SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone. Last week we began NAPLAN testing and it was terrific to see the positive attitude displayed by all of our Grade 3 and 5 students during this time. We have completed the Writing and Reading Tasks and we look forward to implementing Language Conventions tomorrow and then the Numeracy task on Wednesday. Thursday will be a catch up day if needed for any students who have been absent during this time. I would like to remind families – this testing is just a snapshot of student achievement and it does not fully encapsulate the whole learner. Many tasks are completed throughout the semester to enable staff to make a valuable judgement and this will be reflected in the student reports at the end of term 2.

Today, Mrs Haberfield, Miss Lothian and myself attended the final module of the Professional Learning Communities Initiative. We have worked extremely hard over the last couple of months with an emphasis on improving Grammar & Punctuation in Grade 5 – focusing on the use of apostrophes. Over a few weeks, we saw an improvement of 23%, which was encouraging, and we were able to share our journey today with other schools involved in this initiative. We look forward to continuing to have a micro focus on other aspects of the curriculum into the future and set specific goals and targets.

In this edition of the newsletter, there are a number of photos to highlight Cross Country, leaders at work and a recent visit to Kinder. We have had a couple of Open Days already this year – the next one is on Thursday and we look forward to announcing our Transition Program for new Foundation students in the not too distant future. As always, we value our relationship with the local Kindergarten and more visits are planned in the next few weeks.

Work with the Production is starting to pick up speed - please don't hesitate to contact any staff if needed – this program will be held a couple of weeks earlier this year and rehearsals will begin soon. If you can assist with costumes and props – please let us know. These are published in this newsletter for parents to refer to if needed.

Please promote the Biggest Morning Tea also – this is fast approaching (next Thursday) and is always one of the highlights of the year. It would be appreciated if families could bring a plate to share for this day if possible – tea and coffee will be provided by the school as always.

I look forward to catching up with parents throughout the week. I will be away at Interschool Sport on Friday, but Karen will be at the office to attend to any matters if needed.

On behalf of the Tallygaroopna Primary School community, I would like to thank Tallygaroopna Football/Netball Club for their kind donation of second hand netballs that we will put to good use in the playground and during Phys Ed lessons. Once again thank you for your kind donation.

Mrs. Bev Montgomery - Phys Ed Specialist.

The Child Safe Standards are compulsory minimum standards for all Victorian early childhood services and schools, to ensure they are well prepared to protect children from abuse and neglect. The standards provide a framework for schools to review existing policies and practices and all other aspects of child safety, to ensure a 'zero tolerance' approach to any form of child abuse. You can access our policy on the school's website.

1. NAPLAN Online Timetable

Congratulations to all of the students who participated in the two NAPLAN tasks last week. We were fortunate to have no major issues with this testing – although there were some reports of some major connectivity problems at other schools. This week's timetable is provided below for students completing these activities in Grades 3 and 5.

Week 5	Tuesday 21 st May (Language Conventions) Grade 3 – 9am Grade 5 - Midday	Wednesday 22 nd May (Numeracy) Grade 3 – 9am Grade 5 - Midday	Thursday 23 rd May Catch Up Day – any students who have been absent during testing.
--------	--	--	---

Public demonstration site tests

In advance of taking NAPLAN online, students are encouraged to explore the [public demonstration site](#) tests for their year level in order to familiarise themselves with the different item types as well as the features of the test player.

2. Interschool Netball / Soccer

Students in Grades 5/6 have an opportunity to participate in these sports in Shepparton on Friday 24th May. To form these teams we will be buddying up with Katandra West PS with soccer and having our own netball team. Permission forms are due now and need to be returned ASAP. We will be leaving school at 9am and returning at approximately 1.30pm. Mr McDonald (Katandra West Primary School) will be coaching the combined soccer team and Dee Palmer will be coaching the netball team. Mr Brodie will be making appearances at both venues. There is NO cost for this program as transport will be provided by Mr Brodie, Dee Palmer and Andrea Walker.

NETBALL Shepparton Netball Courts, Brauman St, Shepparton
2 x 7 minute halves swap ends immediately.

SOCCER McEwen Reserve Soccer fields, off Brauman St, Shepparton
These fields are out the back.
2 x 8 minute halves with a 2 minute half time

Draws will be given out on the day.

We hope to start at 10am and expect to finish at approximately 1.00-1.30pm.

3. Rough Play (Football)

We will be keeping a close eye on rough play during football over the next few weeks. It has come to our attention that some students are tackling others and throwing them to the ground. This can create an unsafe environment and lead to arguments and potential injury, so any children doing this will be excluded from football involving other students. This is in line with our Student Engagement Policy where students have a responsibility to be cooperative and fair at sport and play

4. School Uniform - reminder

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. A reminder to all families to reinforce this please. From May until the end of August, school beanies and scarves are permitted to be worn outside – these can be purchased from school in line with our uniform policy as well – we would appreciate green or red beanies and scarves only.

CAN APPROPRIATE UNIFORMS BE REINFORCED PLEASE – BLACK SHORTS OR PANTS.

5. Science Equipment needed

We are in desperate need for either 1.25 litre or 2 litre soft drink bottles for science this week (Thursday) to use as rocket launchers. If you can help in any way please contact the school.

6. School Photos

These were taken last Friday and we hope to have these available to families in the next few weeks. This day went off smoothly and there were minor interruptions to normal school programs.

7. Open Days

Another Open Day will be held this Thursday. This will be held from 9.30am until 10.30am. Any potential families are more than welcome to organise another date that may suit - contact the office in regard to this please.

8. Biggest Morning Tea / Special Friends Day

This is one of the big events of the year and has always been well attended so we are expecting many visitors on the day – Thursday 30th May. Special Friends and Grandparents are welcome to visit classrooms from 9am until 10.30am and then the Biggest Morning Tea will begin in the Multipurpose Room. This will conclude at around midday and a gold coin donation would be appreciated for the Cancer Council. Can all family members please bring a plate to share for this day – no peanuts in any food please. Could any families that have special dietary requirements please bring along some food that your children can eat as well.

9. Curriculum Day

This is scheduled for Friday 7th June with the Queen's Birthday holiday being held on Monday 10th June. All teachers will be busily finishing school reports on this day and also finalising feedback in relation to Individual Learning Plans. This day is a pupil free day – no students will be required at school on this day so families will need to make alternative arrangements.

10. Community Plan Meeting

The following dates have been set for the Community Plan Committee – all are welcome. This traditionally takes place on the 1st Monday of every month – meetings at 7pm at the Town Hall or CFA Shed. The Greater Shepparton Council are aiming to have the new Tallygaroopna Community Plan endorsed in June. See website below for further details.

<http://greatershepparton.com.au/community/neighbourhoods/community-plans/tallygaroopna-community-plan>

Meeting Dates:

Monday 3rd June

Monday 1st July

Monday 5th August

Monday 2nd September

Monday 7th October

Monday 4th November

Monday 2nd December

11. Woorabinda Camp

Every two years our school is offered a limited number of places at the Department of Education and Training's Somers School Camp. Somers has recently added a second campus Woorabinda to help increase the opportunities for DEECD students across the state. Woorabinda will run on the alternate years to the Somers program. Woorabinda will run a complementary program for 5 days for grades 4/5's

This year our allotted time is from 22/7/2019 until the 26/7/2019. It is a five day commitment and as such we would ask that you **only** forward expression interest if children can attend without concerns of sports or family commitments.

The activities are mainly physical and outdoor and include High and Low Ropes Courses, Canoeing, Initiative Activities which require a reasonable level of physical fitness. All children are also required to take part in the following activities: Archery, Art, Environmental Studies, Bush Cooking, Mapping, Flying Fox, Disco Night, Camp Fire Night Singing and Diary Writing. Separate boys and girls living arrangements are provided but all activities are done in mixed groups.

The fee for the camp is \$90 and must be paid in full before children can attend. The fee includes transport, accommodation and meals. This is a great camp and provides children with the opportunity to accept challenges, improve their self esteem, meet and mix with others from our local area, have fun and learn at the same time.

If you would like your Grade 4 or 5 child to attend please contact the school by this Thursday please.

CAMP OPPORTUNITIES FOR OUR SCHOOL THIS YEAR INCLUDE

Canberra (Grade 5/6), 15 Mile Creek (Grade 3/4)

12. Policies Updated

A number of policies have been reviewed and endorsed at School Council of late. These are now available for the school community to view if needed on our school website. These policies include:

Smoking
Investment

Playgroup
Parent Payments

Electronic Funds Management
Head Lice

13. Principals Conference

I will be away at a Principals Conference in Melbourne on Monday 3rd and 4th of June. The 2019 Regional Principal Forum is an exciting opportunity for Principals and school leaders to engage with outstanding international leaders in school and system excellence. The Regional Forums are part of the learning strategy under the Education State, complementing and aligning Area Principal Forums and Principal Communities of Practice.

Participants at the Regional Forums will engage with evidence-based examples of international and state exemplar practices in teaching and learning. This will further the successful implementation of the Framework for Improving Student Outcomes (FISO) priority of Excellence in Teaching and Learning.

Claire Haberfield will be in charge at school while I am away

David

14. Transition – Greater Shepparton College

As your child is now in their final year of primary school, it is time to decide where they will begin secondary school. Enrolling a child in Year 7 is an important choice. To support your decision making, the Department has launched a new website to help you locate your local school, and give you transparency of choice in public schools across the Victorian public school system.

Your child is guaranteed a place at their local designated neighbourhood school, however you can choose to request enrolment at another school if you prefer. The school will use the Placement Policy to consider the application.

What you need to do

1. Read the Department's Placement Policy including the permanent address [guidelines and the priority order of placement at: www.education.vic.gov.au/school/principals/spag/participation/Pages/placement.aspx](http://www.education.vic.gov.au/school/principals/spag/participation/Pages/placement.aspx)
2. Locate your designated neighbourhood school or preferred secondary schools using www.findmyschool.vic.gov.au
3. Complete the Application for Year 7 Placement form and return to your primary school by **Friday 31st May 2019**.

Year 7 placements are determined by secondary schools. You will be sent notification of Year 7 placement for 2020 on **Wednesday 7th August 2019**.

15. Production Update

The cast is listed again in this edition of the newsletter along with the Props list – if you can assist please contact the school. All grade 5/6 students have received scripts for the school production which is planned for Thursday 29th August (matinee) and Friday 30th August (night performance). Students with iPads have scripts uploaded onto their devices and students who do not have an iPad have a hard copy. The production is titled "Rock Bottom". **All students (including the Foundation students) are involved in performing in the school production.** We expect that the next large Production will be held in two years time.

16. Munch N Crunch

This is scheduled for this Thursday 23rd May – orders have now closed. The lunch this term includes hotdogs or sushi rolls with flavoured milk and popcorn.

17. Pie Drive Orders

Pie Drive Orders have now closed. Each order will be packaged separately and needs to be picked up from the Multipurpose room on 23rd May.

18. Men's Shed Visits

We are hoping to begin this program this week. Therefore, could any consent forms be returned to the office please. Extra consent forms are available on Flexibuzz or from the office.

19. Absence Notes

Absence notes are a legal requirement for all absences. Please use the school absence note or submit an absence on Flexibuzz. Both of these are the preferred methods because they are completed immediately. If either of these are not convenient - please ring the school. Formal notes are needed for audit records and your support would be appreciated. We would prefer no text messages.

20. Bike Education Program

We are planning to run this program for Grades 2-6 students during the last 2 weeks of Term 2. Permission forms and specific information will go home in the near future. Mrs Montgomery will be coordinating this program.

21. School Fees now due

School fees are now due. All school fee information was summarised in our Parent Payment Charges letter which went home at the beginning of the year. Feel free to contact the office if any clarification is needed.

22. Parents' Club Initiative

The Parents' Club would like to support the Colgate Community Challenge and promote the collection of oral waste products which will be sent off at no cost to the school. This initiative fits very well into our Resource Smart program – specific information is provided on the link below. **Please send in any waste toothbrushes, toothpaste tubes, etc to school. The collection box is near the door of the BER Project space and there is another one at the Post Office.**

LIFE ED. PROGRAM FOR 2019

This program is scheduled to be held for the 11th and 12th June. We are hopeful that all children will participate in the Life Education Program. Although the van session is a one off, all class teachers have booklets to further reinforce themes, which are discussed as part of this program. Permission forms will go home soon and the cost is \$5 per student. This Program has been kindly subsidised by the Tallygaroopna & District Lions Club.

Foundation / Grade 1 Program – 12th June

HAROLD'S FRIEND SHIP

Foundation / Year 1

After building a model spaceship at school, Harold and his friends, Boots and Red venture into an imaginary world in outer space. As the adventure unfolds children explore:

- how to build friendships and care for others
- feelings and emotions
- safe and unsafe situations and early warning signs
- safe places and people to turn to for help

Grade 2 / 3 / 4 Program – 11th June

BCYBERWISE

Years 3 - 5

This module focuses on cybersafety, cyber ethics and building positive relationships with friends online and offline. The students explore a range of issues such as password security, risks of sharing personal information, how to communicate respectfully both online and offline, and strategies to handle bullying including cyberbullying.

- responsible and respectful behaviour when using communication technology
- skills for building positive relationships with friends
- keeping personal information safe online
- strategies to deal with bullying and cyberbullying
- exploring the role of bystanders

Grade 5 / 6 Program – 11th June

THINK TWICE

Years 5 - 6

Using distinctive animated and vox-pop videos, this module tackles the topic of drinking alcohol in an age appropriate context. Students explore concepts such as the effect that alcohol has on body systems, myths and facts about alcohol, laws relating to its sale and reasons why people choose not to consume alcohol.

- myths and facts surrounding the use of alcohol
- strategies for responding to encouragement or pressure to drink
- physical, social & legal consequences of alcohol use
- strategies to reduce harmful effects of alcohol on self and others

Rationale:

- A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code.

Aims:

- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school in the community.

Implementation:

- After consultation with the school community and the Student Representative Council, School Council has developed a Dress Code that we believe provides choice for the students, allows for students to safely engage in the many varied school activities, and caters for the financial constraints of families.
- The Dress Code applies during school hours, while travelling to and from school, and when students are on school excursions. Change to this is subject to the Principals discretion.
- Summer and Winter uniforms, as well as a sports uniform will be prescribed, and are required to be worn.
- Stud earrings and sleepers worn in the ears, plus watches are the only acceptable jewellery.
- Extreme hair colors and/or extreme hairstyles are not permitted.
- Enclosed shoes must be worn at school.
- Other than clear nail polish, cosmetics may not be worn at school.
- The only head wear that is acceptable is Sunsmart hats consistent with our Sunsmart policy. They must be worn outside from September until the end of April. Hats are not to be worn inside.
- From May until the end of August, school beanies and scarves are permitted to be worn outside.
- The Parents Club will accept good quality second hand uniforms, and will operate a second hand uniform store for parents.
- The student Dress Code, including details of uniform items and places of purchase, will be published in the newsletter at the start of each year.
- School Council requires the Principal be responsible for implementation of the Dress Code in a manner consistent with the Student Code of Conduct.
- Parents seeking exemptions to the Dress Code due to religious beliefs, ethnic or cultural background, student disability, health condition or economic hardship must apply in writing to the principal.

Evaluation:

- This policy will be reviewed as part of the school's three year review cycle and feedback will be sought from the School Community.
- This policy was updated and endorsed by School Council on Wed 17th Feb 2016.
- These policies will be implemented in accordance with our **Student Engagement Policy**.
