SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone,

It was devastating to hear of the fires in the local area over the weekend. Our hearts go out to anyone who has been affected at this time. Hopefully, everyone has come out of the bushfires unscathed and we can all continue on with some normality in our lives. Yesterday, I spoke to Brendan Kenna (Principal of Wunghnu PS) and Stuart Brain (Region Emergency Management Coordinator) and I will continue to monitor this situation over the next few days.

Congratulations to our new School Captains and Vice Captains. These students will lead the school throughout the 2014 year and we look forward to seeing them relish this opportunity to lead from the front and be great models to our other children.

This week is a busy one at school with a number of events taking place. Our AASC program began today and again we are very grateful for the support we get from both Andrea Walker and Gillian O'Brien who have offered to be our school supervisors.

On Tuesday, we have our Brave Hearts Personal Safety Program followed by the Community Kitchen Program after school as well. Some parents have kindly offered to help organise the latter, so I encourage everyone to come along and support this initiative.

The Meet and Greet Night is also on Wednesday night. This will be very informal so come along and hear what is happening in each grade for the year. We will also quickly launch our Bounce Back program – with some fun included.

Over the weekend, I made contact with families via Tiqbiz and Facebook in regard to the publication of school newsletters in the future. As a result, a full newsletter will only be published and sent home every fortnight while a Mini Newsletter will go on Facebook, Tiqbiz and our school website every second week. I have been really encouraged by the response of families joining Tiqbiz over the last few weeks so I can see this minor change being a positive one.

Finally, school photo envelopes went home last week and these will need to be returned to school before the Photo Day. This is scheduled for Tuesday 25th February.

Karen will be away tomorrow, but she will be at school for the rest of the week to attend to any matters that arise. I will be away at a Network Meeting tomorrow as well unfortunately. I look forward to catching up with some parents at the Meet and Greet Night on Wednesday night.

David Brodie (Teaching Principal)

2. Tiqbiz Communication - reminder

To aid communication between our school and the home we have started using an application which is available on computers and mobile devices called Tiqbiz. Tiqbiz is a school app and business program designed for newsletters, calendar events and marketing information. The school app includes an instant message service to alert when new information is available while the business program will notify customers of new releases and events. It would be appreciated if all families could download this ASAP so that immediate alerts go directly to everyone.

5. Brave Hearts Program

Our whole school will be participating in a Brave Hearts Personal Safety Show tomorrow from 2.15pm until 3pm in the Project Room. The purpose of 'Ditto's Keep Safe Adventure Show' is to teach children protective behaviours in a non-confrontational, fun and engaging fashion. Bravehearts' Education Teams deliver the show's messages into schools, day care centres, shopping centres, sporting clubs and other facilities (relating to the care of children) to provide students, parents, teachers, carers and the general community with specialised child sexual assault awareness and education.

'Ditto's Keep Safe Adventure' Education Program aims to continue communicating essential personal safety messages and works tirelessly to reach children across Australia. Since reaching the 200,000 safer kids milestone in March 2012, the amount of children that have seen Ditto continues to grow.

The show's main contents address:

- Yes and No Feelings
- Warning Signs
- Scared and Yucky Feelings
- Private Parts and Privacy
- It's OK to say NO if you don't feel safe
- What to do if you feel unsafe or unsure

In addition to the performance and to continue communicating Ditto's personal safety messages, the team also provides an Activity Book for each student to take home and share with parents and carers. **No Permission forms will be necessary for this show – please contact the office if you would prefer your children to not participate in this performance.**

6. Parents Club AGM

The Parents Club will hold their AGM and first meeting for the year on Wednesday 19th February from 3.30pm until 4.30pm in the Project Room. Everyone is welcome and we look forward to seeing some new and familiar faces at this meeting. The Parents Club at Tallygaroopna PS are a wonderful group of hard working parents who make a significant contribution to our school and we look forward to hearing of some new, fresh and exciting ideas for the school year.

7. Student Information - reminder

Last week, we sent home data indicating general information about each student currently held on Cases21 at the school. Could you please check, update if required, sign the forms and return them to school as soon as possible so that we can update our data base. The following forms also need to be filled out, signed and returned:

* Green Confidential Student Information

* Acceptable ICT Use

* Engagement Policy

Some families will also receive 2 Bus Forms, School Asthma Action Plans and EMA forms – could these be returned promptly to the office also.

8. AASC Program

We started our Active After School Care Program today with Soccer being held. Tennis will be held on Tuesday's. Both sessions start at 3.35pm and finish at 4.35pm. Participating students will be given fruit for afternoon tea prior to the start of each session. If your child/ren are interested, please fill out the registration form which was handed out last week and return to school ASAP. This form is available on the school website as well. Andrea Walker will be our school supervisor on a Monday and Gill O'Brien will fulfil this role on Tuesday's. Their assistance is greatly appreciated. A Participation Award (icy pole voucher) will be awarded to a random student at assembly each week.

9. Information Evening / Bounce Back Launch

An Information and Meet the Teachers evening will be held at school this Wednesday, 12th February from 6.30pm - 7.30pm. At 5.45pm an informal BBQ will be provided for families for tea followed by a very informal launch of our new Social Skills Program – “Bounce Back” at 6.20pm. Mr Brodie and Mrs Haberfield will do their information sessions at 6.30pm. At 7pm Mrs Wallace will speak to Prep/1 families for approximately 30 minutes.

10. I.T. – Acceptable Use - reminder

Last week, all families received information in regard to acceptable use with the Internet and other Digital Technologies. Although, there is a lot of information in this document, page 2 is all that is needed to be returned to school. Could this be done ASAP please.

11. Engagement Policy - reminder

All families received the school's revised Engagement Policy which includes our current school values. This document was approved in 2010 and it is a living and breathing document so new additions / alterations may occur throughout the year. Could parents return the last page of this document to the office ASAP please.

12. Northerners Soccer Club

Northerners Soccer Club needs a new representative for the Club for this season to attend Association meetings and organise it's teams, as the previous representative no longer has a child playing at the Club. The Association AGM will be held on Wednesday, 12th February at 7pm (venue to be confirmed). This meeting must be attended if entering teams for the 2014 season. Donna is happy to attend the meeting WITH a parent representative but someone will need to come forward to represent the Club if it is to continue this year. Please contact the school (or Donna) if you are willing to be the Northerners representative. If you have a child/ren interested in playing soccer this season, please leave their name and date of birth at the school office.

13. English Online Interview

The English Online Interview is a powerful online tool for assessing the English skills of students in Years Foundation to Grade 2 in Victorian government schools. The Interview assesses students across the three dimensions of the English domain of the Victorian Essential Learning Standards (VELS) – Reading, Writing and Speaking and Listening. Teachers will be conducting these tests over the next few weeks. It is compulsory to conduct these with Foundation students and we will be endeavouring to complete them with students in Grade 1 and 2 also.

14. Term Dates - 2014

These dates have now been confirmed at School Council. Please keep these in a handy spot as you may wish to book your family holidays during the school holidays.

Term 2 – 22nd April until 27th June

Term 3 – 14th July until 19th September

Term 4 – 6th October until 19th December

If Grade 6 students would like to have the back of their green school uniforms tops printed (shirts, jumpers), could they please have all of these named and placed in a plastic bag and given to Mrs Armstrong at the office by Thursday 13th February. They will then be delivered to Spectrum in Shepparton for printing on the Thursday. The cost for each print will be \$8. Hence three prints would be \$24. Contact the office on 58298264 if you need to discuss payment options. This is not compulsory – students will still need to wear school uniform while the prints are being completed – please bring in a note if school shirts are not worn during this time.

Helping children who have been affected by bushfires

Guidelines for parents and caregivers

Thousands of people have been affected by the recent bushfires in Victoria. A large number of these are children who have suffered enormous losses, lived through terrifying experiences and witnessed horrific events. Many other children have suffered indirectly, through hearing about the fires or knowing someone who has died or been badly injured. These are all highly traumatic experiences for children.

Impact of trauma on children

People cope with trauma in different ways and there is no one 'standard' pattern of reaction to the stress of traumatic experiences. Children are not always able to express complex feelings in the same direct way that adults do and therefore do not often show the same reactions to stress as adults. It is therefore very important to look out for changes in children's behaviour that suggest they are unsettled or distressed.

Reactions to the trauma of the bushfires may result in changes to children's normal behaviour such as:

- Changes in their play, drawing, dreams or spontaneous conversations
- Regressive behaviour – children behaving younger than they normally do
- Nightmares
- Anxiety about sleeping alone
- Trouble getting to sleep
- Irritability or anger
- Tantrums
- Fussy eating
- Withdrawing
- Wanting to stay close to a parent
- Problems concentrating at school

Children are usually very resilient and for most children these reactions will gradually reduce over time with the support of families.

How you can help your children recover

After a traumatic event, children need comfort, reassurance and support, and to know that they are safe and are being looked after. Try to spend more time with your children and provide them with plenty of affection through cuddles and hugs. Sometimes children can better express their feelings through play than through words, so make time to

play with them. Let them be more dependent on you for a while and try to re-establish daily routines, for example routines around mealtimes, bedtimes or returning to school where possible.

Find out what your children know in case they have mistaken ideas or facts about the bushfires, and correct any misconceptions. Keep your responses appropriate to the age of your child and also appropriate to the child's level of understanding and emotional maturity. Young children often need reassurance more than facts.

Listen to your children's concerns. Listen closely to what they are asking or saying, and think about whether they are looking for factual information, or if the questions are expressing anxiety about the bushfires. Try to keep your own feelings to yourself when talking about their feelings. Let them know that you understand how they feel.

Monitor how much your children are being exposed to media stories of the bushfires. Children can become retraumatized by watching repeated images on the television and it is best to try to shield them from the media.

Be aware of how you talk. Adults need to be conscious of the presence of children when discussing the bushfires. It is a good idea not to let children overhear adult conversations about worrying things if they cannot join in at their own age or stage of development.

And most importantly, look after yourself as it is likely that you have also experienced the bushfire trauma. When parents are feeling cared for themselves they are better able to respond to the needs of their children.

Supporting your child's safe online social networking

Social networking is an extension of offline friendships and we should treat people the same way as we do in real life. Chatting to friends using IM, chat or social networking is a great way to stay in touch and make new friends. However, your child should always keep in mind that there are some risks meeting people online—especially if they don't know them in real life.

Discuss the following aspects with your child to help them safely enjoy social networking.

- **Limit your friend list.** Do you know your online friends in the real world? If not, consider changing your settings to limit interaction with them or remove them.
- **Protect personal information.** Restrict information that people can use to access your finances, and to identify where you live, work or go out.
- **Check on your images.** Does everything about your life really need to be online? How might this affect you and your reputation in the future?
- **Stay respectful.** Are your posts respectful to friends and others? This is real life; being online is no excuse for bad behaviour.
- **Think twice before meeting offline.** If you want to meet someone offline be safe – take an adult with you, meet in the daytime and in a public place. Don't share information too early.

It is important to note that there may be age restrictions that apply to your child joining a social network. Many popular social networks are restricted to users only above 13 years of age.

If your child or someone they know wants to talk about online friendships, visit the **Cybersmart Online Helpline** (www.cybersmart.gov.au/report.aspx) or call Kids Helpline on 1800 55 1800.

Glossary:

Chat: Chat is the informal 'conversational' communication between users of the internet while they are online. This can be direct one-on-one chat using tools such as instant messaging (IM), chat rooms or SMS. It can also be text-based group chat through mediums such as Internet Relay Chat, online forums and Wikis.

Instant messaging (IM): Instant messaging is sending real-time messages from one computer to another by means of small 'pop-up' windows. They are a form of 'instant email' and are very popular with students and adults alike. They are usually a one-to-one communication medium, although some programs allow many people to chat at the same time, like a private chat room.

Social networking: Social networking occurs via an online site where a user can create a profile and build a personal network of online 'friends'. In the past five years, sites such as Facebook and Twitter have engaged tens of millions of internet users.
