SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone.

Last Thursday was our Biggest Morning Tea event and again this was a great success with many special friends and family members coming into the school on this day. Our children really appreciated all of our visitors and it really is an opportunity to continue to build the relationship between home and school. A big thank you to the Parents' Club for assisting and also for any families who brought in food to share – your support is always appreciated. Many photos are highlighted in this newsletter.

Our Life Ed. Van and Bike Education Programs (Gr. 2-6) are fast approaching so it would be appreciated if relevant forms are returned ASAP. This year Life Ed will be held over two days. Bike Ed. will again be implemented by Mrs Montgomery over a 2 week period. It is imperative that bike checklists are filled out prior to this program. Mrs Monty will be able to begin completing bike checks at school today. Bikes will be stored safely in the Sport Shed in preparation for the program beginning on Monday 17th June – please consult with Mrs Montgomery if any clarification is needed.

A reminder that Friday is a Curriculum Day for Report Writing and no students will be at school on this day. With the Queen's Birthday holiday on Monday – school won't resume until Tuesday 11th June. It is hard to believe that there is only a couple of weeks to go until the end of Semester 1.

In this edition of the newsletter there are a number of photos to highlight sporting teams, the Used Book Fair and OSH Care. Please consider the latter – School Council will be deciding on the viability of this service going into the future during the second half of the year.

We have had a couple of Open Days already this year – the next one is on next Tuesday and we look forward to announcing our Transition Program for new Foundation students in the not too distant future. As always, we value our relationship with the local kindergarten and more visits are planned in the next few weeks.

Work with the Production is starting to pick up speed - please don't hesitate to contact any staff if needed – this program will be held a couple of weeks earlier this year and rehearsals will begin soon. If you can assist with costumes and props – please let us know. The updated list is published in this newsletter for parents to refer to if needed.

I look forward to catching up with parents throughout the week. I am away at a Principals Conference today and tomorrow and will return to school on Wednesday. Karen will be at the office to attend to any matters if needed.

GREATER SHEPPARTON COLLEGE – PLANNING THE NEXT STEPS

Shepparton's four secondary schools merge as of January next year to create the Greater Shepparton College (interim name). I'm the Executive Principal, and I want to keep you updated about how we are preparing for that. The merger will be staged over two years. We have created a School Council Advisory Group to assist the four existing school councils and school community with that upcoming transition.

What is a School Council Advisory Group?

This group represents the school community (school staff, students, parents and community) with 18 representatives.

Who is involved?

- One parent/community representative from each of the current four secondary school councils
- Four principals (one from each of the existing secondary schools)
- One Department of Education & Training (DET) staff member from each of the current four secondary schools
- Four student representatives, one from each of the four secondary schools
- Executive Principal
- DET Senior Education Improvement Leader

What do they do?

- Contribute to designing the new school uniform and branding
- Propose the make-up of the interim school council which will operate in 2020.
- Assist with the process of naming the new school
- Help develop the new school's vision and values
- Work with existing secondary school councils to plan how to honour their schools' histories
- Communicate back to each of the four current school councils regarding the merger process

How often are their meetings?

We will meet every four to six weeks.

Who makes the final decisions?

The school council advisory group provides advice and recommendations to the existing four school councils, who make the final decisions.

When will this group start?

Our first meeting was held in April 2019 and will continue until the end of the year when the new interim school council starts operating.

FINANCIAL SUPPORT FOR NEW SCHOOL UNIFORM

Minister for Education James Merlino visited Mooroopna Secondary College on 16 May 2019 to announce a one-off only payment for students enrolled with Greater Shepparton College (interim name) in 2020, to assist with the cost of a new school uniform.

All government school students enrolled at Greater Shepparton College (interim name) will be provided with a \$200 voucher to be redeemed at local uniform suppliers, so that all students can be wearing a consistent school uniform from the start of next year as we progress with our single school model. This voucher will provide each student with a uniform package consisting of two sets of summer uniform and one set of summer sports uniform.

Parents and students from the four current secondary schools are undertaking a joint process to design the new school uniform. Families will receive their uniform vouchers during Term 4 this year.

NEXT ROUND OF INFORMATION SESSIONS

Greater Shepparton College's (interim name) vision is to give students the knowledge and skills to thrive throughout their lives.

As a school, we recognise that each student has different strengths, interests and ways of learning and to support these different styles we have developed a broad-based curriculum that will cater to all students. Our focus must be aspirational, for all of our young people and with a strong health and wellbeing focus.

We held Year 7 information sessions during May 2019 at McGuire College which appeared to go very well.

Our next round of information sessions will be oriented towards Year 8-9 students in 2020, and then Year 10-12 students in 2020.

Come and hear about our programs for next year. Dates and locations follow.

Save your lids!

Hi Tallygaroopna Primary School parents, friends and community,

We are looking to create a recycled plastic lid art work soon, and we are asking that you save your plastic lids for this project. Lids that are suitable are pretty much any plastic lids, in the following photo you can see plastic lids from coffee, shower gel, hot chocolate, yogurt, milk, juice, mouthwash, marinated octopus, mayonnaise, water, sauce and carpet spray. It doesn't have to be just drink lids. Recycle ALL your plastic ♻.

Please start saving as you can imagine we will need a lot of lids!

Mrs. H

Woolworths Earn & Learn is back!

Between 1st May and 25th June, collect as many stickers as you can.

Please place the stickers in the boxes labelled Tallygaroopna Primary School that can be found at Woolworths Archer Street and at the Marketplace.

Stickers can be left at the reception area at school. Make sure you ask friends and family members to start collecting for us too!

The Child Safe Standards are compulsory minimum standards for all Victorian early childhood services and schools, to ensure they are well prepared to protect children from abuse and neglect. The standards provide a framework for schools to review existing policies and practices and all other aspects of child safety, to ensure a 'zero tolerance' approach to any form of child abuse. You can access our policy on the school's website.

1. Communicating with Staff

Please feel free to discuss any issues with myself or any specific class teachers. At Tallygaroopna PS, we are easily accessible to parents and we value the importance of positive and constructive communication with all of our families. Please contact the school to make an appointment if needed – so that necessary needs can be addressed at the appropriate time which does not affect normal planning and learning time.

2. Literacy Leaders Program

Our school is taking part in this program which focuses on giving Literacy Leaders an opportunity to learn to lead the development of a shared understanding of quality literacy instruction, whole-school literacy approaches, assessment procedures, and models of effective literacy practice. The course provides pedagogical content knowledge, including effective teaching and assessment practices, to promote and influence explicit and high-impact literacy teaching. This began a couple of weeks ago for Miss Lothian, and will also be implemented on the following dates – 14th June, 19th July and 9th August. There will be a 5th day – yet to be confirmed. Miss Lothian will be out of the school during all of these dates.

3. Outside School Hours Care

Unfortunately, our numbers have dropped recently and it would be terrific to see some new permanent or casual placements in this service which operates from 3.25pm to 6pm, 5 days a week. This service to our families involves a large financial commitment by School Council and we will be discussing the sustainability of this program at the end of the year. Our OSH Care service has been in operation since 2014 and as our school has grown we had hoped that enrolments in this service would continue to grow.

4. Assembly Announcements

Any student announcements at assembly for sport / achievements need to be written down and approved by staff in preparation for assembly on a Friday. This will assist with trying to fit in assembly in such a short time frame at the end of the week. There will be a plastic pocket stapled to the divided wall for any items - just make sure these are checked by staff please.

5. Production Props

The 5/6 students have been busy helping to make props for our Term 3 production, Rock Bottom. They have also been practising their lines as a class most afternoons. In the next couple of weeks, Miss Lothian will bring the Grade 2-4 students into some rehearsal sessions. Thank you to those who have been able to bring in props – in the 5/6 room there is an up-to-date list of what has been sourced and what is still needed.

Staff at Tallygaroopna PS have done a terrific job getting things organised regarding the School Production in Term 3. From what we understand, below is all that is remaining - if you have any of the following please let us know ASAP.

- | | | |
|----------------------------|------------------|--------------------|
| • Animal print fabric | • Plastic bones | • Old lady mask |
| • Purple top hats x 3 | • Sat Nav | • Plastic goblets |
| • Plastic cocktail glasses | • Feather duster | • Bird puppets x 3 |

Our plan is to have props and costumes organised by the end of the term, leaving sets for Term 3. Grade 2-6s will be supplied with a coloured shirt (we still have to buy some) and wear their own black pants. F-1s will need to come dressed in all black.

6. Curriculum Day / Queen's Birthday Holiday

This is scheduled for Friday 7th June with the Queen's Birthday holiday being held on Monday 10th June. All teachers will be busily finishing school reports and finalising feedback in relation to Individual Learning Plans. This day is a pupil free day – no students will be required at school so families will need to make alternative arrangements. School will resume next Tuesday 11th June.

7. Unexplained Absences

Currently, there are no unexplained absences for the 2019 school year. This is a fantastic effort by our families and members of staff who have stayed on top of this. Our attendance rate has been above state benchmarks for the last few years and we hope that this continues into the future. A reminder to stay warm and dress appropriately during the winter months to minimise the risk of colds.

8. NAPLAN Online Feedback

NAPLAN online has finished for the year and we hope to have results to Grade 3 and 5 families in the near future. We only had some minor connectivity issues during this two week period and there appeared to be an overall positive reaction by our students in regard to doing it online for the first time. Below are some comments made by our students that were posted on Padlet – we look forward to implementing this online again hopefully in 2020.

“I like it on the computers because, our hands don’t get real tired”

“It is great to be able to flag a question and come back to it – this saves time”

“I love typing narrative and recounts on the computer”

“NAPLAN on the computers is less stressful”

“NAPLAN writing on the computers is good, because you don’t have to focus a lot on neat handwriting”

“I am a faster typer than writer, so it suited me”

“I hope we get to do it online next year as well”

“It was great that many of the maths questions were read to you”

9. School Uniform - reminder

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. A reminder to all families to reinforce this please. From May until the end of August, school beanies and scarves are permitted to be worn outside – these can be purchased from school in line with our uniform policy as well – we would appreciate green or red beanies and scarves only.

CAN APPROPRIATE UNIFORMS BE REINFORCED PLEASE – BLACK SHORTS OR PANTS.

10. Open Days

Another Open Day will be held next Tuesday. This will be held from 9.30am until 10.30am. Any potential families are more than welcome to organise another date that may suit - contact the office in regard to this please.

11. Community Plan Meeting

The following dates have been set for the Community Plan Committee – all are welcome. This traditionally takes place on the 1st Monday of every month – meetings at 7pm at the Town Hall or CFA Shed. The Greater Shepparton Council are aiming to have the new Tallygaroopna Community Plan endorsed in June. See website below for further details.

The 2019 Regional Principal Forum is an exciting opportunity for Principals and school leaders to engage with outstanding international leaders in school and system excellence. The Regional Forums are part of the learning strategy under the Education State, complementing and aligning Area Principal Forums and Principal Communities of Practice.

Participants at the Regional Forums will engage with evidence-based examples of international and state exemplar practices in teaching and learning. This will further the successful implementation of the Framework for Improving Student Outcomes (FISO) priority of Excellence in Teaching and Learning.

14. Men's Shed Visits

We are hoping to begin this program this week. Therefore, could any consent forms be returned to the office please. Extra consent forms are available on Flexibuzz or from the office.

15. Absence Notes

Absence notes are a legal requirement for all absences. Please use the school absence note or submit an absence on Flexibuzz. Both of these are the preferred methods because they are completed immediately. If either of these are not convenient - please ring the school. Formal notes are needed for audit records and your support would be appreciated. We would prefer no text messages.

16. Bike Education Program

We are planning to run this program for Grades 2-6 students during the last 2 weeks of Term 2. Permission forms and bike checklists went home last week and must be returned ASAP. Mrs Montgomery will be coordinating this program.
