Term 3 #22 - July 24th 2023

>> NOTES / PAYMENTS DUE <<

Please finalise any outstanding payments

1. Canberra Camp – This camp is planned for Grade 5/6 students in Term 4 from Monday 23rd October to Thursday 26th October. Information was sent home last week and is also available via Skool Loop – this needs to be returned no later than Friday 8th September which gives families plenty of time to make specific medical appointments if needed.

The cost for this camp has been set - \$400. A huge thank you to the school community for the fundraising that has occurred for this opportunity and we look forward to doing the same in 2 years time for more students. Families are encouraged to make regular payments to ensure that their fee is fully paid prior to the start of the camp.

2. Basketball Backboards – A huge thank you to Ian McPherson and Barry Hoffman who helped install the new basketball backboards yesterday. Your support is greatly appreciated and I am sure all of the students will enjoy this new edition to our playgrounds.

3. Birthdays - Food – Just a reminder to families about contacting class teachers when bringing in food for birthdays (ie: cakes, cupcakes). This allows us to cater for any dietary requirements. A list of food and Ingredients would be appreciated. A couple of these may have slipped through.

4. Life Ed Van – This is scheduled for Friday 4th August with virtual sessions being held at school. A summary of the programs is again in this edition of the newsletter. Permission forms have been sent home – could these be returned ASAP please. If you would prefer for your child to not participate please contact the office. The cost for this program is \$6 per student.

5. Munch N Crunch – This is scheduled for Monday 31st July and will involve a hot dog and a drink. Orders are due on Tuesday 25th July – please be prompt so that food can be ordered on this day.

6. End of Year Excursion – This will be discussed at the next Parents' Club Meeting on Monday 21st August after school – we encourage as many parents to attend as possible so that a general consensus can be decided on. This may be a local excursion at Shepparton or a trip (ie: Melbourne Zoo).

7. Circus Quirkus Tickets – Each student in the school received 2 tickets last week (general admission or adult) for this event on Saturday 29th July at the Shepparton Sports Stadium at 11am. If not using these tickets feel free to return these to school – someone else might be after some more tickets.

8. Foundation Enrolments – We currently have 10 enrolments for new Foundations for 2024. This is fantastic and will greatly assist with planning. If any enrolment forms are still outstanding please return them ASAP. We anticipate that we will be having an extensive Transition program again in Term 4 which will involve possibly 5 school days – these dates will be released soon.

9. Grade 1/2 Activity Night – This is scheduled for Friday 18th August. This will involve some fun activities after school, followed by a pizza tea and then a sleepover for Grade 2 students. Specific forms have been sent home with Grade 1 and 2 students and these need to be returned by Monday 7th August (i.e. Medical Form for Grade 2 students staying the night at school, participation slip – for all students). See Skool Loop for further information.

10. End of Year Events – We anticipate that the following events will be held in the second half of the year. It might be a good idea to pencil these into calendars for the time being.

Production – Tuesday September 12th
Christmas Concert – Wednesday 13th December
Graduation Night- Monday 18th December

David Brodie (Principal)

Our general school rule is to "consider the feelings of others at all times".

Food scraps & food wrappers will go home in student lunch boxes to assist with hygiene in the school

11 Bus Travellers – 2024 – We are starting to think about bus travellers for the new year. Below is a list of students who we think will utilise the bus in 2024. If you are thinking of not using the bus or are not on this list - contact the office ASAP.

Bus Run 1: Abbie, Nathan, Bailey, Penny & Brittany 5 students)

Bus Run 2: Skylah, Seth, Ayla, Georgia, Savannah, Eliza H, Mason, Nate P, Lincoln P, Opal, Amelia, Henry, Will & Vera H, Jaxon & Mason H
(16 students)

12. Maths Night – We have a night planned for Tuesday 1st August with some fun activities and prizes available. One of our goals from our recent Strategic Plan was to continue to re-engage our families to our school and we hope that this night will be well attended.

13. Head Lice Checks – As we are having ongoing issues with head lice at school, we will be conducting whole school head lice checks (involving physical contact with the students' hair) over the next few weeks. Permission for this was obtained at the time of your child's enrolment. If you prefer for your child to not participate let us know please and we will do visual checks only.

DET policy states that there is no requirement for schools to undertake head lice inspection programs. However, if schools wish to do so, they can conduct checks via visual checks only without physical contact without requiring parent or carer consent. Head lice inspections involving the physical examination of a student's hair require written parental consent usually obtained at enrolment.

14. Curriculum Days – Curriculum days (student-free days) are scheduled on the following days:
Term 3: Tues 25th July: First Aid/CPR staff training
Term 4: Mon 6th Nov: Report Writing

15. Produce Fundraiser – Boxes will be delivered and available for pick up from school on Wednesday the 26th of July.

STUDENT LEADERSHIP / JSC DATES

1. Footy Colours Day – Fri. 15th Sept
2. Dress Up Day (Teacher's Day) – Fri. 20th Oct.

16. School Council – School Council is next Monday. Specific information will be sent before the end of the week.

17. Bike Education – This will be held for Grade 3, 4, 5 and 6 students on the following days – August 21st, 22nd, 28th and 29th. Information went home last week which included permission forms and bike checklists. We anticipate that the Grade 6 students will be involved in a bike ride to conclude this program. Mrs Montgomery has kindly offered to implement this program again.

18. Learning Conferences – These will take place in term 3 to discuss progress at school. Similar to Semester 1, there will be 2 days available: Tuesday 8th and Monday 14th August from 4pm to 6.30pm. Bookings online will open on Monday 31st July.

19. 101 Days of Schooling - In F/1/2, we have been keeping track of the number of days we have been at school in anticipation for celebrating our 101st day of school. But you might be thinking, why are we celebrating 101 days instead of 100 days? We thought we would change things up this year, to suit the theme of 101 Dalmatians.

On the 28th of July, Miss M's F/1/2 students are encouraged to come dressed up as a dalmatian or come in black and white colours to match the theme. The day provides a great way to celebrate a huge achievement of completing 101 days of school, as well as study mathematical concepts using the number 101!

20. Milo & Snags – Orders have now closed because we have organised food and drinks needed. This involves the remaining Fridays – 28th July, 4th, 11th, and 18th of August.

ANY DONATIONS WOULD BE APPRECIATED (IE: BREAD, MILK, MILO AND SAUCE ONLY...ETC) – contact the school to discuss please.

21. Parent Payment Arrangements – These are set at \$140 per student to cover stationery, online subscriptions and MACC & MARC costs. A reminder invitation for families to make a contribution has been sent out. [Further information is found here.](#) When making payment to the school bank account for multiple items, please make one direct deposit for the total amount with your family name listed and email the school a message detailing the breakdown of the payment.

Student of the Week

<p>Grade F/1/2 Miss M's Blossoming F/1/2's</p> 		<p>Nate</p> <p>Nate has been working very hard to improve his writing skills these past few weeks. He is more focused and determined to complete work tasks in the set time allocated.</p> <p>He has worked hard to up-level sentences by adding when and where, making his sentences more interesting. He should be proud of his achievements during Writing sessions!</p>
<p>Grade 2/3/4 Miss P's Tremendous 2/3/4s</p> 		<p>Oscar</p> <p>Oscar has made a fantastic start to Semester 2! He continually displays a good understanding of the classroom expectations and routines and is always extremely helpful. It has been great to see Oscar putting in a lot of effort with his work across all curriculum areas and striving to do his best. I'm extremely proud of the progress and effort that has been shown! Keep up the great work, Oz!</p>
<p>Grade 4/5/6 Miss L's Effervescent Experts</p> 		<p>Bailey</p> <p>I have been very pleased by Bailey's enthusiasm towards our class novel, his Book Club and various Maths activities so far this term. Bailey has been a good participant in class discussions and has shown improved focus during learning time. Keep up the great effort, Bailey!</p>
<p>GEM AWARD – Gratitude, Empathy, Mindfulness</p>		<p>Bailey</p> <p>For being a kind, considerate friend to your new classmate. Well done, Bailey.</p>
<p>SPORT AWARDS</p>	 	<p>Jordan</p> <p>For his positive approach to all the new skills he has been asked to have a go at. Well done, Jordan.</p> <p>Diesel</p> <p>For his super effort at his stamina skipping, he was concentrating so much and dedicated to the task. A super effort.</p>

Life Education Virtual Sessions

F12: 9.30 -10.30am

In this module students consider the importance of relationships and gain skills to seek help in a variety of situations. They have opportunities to practice strategies to manage their feelings and emotions. Learning includes:

- How to build friendships and care for others
- Identifying and managing feelings and emotions
- Recognising body signs that tell us when we could be unsafe
- Safe people and places to seek help

234: 11am-12

This fun interactive lesson is set in a kid's TV news program. A team of young scientists shrink Harold and place him in a tiny capsule so he can travel inside the body and report back on what he sees.

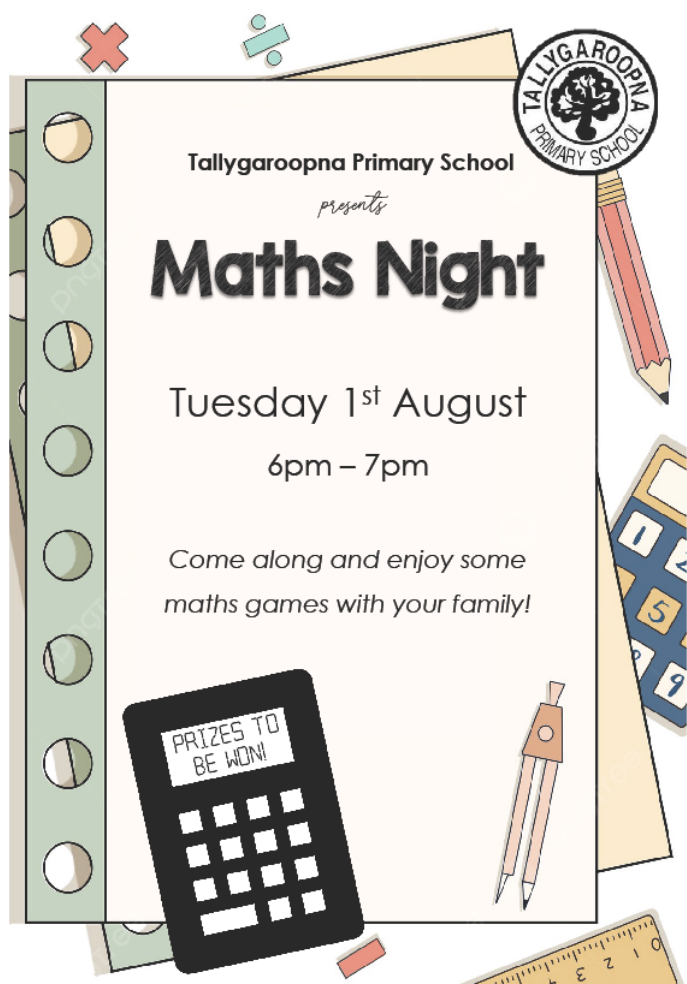

- The benefits of healthy food for health and energy
- Function of the body systems: digestive, respiratory, circulatory and others
- Factors that impact on health, such as nutrition, exercise and medical care

456: 12-1pm

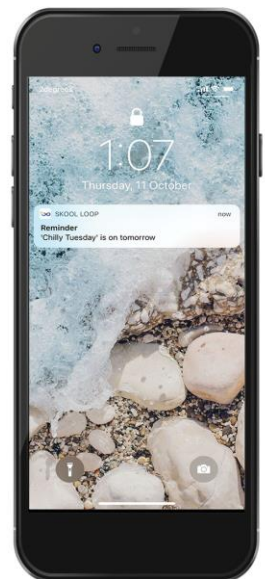

In this module, students investigate nicotine delivery products (cigarettes, e-cigarettes, smoking) and their health and social impacts. Through critically analysing the history and laws around tobacco & nicotine products, students understand that social norms change in line with health research.

- Learning Includes:
- What's in a cigarette or vape?
 - Effects of smoking and vaping
 - History and law, mystery and facts
 - Strategies to reduce harm from second hand smoking

Here's some tips to ensure you receive notices and push notifications

- When you download the Skool Loop App you will be asked if you would like notifications please **tap yes**. Some devices don't ask this question and automatically tick yes for you. This can be changed in your settings
- If your notifications are turned off in your device settings, some phones apply that to all apps when downloading. In the phone settings please make sure your notifications are turned on
- Check your App Store or Google Play regularly for any outstanding updates
- There are 2 different notices school will send out: **push notification** (banner and ding) or a **notice** (visual alert only)
- You will only receive a push notification if you are not using the app at the time
- If your volume is off you will not hear an alert
- You will see a visual alert if a **notice** has been posted. You will not hear a ding
- You will only hear a ding if the school sends a **push notification**.

COULD ANY BUS OR OSH CARE FEES BE PAID FOR NOW PLEASE. THESE ARE NOT VOLUNTARY FEES. SO YOUR ATTENTION ADDRESSING THIS IMMEDIATELY WOULD BE APPRECIATED.
