Principal's Note

Welcome to Tally Primary School News for 2014. The school program has been full with various excursions, sports events and fun activities for our students. Our Play Group is continuing every second Thursday through the school term and an Outside School Hours Care Program is now being offered to families for Wednesdays, Thursdays and Fridays after school.

It is that time of the year for the parents of Kinder children to enrol their children into school for 2015. We are happy to show prospective families around our wonderful school to show what Tallygaroopna Primary School has to offer. Please feel free to call in or phone to make a time that suits you. We hope to see you soon!

David Brodie

Respect
Honesty
Inclusion

Kids Matter

The Grade 5/6s enjoyed a performance of the Wedding Singer put on by Wanganui Park SC. Our students got a lot out of speaking to the performers/stage crew afterwards in preparation for our own school production which will be held later on in the year.

2014 School Captains:
Brittany Meyland &
Brock Austin.

The year got off to a fun and wet start at Aquamoves for the first Cluster Day.

Foundation to Grade 4 students enjoyed the Ky Fauna Park to enhance their Term 2 theme of Australian Animals.

Social Services

Biggest Morning Tea incorporating **Grandparents/Special Friends Day**, was a great social event for our students and we were able to raise \$177.50 for the Cancer Council.

Tally PS students raised \$80 for **Red Balloon Day** which they proudly donated to the Tallygaroopna CFA.

The **Polycom Device** which is a new interactive tool to the school this year, has been used to participate in various Science lessons given by off-site experts, and interact with students in other Victorian schools.

Activities

Bike Ed has continued this year under the expert guidance of Mrs Montgomery. The Program culminated in a Grade 5/6 On-Road Test and a Grade 6 bike ride.

Our **Big Write** sessions are inspiring some great writing pieces from all of our students and helping them to become more confident writers.

Our **Movie and Pizza Night** was a great chance for families to relax and socialize while children enjoyed the movie Frozen in their pjs and cuddled up to their teddies.

Our **Outside School Hours Care** is available after school until 6pm on Wednesdays, Thursdays and Fridays and is a very useful service for our working families.

Social

Play Group has been very popular this year. It is held every second Thursday and run by Mrs Wallace in the Multipurpose Room.
