SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone,

On behalf of the whole school community, I would like to welcome Chelsea Monk to our school as she completes a 3 week teaching round with the Grade 2/3/4 students. I know the students and Mrs H are looking forward to working with Chelsea and I know her time here will be rewarding and enjoyable.

Congratulations to all of the Grade 3 and 5 students who completed NAPLAN tasks last week. These activities can be a little difficult at times, but it was wonderful to see the general effort and enthusiasm displayed by most of our students during this time. I must say, that the behaviour of the other students during this time was exceptional and this allowed all of those students completing these tasks to perform to their maximum potential. Results will probably be available towards the end of Term 3.

It was also encouraging to see that the majority of our eligible students took up the challenge of the Division Cross Country last Friday also. There were some terrific results and well done to those children who will have the opportunity to compete at the next level – Regional. Our Bike Education Program concluded last week and this again was very successful, thanks to the planning and preparation of Mrs Monty. It has been terrific to see the children develop their awareness of Bike and Road Safety during this time and we look forward to the program continuing again next year.

A reminder about Information Nights and Open Days for Grade 6 students also. There is also some important information regarding our Cluster Performance at Dookie PS coming up also – please read this carefully. Karen will be in the office until Thursday this week, if any matters need addressing. I have 2 meetings I have to attend on Tuesday and Wednesday afternoon unfortunately. I look forward to catching up with many people on Thursday morning.

David Brodie (Teaching Principal)

Education Week

This week is Education Week and we are hoping to see many people from the local community at our school from 10am onwards to celebrate the Biggest Morning Tea. This will be organised by our wonderful Parents' Club group and I look forward to seeing many familiar and unfamiliar faces on this day. We have also made this day our Grandparents and Special Friends Day so we encourage any of these individuals to come into our school, hear some kids read and feel free to have a look around our school. Many new and exciting things have been implemented over the last 2 years and this day is an opportunity to come in and have a real look around. We will also be celebrating Walk to School Safely Day on the Friday and I will be meeting as many children as possible at the CFA shed on Friday morning. Specific details about both of these events are included in this edition of the newsletter.

DOOKIE PERFORMANCE – Tues 4th June.

SLEEPING BEAUTY

3. Bike Education Program

Last week, this program finished up with the On Road Test and Grade 6 Bike Ride being held on Wednesday and Thursday respectively. All of the Grade 5/6 students received certificates today at assembly for the On Road Test and the Grade 6's students were able to complete the Grade 6 ride confidently, although a little tired at the completion of this. We look forward to giving our children the opportunity to continue with this program in 2014 under Mrs Montgomery's guidance again.

4. Division Cross Country

By all reports, our kids did a great job at the Division Cross Country last Friday at Princess Park in Shepparton. Special thanks to all of the parents who assisted with travel and gave the students an opportunity to compete at this level. There are some students who finished in the top 10 and will be eligible to attend the next level of competition – this could be on Wednesday 19th June. More details will be available soon.

There was an \$8.00 entry fee for last Friday – if this has not been paid yet could it be handed in at the office ASAP please.

5. Woorabinda Camp

Last week, we received information regarding school allocations in regard to the Grade 4/5 Woorabinda Camp. This is to be held from Monday 29th July until Friday 2nd August. The good news is that all the students who expressed interest in attending this camp will have an opportunity to attend because we received our requested allocation of 1 Boy and 4 Girls. Therefore, we will be contacting parents this week and a number of forms will go home also.

6. Education Week

Friday 24th May

Students will then walk down the road to school and town students are able to join in if they wish. Normal travel arrangements will occur in the afternoon.

7. Social Media

We are so lucky to have the ability to communicate so easily with friends and family through different forms of social media. Our students are users of programs such as KIK and Instagram and also many families are users of Facebook. Please ensure your family has regular conversations about appropriate use and what is safe information to share with others. Below is a link to a government sponsored site 'Cyber Smart'. Check out the fabulous resources available to help you manage the way your family navigates this complicated space.

8. New Enrolments - 2014

We are now looking at planning enrolments for new students for next year. Enrolment Packages can be collected from the school office and an informal tour of the school can be requested if needed. Feel free to contact Mr Brodie any time.

9. Grade 5/6 Camp

The cost for this camp has been set at \$200. This is only an increase of \$10 from 2 years ago. The payment for the Urban Camp doesn't need to be paid in full until the end of May. Specific information went home last week (clothing list, permission / medical forms, etc) and these will need to be returned to school by the end of May also. The Melbourne Camp begins on Wednesday 5th June and concludes on Friday 7th June. Mr Brodie will be attending the camp.

10. Parent Surveys

At present, our school is involved in initiatives in regard to Cybersafety and Mental Health. Some parent surveys have been made available and it would be greatly appreciated if all families could complete these so that we can build on the data that is made available from these results. A number of parents completed these after school today at the Parents Club Meeting.

Northerners Soccer Report

Under 10 –

A great game of soccer this week against Congupna Cruzers. It was all Northerners' way in the first half with Jordan and Kelsie scoring two goals each. The second half was more fiercely contested with Congupna sneaking one through. Northerners' had lots of scoring opportunities in the second half but thanks to some fantastic goal keeping from Congupna's Mason Woods, we were kept goalless. Final scores Northerners' 4 Congupna 1. The awards this week went to Finn. Declan and Cohen who stepped up from the under 8's to help out. Great effort by all this week, well done.

SCHOOL PRODUCTION - DVD PURCHASE

Expression of interest.

We would like to offer a dvd of this year's school production 'Kids in Space'. The dvd will be videoed by a professional videographer from Masters Productions Numurkah on the night of the play.

It will be available shortly (a couple of weeks) after the production. The projected costs of the dvd's are expected to be between \$15-20.

At this time we are asking for an expression of interest to see whether this will be feasible.

If you are interested in purchasing one (or more) please return this to the school.
