## News from the Principal's Desk

Hi everyone

I hope everyone had a restful long weekend and we look forward to finishing the first semester on a positive note. As you would be aware, staff are busily trying to finalise assessments and also school reports and we anticipate that they will go out to families in sealed envelopes on Thursday 24<sup>th</sup> June. All students will have their goals updated and some students will also have Individual Learning Plans updated as per DET guidelines. New goals will be written early in Term 3 and then distributed to families. We have again updated our school reports to focus more specifically on Class Behaviour and Effort across the school and families can consult with class teachers if any clarification is needed. We hope to have a Student Led Conference onsite in Term 3, but families can contact staff via Class Dojo if needed.

This week our Bike Education Program concludes for students in Grades 3-6. We have unfortunately had some inclement weather during this program and we have tried to navigate through this as best as we could. It has been terrific to see the positive attitude of all of the students involved with this program and again thanks to Mrs Monty for her hard work with this extra curricula opportunity.

Congratulations to all of the Grade 5/6 students who are participating in the Ration Challenge and I am sure you will have a challenging few of days with your food consumption. By putting themselves in the shoes of a refugee for three days, students have learnt about current global issues, developed empathy for others and hopefully have felt empowered to make a difference in the world.

We only have two weeks of school to go this term and soon we will say goodbye to our wonderful school chaplain – John Hosking. We will be conducting interviews after school on Wednesday – a big thank you to Renee Scott for volunteering to help out with this after interest was sought a fortnight ago via the newsletter.

Continue to promote our school as much as possible so we can continue with a good influx of new students for the new year to cater for the large cohort of grade 6 students who will be exiting the school at the end of the year. We are more than happy to be flexible if the remaining open day dates don't suit an interested family, although these are postponed at the moment because of COVID-19 restrictions.

David Brodie (Principal)

We will be presenting Terrific Kids Awards at the last assembly of the term on Friday 25<sup>th</sup> June. Unfortunately, no visitors are allowed to attend because of COVID-19 restrictions.

Our Italian Day and Much N Crunch scheduled for this Thursday has been cancelled, but may potentially be rescheduled – to be discussed at future Parents' Club Meetings.

A REMINDER THAT ASSEMBLY IS HELD EACH FRIDAY AT 3PM – UNFORTUNATELY WE PRESENTLY CANNOT HAVE ANY VISITORS INTO THE SCHOOL DUE TO COVID RESTRICTIONS.

**Absence forms can be submitted on Skool Loop. This is our preferred method of notification.**

**A REMINDER ABOUT CHAPLAINCY CONSENT FORMS TO BE RETURNED. CHILDREN AT OUR SCHOOL ARE ONLY ABLE TO INTERACT WITH JOHN HOSKING WITH THIS CONSENT.**

**WE WILL BE HAVING A CASUAL DAY WITH A FOOTY COLOURS THEME ON THE LAST DAY OF THE TERM - FRIDAY 25<sup>TH</sup> JUNE. THERE WILL BE NO COST FOR THIS.**

**DISMISSAL WILL BE AT 2.25PM AS PER USUAL. SCHOOL WILL RESUME ON MONDAY 12<sup>TH</sup> JULY.**

## May Out of School Hours Care Newsletter

We've been a creative bunch this month with Mother's Day tasks and Colouring pages.  
It's been really good to see some new faces using the service. The regulars get a kick out of sharing the experiences that they have in OSHC.

Everyone loves after school snack time.  
Snacks are generally made up of a couple of different fruits, some cheese and crackers.

Mother's Day craft, trees with love heart leaves.  
Making layered colour salt jars.  
Colouring, colouring and more colouring.  
Lego building.  
Teachers and writing on the whiteboard.  
Outside play.

We will continue to send out surveys to those that did not receive them yet.

Are your children loving OSH or is there something we could improve on?

What activities would you like to see us doing?

We are open to all suggestions and value your feedback.

**Outside School Hours Care is looking for any donations of wool for a craft project in this program. If you can help, please send the wool to the school office.**

The Child Safe Standards are compulsory minimum standards for all Victorian early childhood services and schools, to ensure they are well prepared to protect children from abuse and neglect. The standards provide a framework for schools to review existing policies and practices and all other aspects of child safety, to ensure a 'zero tolerance' approach to any form of child abuse. ## **Education and Training Reform Amendment (Protection of School Communities) Bill 2021: Information for Parents, Carers and Families**

*This information is for parents, carers and guardians about the new Education and Training Reform Amendment (Protection of School Communities) Bill 2021.*

Victorian school communities are overwhelmingly positive and safe places for teaching and learning where we all play a role in supporting students in their achievements, engagement and wellbeing needs.

It is likely that you have heard the recent media announcements that the Victorian Government has introduced the *Education and Training Reform Amendment (Protection of School Communities) Bill 2021*. If passed through parliament, the proposed Bill would come into effect in May 2022.

The Bill aims to protect and keep school communities safe by preventing and deterring violent and aggressive behaviours from adult members of the school community and ensure that schools are positive, safe and inclusive places to work and learn. This Bill will apply to the small minority of adult members of the Victorian school community who engage in this behaviour, after early conflict resolution measures through non-legislative avenues have failed.

The proposed law will empower principals and other authorised persons to issue School Community Safety Orders in response to parents, carers and other adult members of the school community who engage in harmful, threatening, abusive or disruptive behaviours on school grounds or places where school activities take place, or inappropriate and harmful communication through emails and social media.

This Bill will apply to the small minority of the school community who engage in this behaviour when all other reasonable interventions have failed. The changes would ensure that all members of the school community are kept safe and to minimise any harm to their safety and wellbeing. There will be internal and external review mechanisms in place if a person who is subject to a School Community Safety Order wishes to appeal an Order.

Arrangements will be available to ensure parents can still remain engaged in their child's learning and to minimise any disruption to the student.

This Bill would not replace the existing avenues to raise any complaints, issues or suggestions with schools. By continuing to engage with these communication channels in a respectful and collaborative manner, we can continue to work together to support our students

Further information about the details of the Bill will be communicated to you if the Bill is passed by parliament.

## **COVID-19 RESTRICTIONS – as per Friday 4<sup>th</sup> June 2021.**

- Non-essential visitors should be excluded from school sites for this period. This includes parents and carers unless it is absolutely necessary and urgent. If this is the case – you will need to ring the school on 58298264 and speak to the Principal.

**To support contact tracing, parents and carers will need to record their name in the visitor's book at school and wear a facemask for any time they are in the school grounds after speaking directly to the Principal.**

- Whole school assemblies are permitted when attended only by staff and students.
- Face masks must be carried at all times. These must be worn indoors except if at home, or if an exception applies. Face masks must be worn outdoors where 1.5 metres physical distancing cannot be maintained.
- Face masks are required to be worn outdoors at school by staff where physical distancing of 1.5m cannot be maintained.
- **Teachers and education support staff are not required to wear face masks while teaching, but those who wish to do so, can.**
- In line with COVID-19 restrictions, school tours should not be conducted on-site for prospective students and their families at this time. Any further Open Days planned for the time being will have to be postponed. These were for - Friday 4<sup>th</sup> June, Friday 18<sup>th</sup> June and Thursday 24<sup>th</sup> June. Apologies for any inconvenience - contact the school on 58298264 to discuss any enrolment queries.
- Some minor adjustments will occur with drop offs and pickups at the front car park in the morning and afternoon – this will be trialed on Friday. Parking in the car park will not be available for parents and carers – unless permission is granted by the Principal for a legitimate reason. Witches hats will be utilised:
  1. Drop offs and pickups will occur at the new fence along the path in the car park. Parents and carers will not leave their cars.
  2. Children will be escorted in and out of cars at the beginning and end of the day.
  3. If traffic is built up at the car park entry gate, please enter the car park coming from the Post Office end of town to help with traffic flow along Victoria Street. This may involve doing a drive around the block.
  4. Be patient, everyone's safety is paramount.
- Drinking fountains and playgrounds can remain open.
- School bus services will continue to operate as normal.
- The most important action school communities can take to reduce the risk of transmission of COVID-19, is to ensure that any unwell staff and students remain at home and get tested, even with the mildest of symptoms.
- If a student or staff member has persistent symptoms due to an underlying condition such as hay fever or asthma, the student should still be tested for COVID-19 if they develop symptoms that are different to or worse than their usual symptoms. Parents/carers and staff should also consider getting a medical certificate from their treating GP to confirm that it is safe for them to attend school with persistent symptoms that may overlap with some of the symptoms of COVID-19 such as cough or runny nose.
- Sharing of food is not permitted.
- Use non-contact greetings (not shaking hands, hugging or kissing).

David Brodie  
Principal

### **1. Parents Club Meeting**

Unfortunately, we only had two parents attend the meeting on Friday. We are trying hard to get more people involved and will continue to do so. Therefore, the next meeting is scheduled for Wednesday 14<sup>th</sup> of July beginning at 7.30pm – all are welcome. This meeting will be held online and specific details are in this edition of the newsletter. It is essential that we have some more support with this group so that Parents' Club activities are maintained heading into the future.

### **2. School Council**

This is scheduled for Tuesday 15<sup>th</sup> June via Webex. The Finance Committee will meet at 6pm followed by School Council at 6.45pm. Information was distributed last week.

### **3. Region Cross Country**

Good luck to Ellie Sidebottom who has an opportunity to represent the school at this event at Winton on Friday 23<sup>rd</sup> July.

### **4. GRIP Leadership Conference**

This program has been rescheduled to Thursday 15<sup>th</sup> July. Updated permission forms will not be sent home.

### **5. School Reports**

These will be distributed in sealed envelopes on Thursday 24<sup>th</sup> June. If parents would like some more feedback about individual student performance at school feel free to contact class teachers via Class Dojo. Teachers spend a lot of valuable time putting these together so please take the time to read them. Remember that these reports can be placed in the green report folders which every student at school should have.

The report cards have:

- \* a chart with an A-E rating (Well Above the Expected Standard – Well Below the Expected Standard), showing your child's current progress against the expected state-wide standard as well as the progress they have made since the previous year
- \* a chart showing your child's level of effort and class behaviour in a number of specific areas.
- \* details about attendance
- \* easy to understand comments from teachers outlining what your child knows and can do, any areas in which your child needs to be given further help or extended, and how this will be done.

### **What exactly do the A-E ratings mean?**

**A** indicates achievement that is **above the standard expected** for your child's year level at the time of reporting (12 months or more ahead of the standard expected at the time of reporting)

**B** indicates achievement that is **above the standard expected** for your child's year level at the time of reporting. It means that your child understands more complex ideas and has a broader range of skills than would normally be expected.

**C** indicates achievement that is **at the standard expected** for your child's year level at the time of reporting. It means that your child's learning is on track and that they understand and can apply the range of skills and knowledge expected for their year level at the time of reporting.

**D** indicates achievement that is **below the standard expected** for your child's year level at the time of reporting. It means that there are some skills and knowledge that your child has yet to acquire before they can be said to be achieving at the expected standard.

**E** indicates achievement that is **well below the standard expected** for your child's year level at the time of reporting. It means there are significant areas of knowledge and skills your child needs to acquire before they can be said to be achieving at the expected standard.

### **Isn't a 'C' a disappointing result?**

No it is not at all. It is important to remember that if your child receives a 'C' on the report card it indicates that their *learning is on track* and they are achieving the statewide standard that *is expected of them* at the time of reporting. In the past, a 'C' in some schools might have meant that the child was performing below the expected standard. This is no longer the case.

Updated goals and ILP's for some students (as per DET guidelines) will also go home in these envelopes. We anticipate that new goals for Semester 2 will go out to families on Monday 26<sup>th</sup> July.

## **6. Cancellations**

The following programs have been cancelled for the time being but we hope that these will be rescheduled once COVID-19 restrictions are lifted.

1. Italian Day / Munch N Crunch

## **7. Bike Education**

This concludes on Wednesday this week for students in Grades 3-6. There will be no On Road Test or Grade 6 Bike Ride this year. Hopefully, the weather will be kinder to us in future. It would be appreciated if all bikes are collected by the end of the week please.

## **8. School Uniform - reminder**

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. A reminder to all families to reinforce this please. From May until the end of August, school beanies and scarves are permitted to be worn outside – these can be purchased from school in line with our uniform policy as well – we would appreciate green or red beanies and scarves only.

# **CAN APPROPRIATE UNIFORMS BE REINFORCED PLEASE – BLACK SHORTS OR PANTS.**

## **9. School Car Park**

A reminder to families to use the designated parking areas in the school grounds car park and do not park in front of the school office. This will assist with traffic flow. Some families have neglected to do this. Cars can only stop at the path if they are doing a quick drop off and pick up. We have some signage on the office now to remind families of this and some other work in this area will also occur to assist with safety in the not too distant future. Families can make alternative arrangements with their children at the front of the school (ie: next to the kinder –utilising the crossing) if space on site is an issue.

## **10. Absence Notes**

Absence notes are a legal requirement for all absences. Please use the school absence note or submit an absence on Skool Loop. Both of these are the preferred methods because they are completed immediately. If either of these are not convenient - please ring the school. Formal notes are needed for audit records and your support would be appreciated. We would prefer no text messages.

**What happens if absences continue – 7 days a term turns into 28 days a year, which turns into 196 days over 7 years. This results in a child missing 1 whole year of their Primary School years – something for all of us to think about.**

### **11. School Fees**

Family reminder statements were sent home to all families recently. If you need any clarification, please contact Karen. More information regarding fees can be found in Parent Payment Arrangements for 2021 which was sent home to families late last year and are also available on the school website under Information < School Fees. These base school fees are summarised below:

Foundation	-	\$215	Grade 1/2	-	\$150
Grade 3/4	-	\$135	Grade 5/6	-	\$140

These fees are now due and we would appreciate payment as soon as possible. If you would like to discuss a payment plan, please speak to Karen or David. As stated in the Parent Payment Arrangements forms, these fees do not include camps, excursions, swimming, uniforms or bus fees (if applicable). For more information, please contact Karen Armstrong or David Brodie.

### ***Second-hand Uniforms***

*If anyone has any uniforms that they no longer require  
could you please send them along to school*

### **School Crossing**

We are looking for someone from the local community to assist with the school crossing each day. This is a non-paid position but an opportunity for someone to assist the school from 8.30am – 8.55am and 3.25pm – 3.35pm each day. This is an informal way to interact with our children and any support would be appreciated. A volunteer would need a Working With Children Check and also comply with the School’s Child Safe accountability. Contact the school on 5829 8264 if interested.
