SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone,

Last week was a busy one with many activities taking place in and out of the school grounds. The Tree Planting Day last Monday was extremely successful and the front corner of the school now looks terrific with many new trees being planted in this area. Many thanks to everyone who assisted on this day – your support was really appreciated and the day seemed to run smoothly. As they say “many hands make light work”.

Our Senior and Middle School students also got an opportunity to participate in a Science Cluster Day at Congupna PS last Thursday and this was a wonderful opportunity to work closely with real Scientists from the CSIRO. We took some plants away from this day which we hope to see develop over the next couple of months.

Over the weekend as well, the Parents Club organised a well-attended School Trivia Night down at the Recreation Reserve. This was a fun and enjoyable night and I would personally like to thank all of our families for the generosity that they showed with the vast amount of donations for prizes, hampers and raffles. Special thanks to Nev and Bev Montgomery for being our hosts for the night and for the time and effort that they put into the running of the night. Thanks everyone.

We have really started to pick up things with the School Production and practice is taking place about 3 times a week currently. In this edition of the newsletter, there is a props list attached again and if any families have any of these items for use could you let us know at school ASAP. If possible, let us know within the next 2 weeks so that we can start to gather things that we haven't got. If you can assist with this it would be greatly appreciated.

Finally, we are still hoping to get some more Parent Opinion Surveys back. Please drop these into the school Office before the end of this week. This feedback will help us continue to make Tally PS a great school to be at. We look forward to getting this data back and sharing it with the School Community in a few months' time.

Karen will be at school until Thursday this week to attend to any matters needed. I look forward to catching up with some parents at School Council on Wednesday night. Don't hesitate to contact me in regard to anything – my door is always open!

David Brodie (Teaching Principal)

Monday 14 th September – Week 10	Tuesday 15 th September – Week 10

2. Camp Information / Payments

The camps for students in Grades 3-6 are fast approaching and it is time for payments to be made for these extra curricula activities. These payments can be made in instalments or lump sums – contact Mrs Armstrong about this if you would like to set this up. The costs and dates for the camps for Term 3 are summarised below.

Woorabinda Camp (3x Grade 4/5 students) – Monday 17th August to Friday 21st August (Cost = \$185)

Doxa Camp (12x Grade 5/6 students) – Monday 24th August to Friday 28th August (Cost = \$210)

15 Mile Creek Camp (Grade 3/4 students – TBC) – Tuesday 1st September to Friday 4th September (Cost = \$200)

3. School Car Park / Supervision

A formal Car Parking policy was endorsed at School Council late last year. This policy is attached to this edition of the school newsletter. The parking of cars and other vehicles in and around the school grounds is a daily necessity, but also raises a number of safety and traffic issues that must be well managed. Therefore, at the end of the day, children are only to enter the Car Park once they have been collected by their parents. Children will assemble in the Senior Playground area and be monitored by staff.

The aim of the Car Parking Policy is:

* To ensure that car and vehicle parking in and around the school grounds is orderly, safe and in accordance with the law.

At present, the school provides informal staff supervision for students arriving before school between 8.30- 9:00am. The school also provides informal staff supervision for students after school between 3:25-3:40pm in the Senior Playground area. The Education Department stipulates that Supervision is provided for a minimum of 10 minutes before and after school. Students remaining in the school yard awaiting collection after 3:25pm will be directed to the office / project room waiting area.

4. Enrolments

We have had a fantastic response to Enrolments for new Foundation Students for 2016. At present, we have 8 Enrolment Forms handed in and we are awaiting a couple more as well. A reminder to families to get these in ASAP, so that we can begin the formal process of staffing for next year. Your assistance in regard to this would be greatly appreciated.

5. End of Year Excursion

After consulting with families in regard to this annual event, the majority of families indicated that they would like to go to the Whittlesea Fun Fields for the end of year excursion. This venue has been booked for Thursday 3rd December and more details will be available early next term.

6. Volunteer

We are very fortunate to gain the services of a School Volunteer who will begin working with our children this week. Her name is Kate Hawkey and she will begin volunteer work at Tallygaroopna PS beginning on Monday 3rd August. Kate will primarily assist teachers on Monday's and Tuesday's and her support will be greatly appreciated. Kate has submitted a Working With Children's Check and she is currently studying a Bachelor of Education.

7. School Council

The next School Council will be held on Wednesday night beginning at 7.30pm. The Finance Committee will meet before this meeting at 6.45pm. All School Councillors should receive a formal meeting booklet tonight.

8. Kids Helpline Session

Today, all of the students from the school watched a Kids Helpline Polycam session on Worry. This program was very relevant and reinforces that fact that constant worrying takes a heavy toll. It keeps you up at night and makes you tense and edgy during the day. You hate feeling like a nervous wreck. So why is it so difficult to stop worrying? For most chronic worriers, the anxious thoughts are fueled by the beliefs—both negative and positive—they hold about worrying.

On the negative side, you may believe that your constant worrying is harmful, that it's going to drive you crazy or affect your physical health. Or you may worry that you're going to lose all control over your worrying—that it will take over and never stop.

On the positive side, you may believe that your worrying helps you avoid bad things, prevents problems, prepares you for the worst, or leads to solutions.

Negative beliefs, or worrying about worrying, add to your anxiety and keep worry going. But positive beliefs about worrying can be just as damaging. It's tough to break the worry habit if you believe that your worrying protects you. In order to stop worry and anxiety for good, you must give up your belief that worrying serves a positive purpose. Once you realize that worrying is the problem, not the solution, you can regain control of your worried mind.

9. Earn and Learn Program

Our school is again participating in this program to hopefully raise some money for student equipment. If anyone from our school community – staff, parents, friends...etc shops at Woolworths in Shepparton, they can collect stickers to place on their sticker cards (these were included with the newsletter before the school holidays). Shoppers will get one sticker for every \$10 spent. Once they complete their sticker cards they can place them in a collection box, at either our school or our local Woolies. We will have a box at school at the office for collections as well as one at Woolworths in Shepparton – located at 292-294 High St (opposite the Showgrounds). Thanks for your support.

13. Outside School Hours Care

OSH Care (Outside School Hours Care) continues this Wednesday, Thursday and Friday in the Multi-Purpose Room. Each session begins at 3.25pm and concludes at 6pm. Specific information is available at the website below and prices are summarised below as well:

Website - <http://www.tally-ps-3067.vic.edu.au/page/176/Outside-School-Hours-Care>

School Car Parking Policy – Tallygaroopna PS

Rationale:

- The parking of cars and other vehicles in and around the school grounds is a daily necessity, but also raises a number of safety and traffic issues that must be well managed.

Aims:

- To ensure that car and vehicle parking in and around the school grounds is orderly, safe and in accordance with the law.

Implementation:

- The parking of any vehicle inside the school grounds is at the discretion of the principal.
- The staff car park is for use by staff members only, and may be clearly signposted as such.
- Parents or visitors who park in the staff car park will be reminded of the need to park elsewhere. Habitual offenders will be referred to the local municipal council for prosecution or provided with an official Trespass warning from the principal.
- In return, the visitor's car park and on-street parking will not be used by staff.
- School Council will work with the municipal council to ensure all on-street parking is clearly signposted and School Council will seek cooperation from the local municipal council in ensuring that on-street parking has appropriate time zones applied.
- School Council will encourage frequent visitations from local parking enforcement officers to ensure compliance with parking regulations.
- Staff members will not approach members of the community who are parking inappropriately outside the school grounds.
- No person other than a staff member is to drive a vehicle onto the school grounds without prior approval from the school principal or his / her delegate.
- All school gates may be securely locked out of school hours, with keys sparingly distributed to appropriate people.
- Sufficient disabled car parking will be available and monitored.
- The school may provide a staggered finish to the school day to encourage parents to collect students and leave the car park, making room for the parents of the next group of students to park their cars.
- Parents may drop off children at the walking path in the car park every morning.
- At the end of the day, children are only to enter the Car Park once they have been collected by their parents. Children will assemble in the Senior Playground area and be monitored by staff.
- The school will implement a Walk Safely to School Program each year to encourage children to walk safely to school.
- A Bike Ed program will be implemented to encourage safe bike riding the school.
- Proper and safe parking practices will be regular features of the school newsletter.
- Damage to vehicles parked on school grounds is generally not covered by the Department of Education insurance.

Evaluation:

This policy will be reviewed as part of the school's three-year review cycle and feedback will be sought from the School Community

This policy was endorsed by School Council on Wed 27th August 2014.
