between! This extensive program is designed to support students in developing digital literacy skills in a peer-negotiated way. We hope the students will enjoy the day and learn new skills to help them back at school.

Pickup: Tallygaroopna Primary School 7.30am – arrival at 10am

Destination: Quantum Victoria, Kingsbury Drive- Bundoora

Return Trip: Pick up 2pm from Quantum Victoria and Return to Tallygaroopna PS by 4.30pm.

3. Reedy Swamp Excursion

Planning is underway for this year's Primary School Environmental Education Days at Reedy Swamp, or 'Ramble at Reedy' for Grade 5/6 students. Please find some key information below:

Date:

Wednesday 23rd May.

Times: Arrive at 9:45am for a 10am start. The day will finish at 2pm.

Presenters:

- Turtles Australia with live turtles;
- Goulburn Murray Landcare Network with a big bug hunt;
- Parks Victoria will take us on an educational nature walk around Reedy Swamp;
- Kaiela Arts will bring out our creative side as we learn to paint Indigenous signs and symbols on our own boomerang to take home;
- Greater Shepparton City Councils Waste Education Officer will help us learn how to keep rubbish out of the bush; and
- RiverConnect will get us rocking some tunes in a song writing activity.

Permission forms will go home this week and students will need to bring their own lunch, drinks and snacks. There is no cost for the day and transport will be provided by Mr Brodie and the Happy Family who have 2 large vans. Specific information in regard to transport will be put on the permission form.

4. Cluster Performance

Our whole school will attend a Cluster performance on Tuesday 29th May at Dookie. The day will start at 10am at Dookie PS. A session will be run by teachers for an hour (more info to follow) and we will then have a break for lunch which the Dookie PFA will cater with a lunch pack. Notes for lunch orders will be available later in the week. Another teacher-run session from 12-1pm will take place and then students will walk to the Community Centre to participate in the Mr Huff play from 1:30pm -2:30pm. The buses will transport students home at approximately 2.30pm.

Permission forms will go home this week and the cost for this day is \$12 per student. This covers – performance \$8, venue hire \$1 and bus \$3.

5. Interschool Football & Netball

Students in Grades 5/6 have an opportunity to participate in these sports in Shepparton on Friday 25th May. To form these teams we will be buddying up with Congupna PS and Katandra West PS with football and Zeerust PS with netball. Permission forms will go home this week and need to be returned ASAP. We will be leaving school at 9am and returning at approximately 1.30pm. Mrs Telford (Zeerust Primary School) will be coaching the netball team and Mr Wright from Katandra West PS will be coaching the football team. Mr Brodie will be making appearances at both venues also. There is NO cost for this program as transport will be provided by Mr Brodie and the Happy Family who have 2 large vans. Specific information in regard to transport will be put on the permission form. We may need some Grade 4's to fill the football team and a random draw may occur for this.

FOOTBALL Mooroopna Oval & John Grey Oval, Mooroopna
2 x 8 minute halves with a 2 minute half time.

NETBALL Shepparton Netball Courts, Brauman St, Shepparton
2 x 7 minute halves swap ends immediately.

6. Life Education Van

This program is scheduled to be held on Thursday 8th June. We are hopeful that all children will participate in the Life Education Program. Although the van session is a one off, all class teachers have booklets to further reinforce themes which are discussed as part of this program. Permission forms will go home soon and the cost is \$5 per student. Half of the cost is kindly funded by the Tallygaroopna & District Lions Club.

Foundation / Grade 1 Program

READY, STEADY, GO

Year 1

Harold and his friends are ready for their big race at the school athletics carnival. Or are they?

When one member of their relay team doesn't show up, what will they do?

This fun, engaging narrative provides opportunities to discover:

- benefits of physical activity
- safety strategies in different environments
- how our body reacts in new situations
- what our body needs to be healthy including a nutritious diet, water and sleep

Grade 2 Program & Grade 3 / Grade 4 Program

ALL SYSTEMS GO

Years 2 - 4

Inside a futuristic machine 'The Venture', the Captain and his crew take the class on a tour of the human body. Travelling through the blood, the class explore and discover how magnificent the human body really is. They learn the functions of various body parts and the actions required to keep these systems working well.

- factors that influence the function of body systems such as exercise and drugs
- exploring ways to manage peer pressure
- the effects of second hand smoke
- the function of vital organs (heart, lungs, brain, kidneys)
- healthy food choices

Grade 5 / Grade 6 Program

RELATE RESPECT CONNECT

Years 5 - 6

A unique, contemporary module that explores building positive, safe and respectful relationships. Presented via a series of fictitious vlogs that resonate with young people moving through upper primary school and beyond this module focuses on:

- understanding how to respect ourselves and others
- identifying characteristics of positive relationships
- strategies to help maintain positive online and offline relationships
- strategies to respond to unsafe or disrespectful situations online and offline
- the importance of relationships to our own and others wellbeing

7. Orienteering Program

We are fortunate to offer Orienteering to our whole school on Monday 28th May as part of the Sporting Schools program. The program will be run by Kim Merkel from Start Outdoors. This activity involves fun mapping activities around the school and following specific instructions to find a set target. Times have been set for the following grades on this day:

9.15am – 10am: Foundation / Grade 1
11.30am – 12.30am: Grade 3 / Grade 4

10.00am – 11am: Grade 2 / Grade 3
2.00pm – 3.00pm: Grade 5 / Grade 6.

To follow on from these lessons, we are fortunate to be able to offer this program for 3 more sessions which will be held at the beginning of the school day. These sessions will begin at 8.30am and conclude at 9.30am.

Dates for these are:

Monday 4th June

Monday 18th June

Monday 25th June

All of these sessions will be held at school and are at no cost to families. Places are now full for these morning programs.

8. Curumbene Camp

We have had a great response to this camp with 24 students now confirmed. Specific Information has been distributed to all families who have expressed interest and this has been made available on Flexibuzz also. It would be appreciated if the Medical Information & Parents' Permission & Campers Agreement forms are returned by this Wednesday 9th May. This camp is scheduled from Wednesday 13th to Friday 15th June.

9. Urban Camp

We have had a great response to this camp with 20 students now confirmed. Specific Information will be distributed to all families who have expressed interest in Term 3. This camp is scheduled from Wednesday 19th to Friday 21st September.

10. Somers Camp

All information for 5 students attending this camp has been received and sent away. We are anticipating another Parent Circular soon which will detail specific groups and pickup points in the next week or so. This camp is scheduled from Tuesday 19th to Wednesday 27th June. Payment of this camp is now due.

11. Curriculum Day – Report Writing

A reminder that our next Curriculum Day will be held on Tuesday 12th June as teachers spend the day finalising reports. This is a Pupil Free Day and no students will be required at school on this day. No OSH Care will be available on this day as well. The 4th and final Curriculum Day has been confirmed and this will take place on Friday 2nd November. All staff will be attending a PD on Autism on this day. Obviously, all families will need to make alternative arrangements on these days.

12. Student Led Conference Day

This is scheduled for Thursday 28th June and we have taken on board some feedback from last year, which is really appreciated. As a result, these interviews will begin at 10am and conclude at 6pm. This year, we will be utilising an online booking form and more details will be available in the next couple of weeks.

The online booking form website – <https://www.schoolinterviews.com.au/>

13. School Production Auditions

All grade 5/6 students have received scripts for the school Production which is planned for Thursday 13th September (matinee) and Friday 14th September (night performance). The production this year is titled "Ali Baba and the Bongo Bandits" and there are a large number of speaking parts. All of the characters are listed in this edition of the newsletter along with some props which will be needed on the night. If you can assist in any way it would be greatly appreciated. We hope to announce the cast ASAP.

14. Open Days

Five of these will be held in Term 2 beginning on Monday 28th May with sessions being held from 9.30am until 11am. More specific details are on Facebook and in next week's edition of the newsletter. Any potential families are more than welcome to organise another date that may suit - contact the office in regard to this please.

15. Biggest Morning Tea / Special Friends Day

This is one of our big events of the year and is always well attended so we are expecting many visitors on this day – Thursday 24th May. Special Friends and Grandparents are welcome to visit classrooms from 9am until 10.30am and then the Biggest Morning Tea will begin in the Multi-Purpose Room. This will conclude at around midday and a gold coin donation would be appreciated for the Cancer Council. Can all family members please bring a plate to share for this day – no peanuts for any food please. Could any families that have special dietary requirements please bring along some food that your children can eat as well.

16. Attitude to Schools Survey

Our school is conducting a survey to find out what your child thinks of our school - during a 3 week period beginning on Monday 30th April. The Attitudes to School survey is an annual student survey offered by the Department of Education and Training to assist schools in gaining an understanding of students' perceptions and experience of school. Our school will use the survey results to plan programs and activities to improve your child's schooling experience.

The Department has updated the survey for 2017 to include important new measures that are known to influence student engagement and performance. Students from Year 4 to Year 6 at our school will participate in the survey. Your child will complete the survey online during school hours using a purpose built secure online survey tool. It is important to note that we are not in any way "testing" your child. Your child has the right to refuse or withdraw from the survey at any point before, during, or after completion of the survey.

Your child will be provided with a unique login to complete the survey. The student login is an assigned identifier that may be used by the Department to combine data for research purposes only. Your child's privacy and the confidentiality of your child's survey responses will be protected at all times. No identifiable personal data is included in the survey response file. The survey results will be reported back to the school in term 3. No student can be identified in the results reported to schools or in any other report of the data. Some of these results will be available via the school newsletter.

This year the Attitudes to School survey will be conducted at our school over the period Monday 22nd May to Friday 9th June. The survey only takes 20-30 minutes to complete and occurs during your child's class time.

<http://www.education.vic.gov.au/school/teachers/management/improvement/Pages/performsurveyat.aspx>

17. NAPLAN

Grade 3 and 5 students will be participating in this testing on Literacy and Numeracy for 3 days from Tuesday 15th to Thursday 17th May. We are currently preparing our students for this and will make this program as non-threatening as possible. Families are reminded that results from NAPLAN are not a true reflection of yearly student achievement – everyone is encouraged to participate and have a go.

Tuesday 15 th May	Wednesday 16 th May	Thursday 17 th May
Language Conventions Writing	Reading	Numeracy

18. Parents Club Meeting

The next meeting is scheduled for Thursday 31st May straight after school and all families are welcome to attend.

19. Tree Planting Day

This was cancelled a couple of weeks ago and has now been rescheduled to Thursday 14th June. Unfortunately, this clashes with the Grade 3/4 camp, but we will need to go ahead with this date because of time constraints. Parents are welcome to come along and help if they wish and suitable clothing depending on the weather should be worn on this day. Timetable at present is: 9-10am (Grade 5/6), 10-11am (Grade 2/3), 11.30-12.15pm (Grade F/1). Contact the school, if you would prefer your child to not participate.

20. Colder Months - Tissues

We would be very appreciative if each family could please supply a box of tissues for the school in anticipation of colder weather (and possibly running noses and coughs!). We remind families to please encourage their children to dress appropriately for the weather.

21. Absence Notes

Absence notes are required for all absences. Please use the school absence note or submit an absence on Flexibuzz. Both of these are the preferred methods because they are completed immediately. If either of these are not convenient - please ring the school. Formal notes are needed for audit records and your support would be appreciated. We would prefer no text messages.

What happens if absences continue – 7 days a term turns into 28 days a year, which turns into 196 days over 7 years. This results in a child missing 1 whole year of their Primary School years – something for all of us to think about.

22. School Fees now due

All School Fee information was summarised in our Parent Payment Charges letter which went home at the beginning of the year. Feel free to contact the office if any clarification is needed. The Essential Education Items were approved at School Council and are summarised below. The Education Department guidelines require specific items need to be itemised hence some minor differences between fees for different year levels. Please refer to the Parent Payment Charges letter for more information on the Optional Extras and Voluntary Items.

Foundation \$165	Grade 1 / Grade 2 \$140	Grade 3 / Grade 4 \$150	Grade 5 / Grade 6 \$155

HELP MAKE A CHILD'S DAY

Every year, many children in Australia are placed into Foster Care. I am seeking public donations to make up care packages for these children in the GV area, to donate to Berry Street.

If you wish to help please send your donations to school or contact me, Michelle on 0447 810 009.

Ideas include:

*Story book
 *Pyjamas

*Hairbrush
 *Underwear

*Body wash
 *Socks

*Teddy bear

What would it take for every young person to thrive?

Why do some do well while others struggle?

In 2015, Lighthouse conducted the original One Thousand Conversations. This provided the foundation for our early decision-making and priorities for action. These priorities included creating the curriculum industry links program, growing the volunteer program and establishing The Haven. In 2018 we will again listen deeply to our community and learn from their lived experience.

Tell us what it takes to have a happy, healthy childhood, do well in school and go on to study, work and lead productive lives.

What helps, what hinders, what can we all do to give every young person, every opportunity to thrive in Greater Shepparton?

Host a facilitated discussion

- What?** A one hour conversation
- Where?** Around the table at workplaces, sporting clubs, homes, schools, playgroups, etc.
- Who?** Groups of up to ten people
- Why?** Your input will directly shape Lighthouse priorities for action.
