Hi everyone,

On behalf of the whole school community, I would like to congratulate Mandy and Ray (Kyle Emanuelli) on the birth of their new son, William Jaxon, last week. Kyle had a large smile on his face on Friday and we know that you will enjoy this special time together.

Last week was a very eventful one with many great extra curricula activities happening at Tallygaropna PS. The Grade 3/4 Camp at 15 Mile Creek was obviously a highlight and this experience was invaluable for our children. It was also great to see many of our older students participate in Netball and Football out of the school last Friday – a big thank you to Mrs Haberfield for helping to assist with the camp and also to Mr Pettigrew from Congupna PS and Miss Bicknell for coaching both of these sporting teams.

There will continue to be major building works at our school over the next few weeks. We are making students fully aware of this and ensuring that they are constantly safe and out of harms way during this time. There are no disruptions to school programs as a result of this although outside classroom time has to be closely monitored.

Karen will be at the office until Thursday and I will be teaching on Monday and Tuesday this week. Karen and I have and Occupational Health & Safety Inspection on Wednesday morning until lunchtime so we will be unavailable during this time. Apologies for any inconvenience. I will also be away at a Collegiate Meeting all of Thursday as well. Have a great week everyone – Go Blues!!!!

David Brodie – Principal

**MUNCH N CRUNCH ORDER FORMS THAT WENT HOME ON THURSDAY ARE DUE BACK AT SCHOOL TOMMOROW.**

Developments around Tallygaroopna Primary School

Interschool Sport – Netball / Football

## OUR NEW LITTLE VISITOR AT SCHOOL. THANKS TO LIV AND HER MUM FOR BRINGING IN THEIR BUNDLE OF JOY.

### 1. Building Update

Building works continues to happen at school and it is really exciting to see the developments which are starting to take place. Our cladding work has begun and we are having a combination of normal and compressed sheets around many of the existing buildings at school. Last week, our servery window was put in and we are hoping that the kitchen will be completed and ready for use over the next few weeks.

On Friday, the Principal and some staff from Tawonga Primary School visited Tally to see how we have put together our new facilities which include buildings and furniture. They were extremely impressed by our school and were very excited about the prospect of going through a school redevelopment after seeing the evidence of the end result. This was great feedback for us also.

### 2. Kitchen Opening

We are hoping to have our Kitchen fully operational in time for the last Munch N Crunch for Term 3. The date for this is Thursday 1<sup>st</sup> September and this will be our official opening for this new facility. We are planning to do an audit of kitchen supplies which we currently have and would need for the future and are hoping that families may be able to donate some equipment when the new kitchen facility is open. Stay tuned for more details!!

### 3. Parents & Friends Fundraiser – Chocolate Drive

Chocolate boxes went home to every family in the school last week. If any family member would like to take home another box to sell, these can be collected at the office. Parental approval, either verbal or written must be received before this occurs. All chocolate boxes with money collected needs to be returned to school by Friday 19<sup>th</sup> August. Each box sold will be \$48.

### 4. Interschool Sport

Congratulations to all of the students who participated in the Netball and Football last Friday. I was able to make a brief appearance at both venues in Shepparton and Mooroopna and it was great to hear that the students were well behaved and had an enjoyable day. It is always a pleasure to see the children from our school

### 5. Water Programs

Goulburn Valley Water will be visiting our school this Thursday 4<sup>th</sup> August. The Juniors (P-2) will have a session on the water cycle. Seniors (3-6) will discuss stormwater. Both of these sessions will be held at 2pm by different instructors. They run for approx 30-45mins (depending on how many questions the kids ask!)

## 6. Oliver Performance

Next Wednesday 10<sup>th</sup> August, our whole school will be attending Wanganui Secondary College performance of Oliver. This is held at the Westside Performing Arts Centre in Mooroopna and we will leave school at 10.15am and arrive back at school by about 2pm. Permission forms will go home this week and they must be returned by next Tuesday. Students will need to bring a cut lunch and drink to take with them as lunch will be eaten during interval at the Performance. THERE WILL BE NO PIE WARMER AVAILABLE ON THIS DAY.

### **Synopsis**

The curtain opens on the sinister interior of the workhouse with a bare dining table. Pale-faced wretches can be seen peering through the bars of the door at the back. The door opens and the boys file in to the table singing "Food, Glorious Food". Widow Corney, who runs the workhouse, and Mr Bumble, the parish beadle, enter to serve gruel to the boys. Alone amongst them Oliver takes the bowl to Bumble and asks, "Please, Sir, I want some more." Bumble is outraged. Oliver must go and so he hawks Oliver through the streets of London singing "Boy For Sale." Oliver is sold to Mr Sowerberry, the undertaker. Alone, plaintive and surrounded by coffins, Oliver sings, "Where Is Love?"

He runs away and meets the Artful Dodger who sings "Consider Yourself At Home". Oliver is taken to a hideout to meet Fagin and the apprentice thieves - they welcome Oliver with "You've Got To Pick a Pocket Or Two". Nancy, Bill Sykes girl, and Bet arrive and sing "It's A Fine Life". Next morning Oliver goes with the boys and is arrested by the police, not for picking pockets but simply for looking guilty.

In Act 2 Nancy sings "Oom-pah-pah". Fagin's boys tell of Oliver's arrest by the police but that, as he has been found to be innocent, he is now safe in the house of a kindly, rich gentleman. Fagin and Sykes despatch Nancy to get Oliver back. Meanwhile, Oliver has become a well-cared for little lad. Seeing London street-traders from his bedroom window he sings "Who Will Buy?", a plea that his good fortune will become permanent. However, outside the house he is captured by Nancy and she returns him to Fagin. Fagin sings "Reviewing the Situation" and thinks of going straight.

Bumble and Mrs Corney, now married, discover that Oliver is the heir to a rich family and try to get him back. A regretful Nancy plans to return Oliver to his benefactor. She is fearful of Sykes yet sings, "As Long As He Needs Me". Sykes stalks and kills her, grabs Oliver and, after a chase, is shot dead. Oliver is restored to his benefactor who, as it turns out, is his own grandfather. Fagin, now minus the boys, home and money, reprises "Reviewing the Situation".

# We Saw a Baby Emu.

On Thursday

28<sup>th</sup> July, Kirsty brought a baby emu into our room. She told us heaps about emus. We got to pat it. It felt like hair, not feathers.

We found out that emus:-

- Can't fly
- They run fast, up to 48 kph.
- Mum lays the eggs and dad looks after them until they are 18 months old.
- They grow to 2 meters high and have big feet.
- They are omnivores. They eat seeds, insects, plants & fruit.
- Baby emus are striped so they are camouflaged in the wild.
- Emus have been around for a long time.
