SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone.

We have had an extremely busy start to Semester 2 so far. I would like to thank the whole school community for getting behind the school leaders initiative so far. This has begun smoothly and the majority of the students in the school are enjoying this morning treat with milo and a snag which is encouraging. We have decided to make 1 slight adjustment to this in line with our eating processes at school. The treats will now be served after recess at 11.40am because some students are using this as their lunch for the day. Some students have not been having their milo or eating all of their snag and bread because as always, they want to play! We think this alteration will be more effective for everyone.

Thanks to the families who have returned enrolment forms so far. This will assist with planning for the 2020 school year. We have already started discussions regarding classes and staffing, but this takes time depending on enrolments. Announcements won't be made until late in the year, but families will have an opportunity to discuss any composite grade placements. At present, we are anticipating that the Grade 1 children may be split (F/1, 1/2), but obviously this could change.

This Friday night is our School Disco at the Town Hall. We are in need for help with setup so if you can assist please contact the office. The Disco will begin at 6pm and conclude at 8.30pm. Current Tallygaropna PS students and siblings are welcome to attend. All students/siblings attending the Disco will need to make a \$2 payment to enter the room and all children will be inside during the night (no one will be allowed to run around outside). Parents are expected to supervise their children on the night.

In this edition of the newsletter, there is information in regard to the Parent Opinion Survey, the Attitude to Schools Survey, the Grade 3/4 Camp to 15 Mile Creek, Bus Travellers for 2020 and OSH Care. The latter is of utmost importance, because we will make a decision ASAP in regard to days available after school from 3.25pm-6pm. **There is a real possibility that days could be reduced because of financial constraints. Please support OSH Care if possible (PAPER SURVEY / SURVEY MONKEY) - it is a fun program and children really enjoy these extra-curricula activities with students from other grades at school - forms have been sent home but more can be collected from the office.** Please read all of these items carefully, and as always don't hesitate to contact the school if any clarification is needed.

The township of Tallygaropna is entering a Keep Australia Beautiful Tidy Town Competition and our school will have a visit in regard to this on Friday 9th August. We plan to do some work on our school grounds prior to judging - a working bee will be held at school this Thursday afternoon from midday to 3pm, so if you can assist in any way please contact the school. Many hands make light work!

Finally, work with the Production is picking up speed and our PA equipment is currently set up in the Project Space. Please be conscious of this area - we have done our best to make it safe and secure for everyone.

I look forward to catching up with parents throughout the week and at School Council on Wednesday night. Karen will be at the office to attend to any matters if needed.

STUDENT LED CONFERENCE BOOKING WILL BE AVAILABLE IN THE NEXT FULL EDITION OF THE NEWSLETTER. THIS DAY IS SCHEDULED FOR TUESDAY 10TH SEPTEMBER.

The Child Safe Standards are compulsory minimum standards for all Victorian early childhood services and schools, to ensure they are well prepared to protect children from abuse and neglect. The standards provide a framework for schools to review existing policies and practices and all other aspects of child safety, to ensure a 'zero tolerance' approach to any form of child abuse. You can access our policy on the school's website.

Save your lids!

Hi Tallygaroopna Primary School parents, friends and community,

We are looking to create a recycled plastic lid art work soon, and we are asking that you save your plastic lids for this project. Lids that are suitable are pretty much any plastic lids, in the following photo you can see plastic lids from coffee, shower gel, hot chocolate, yogurt, milk, juice, mouthwash, marinated octopus, mayonnaise, water, sauce and carpet spray. It doesn't have to be just drink lids. Recycle ALL your plastic ♻️.

Please start saving as you can imagine we will need a lot of lids!

School Disco Night – Fluro Night **Venue – Tallygaroopna Hall**

Our Grade 5/6 students / JSC have started to plan the School Disco which is scheduled to be held on Friday 2nd August at the Tallygaroopna Hall. If any parents can assist with organisation, could you please see David ASAP – decorations and set up of the hall may begin on the Thursday and Friday morning prior to this night.

The Disco will begin at 6pm and conclude at 8.30pm. Current Tallygaroopna PS students and siblings are welcome to attend. All students/siblings attending the Disco will need to make a \$2 payment to enter the room and all children will be inside during the night (no one will be allowed to run around outside). Parents are expected to supervise their children on the night.

If alternative arrangements are made in regard to supervision could you contact the school please. Hot food will not be available this year but snacks will be available for sale and prizes will be awarded as well – drinks will be free. It should be a fun night with the theme on the night being “Fluro”.

Greater Shepparton College (interim name) LEADERSHIP TEAM

Dear students, parents and school staff,

We are pleased to introduce the leadership team for the Greater Shepparton College (interim name). Our team of principals will be integral to the development of the new school to ensure a smooth transition for all as we head into 2020.

The team will bring passion and leadership experience to their roles. They have strong local knowledge and are committed to providing high-quality educational outcomes for every young person in Greater Shepparton.

Led by Executive Principal Genevieve Simson, the team is:

- John Sciacca (Principal, McGuire Campus): Mr Sciacca has been principal of Nathalia Secondary College for nine years, with previous experience teaching in Greater Shepparton secondary schools. His focus is on improving student pathways through enhanced literacy and numeracy skills, and he has strong community engagement skills.
- Stephen Bolton (Principal, Moorooopna Campus): Mr Bolton is the current principal Moorooopna Secondary College. He will be heavily involved in implementing a specialist curriculum for Year 9 students next year, with a focus on inquiry-based and experiential learning, student resilience, sense of community, and career planning.
- Ken Murray (Principal, Wanganui Park Campus): Mr Murray is the current principal of Wanganui Park Secondary College. He will bring leadership skills and knowledge of the Greater Shepparton community to play a key role in the development of the new school's student health and wellbeing approach.
- Megan Michalaidis (Assistant Principal, Teaching and Learning): Ms Michalaidis is the current assistant principal at McGuire College. She will bring her expertise in curriculum and instructional design, and will work across the three campuses to lead and shape the new school's teaching and learning strategy.

Our team looks forward to working with you to ensure a smooth and successful transition process in which students and staff are well supported.

We are committed to providing you with regular updates via our website, school newsletters and information sessions.

Information Sessions

Parents/Carers and students currently in Years 9 and above are invited to an information session to meet the new team, and to learn about Year 11 and 12 pathways and subject selections.

Tuesday 30 July 2019, 7.00pm – 8.00pm: Wanganui Park Secondary College

Wednesday 31 July 2019, 7.00pm – 8.00pm: McGuire Secondary College

Physical Education Report Semester One

We started the year by looking at tennis and some tennis rounders. Tennis is a great non-contact sport although trying to hit a bouncing ball can be a little tricky. We used lots of our little pop up tennis nets and used bat tennis bats and tennis rackets.

After tennis, we turned our attention to Athletics training in preparation for the annual Athletics carnival held at McEwen Reserve. Unless you do Little Athletics, these skills can be very foreign to us and some practice is required. High Jump, Long Jump, Triple Jump, Shot Put, Vortex Throw, Hurdles, Sprints, 200m and Relays. I was very impressed and proud of how our school competed and conducted themselves, as it can be a very long and drawn out day. I saw many children trying their best, which was what I wanted to see. Some children were rewarded for their efforts with ribbons, but it was the effort and willingness to have a go that impressed me. We finished the day quite quickly as a nasty storm came through and our Captain Ball team unfortunately did not get a run, hopefully next year.

During Term 2, we looked at Netball, which coincided with our Senior Winter sports. Many of our children play netball and it was great to see these children assist with umpiring and coaching as we went along.

We finished the term with a look at Hockey, using some plastic lacrosse sticks for games and real hockey sticks for skills and drills. Some of our children have a real skill for this sport and I was impressed with everyone's ability to control the ball.

If we had a rain interrupted lesson, we used our Multipurpose Room to play Volleyball or newspaper hockey. It is very handy to have an indoor facility to use on these inclement days.

Throughout the first Semester, we have played some warm up games like Circle Ball, Chicken, Fill the Bucket, Donkey Tails, Tunnel Ball, Farmer Sam, Line Tiggy and many more. We have also played some minor games like Tennis Rounders, Boot Ball, Star Wars and Golden Child.

The F/1 and 2/3 class also participate in a Perceptual Motor Program (P.M.P) once a fortnight. This program focuses on Balance, Eye-Hand Co-Ordination, Body Awareness and some Cognitive elements. This is a non-competitive situation where the children are given an activity to practice one or more of the above skills. I always include a small skill related to our major game.

This Semester with a very kind donation from the Tallygaroopna Lions Club I have been able to purchase a number and alphabet kit which will double up as a learning tool for Physical Education sessions but also in Numeracy and Literacy in the classrooms. The Parents club also donated some of their funds to buy a mini tramp which I can use during P.M.P. Thank you to both of these groups for contributing to our sporting equipment.

- Charlotte was the lucky person who got to bounce on our new mini tramp first.
- Here is the collection of number and alphabet equipment that was purchased with a donation from the Tallygaroopna Lions Club.
- Beetle Bean Bags being used in a P.M.P session, throwing the bean bags into the bucket in number order, the 2/3's had to count by 2's.

1. Keep Australia Beautiful Judging

Our school will have some visitors on Friday 9th August. As a result, we would like to spend this Thursday from midday to 3pm tidying up the school grounds. If you can assist please contact the school.

2. Parent Opinion Survey

The Parent Opinion Survey was mailed to families a couple of weeks ago. We hope this has arrived safely - you can begin this survey from Monday 22nd July until Sunday 11th August. If you misplace or lose this envelope - contact the school and we will send another one home. Only 1 survey for each family please. We really value any feedback that we get from our families and use this to make changes to our school if needed to make it a better learning environment for everyone.

3. Jump Off Day / Casual Day

This will be held on Wednesday 14th August and will be a Casual Day (wear red) to support the Heart Foundation. A gold coin donation would be appreciated for any students out of uniform on this day - please try and wear red to make it a special day.

4. School Council

The next School Council Meeting will be held this Wednesday 31st July. As per usual, the Finance Committee will meet at 6.30pm followed by School Council beginning at 7.30pm

5. Mystery Readers / Community Helpers Theme

A reminder to families to support these activities in the F/1 classroom. Specific details have been put on Flexibuzz and were also in past full editions of the newsletter - contact Mrs Haberfield if you can assist please.

6. Foundation Shirts

It has been fantastic to see some enrolment forms come in over the last week. It would be appreciated if all new Foundation enrolment forms are handed into school by this Wednesday 31st July. We will be contacting families over the next few weeks to make formal T-shirt presentations to our new students, which will be handed out at assembly on Friday afternoons at 3pm. Stay tuned - phone calls will happen soon!.

7. School Bus Travellers - 2020

Below is the current list for next year, if this is incorrect can you contact the school immediately please - alterations will be ongoing depending on family needs. We are still working on arrangements for the bus service for 2020, but we anticipate having 2 runs again. All families will be updated via Flexibuzz on a regular basis.

Run 1 - 15 students

Beau Voss	Oscar Buckland	Gemma Thomas	Tait Buckland
Alira Bux	Ryder Thomas	Max Grinter	Jai Brown
Mitchel Joy	Zoey Kotoulas	Savannah Thomas	Mason Brown - F
Ayla Kemp	Ethan Kemp	Nate Prosser - F	

Run 2 - 11 students

Lilly Walker	Josh Collins	Lachie Mawson	James Mawson
Sienna Elliott	Lloyd Akers	Bailey Mawson	Toby Elliott
Olivia Akers - F	Bethany Grigg	Chelsea Zarb - F	

8. OSH - Availability Survey

Unfortunately, our numbers have dropped recently and it would be terrific to see some new permanent or casual placements in this service, which operates from 3.25pm to 6pm, 5 days a week. This service to our families involves a large financial commitment by School Council and we will be discussing the sustainability of this program at the end of the year. Our OSH Care service has been in operation since 2014 and as our school has grown we had hoped that enrolments in this service would continue to grow. We currently aim for 25 places filled each week. **A survey was distributed last week to the eldest child in each family (also on Flexibuzz) - it was due back to school last Friday 26th July.**

<https://www.surveymonkey.com/r/HSWQJKR>

9. Student Led Conference Day

This was approved at School Council last term and will be held late in Term 3 on Tuesday 10th September. This day is not counted as a student-free Curriculum Day as children will be at school only during their interview times discussing their progress and goals and targets. A new ILP will be presented on this day as well.

10. 15 Mile Creek Camp

We have had a wonderful response to this camp and all of our Grade 3/4 students have indicated that they will be going to this camp. Forms for this camp will go home this week – can these be returned ASAP please.

Forms to return

1. Parent Consent Form
2. Medical Information Form
3. Other depending on needs:
 - a. Asthma Update Form
 - b. Action Plan for Allergic Reactions
 - c. Action Plan for Anaphylaxis

11. School Leaders Project

We have had a wonderful response to the Snags and Milo orders that our School Captains and Vice Captains have organised to raise money for the Salvation Army. These will continue to be served at the first break at 11.40am (slight time change) and students will enjoy these in the undercover area. The remaining dates are:

Day 3 – Tuesday 30th July

Day 5 – Tuesday 13th August

Day 7 – Monday 2nd September

Day 9 – Monday 9th September

Day 4 – Tuesday 6th August

Day 6 – Tuesday 20th August

Day 8 – Tuesday 3rd September

Day 10 – Tuesday 17th September

Any students who were away on any of these days will have their order carried over to the following week.

12. Classes for 2020

We are currently discussing the formation of classes for 2020. At present, we are anticipating a reasonable sized group of new Foundation students so composite grades may be: F/1, 1/2, 3/4 and 5/6. These grades will allow consistent and low student numbers in each class. It is essential that enrolment forms are in ASAP so that appropriate planning can be put in place in regard to the 2020 school year. There may be some changes in relation to teachers with grades next year, but this will not be confirmed until late in the year.

13. Children's Crossing / Speed Limit / Parking on the Road

We are looking into approaching the local council in regard to concerns regarding traffic along Victoria Street. The law states the following: "Children's crossings are only in operation when flags are displayed. When flags are displayed, drivers must not proceed through the crossing if children or adults are still on the crossing or about to start crossing. This is the law regardless of the presence of a crossing supervisor. When children's crossings flags are not displayed, pedestrians should give way to passing road traffic. Drivers should always use caution when approaching children's crossings when children are present. Not every child will know or remember the different rules."

I have informed the local police of some concerns in regard to speeding and parking outside the school. Please adhere to any signage displayed at the front of the school and when school crossing flags are displayed, drivers must not proceed through the crossing if children or adults are still on the crossing or about to start crossing. This is the law regardless of the presence of a crossing supervisor. I am expecting to see a police presence over the next few weeks.

14. Communicating with Staff

Please feel free to discuss any issues with myself or specific class teachers. At Tallygaroopna PS, we are accessible to parents and we value the importance of positive and constructive communication with all of our families. Please contact the school to make an appointment if needed – so that issues can be addressed at an appropriate time which does not affect normal planning and learning time.

15. Colder Months - Tissues

We would be very appreciative if each family could please supply a box of tissues for the school in anticipation of colder weather (and possibly running noses and coughs!). We remind families to please encourage their children to dress appropriately for the weather.

16. Car Park Safety – reminder

Over the last few weeks, we have had too many children walking through the car park at the end of the day. This is becoming a concern in line with our School Car Parking policy. Could the following points from this policy be reinforced with members of our school community please.

- Parents may drop off children at the walking path in the car park every morning.
- At the end of the day, children are only to enter the car park once they have been collected by their parents. Children will assemble in the senior playground area and be monitored by staff.

PLEASE ALSO BE CONSCIOUS OF THE BUS ARRIVING AT SCHOOL TO ASSIST WITH CONGESTION AT THE BEGINNING AND END OF THE DAY.

17. Assembly Announcements

Any student announcements at assembly for sport / achievements need to be written down and approved by staff in preparation for assembly on a Friday. This will assist with trying to fit in assembly in such a short time frame at the end of the week. There will be a plastic pocket stapled to the divided wall for any items - just make sure these are checked by staff please.

18. Production

The 5/6 students have been busy helping to make props for our Term 3 production, Rock Bottom. They have also been practising their lines regularly. Thank you to those who have been able to bring in props.

On Production night, 2-6s will be supplied with a coloured shirt and they are to wear their own black pants. F-1s will need to come dressed in all black.

19. School Uniform - reminder

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. A reminder to all families to reinforce this please. From May until the end of August, school beanies and scarves are permitted to be worn outside – these can be purchased from school in line with our uniform policy as well – we would appreciate green or red beanies and scarves only.

CAN APPROPRIATE UNIFORMS BE REINFORCED PLEASE – BLACK SHORTS OR PANTS.

20. Community Plan Meeting

The following dates have been set for the Community Plan Committee – all are welcome. This traditionally takes place on the 1st Monday of every month – meeting at 7pm at the Town Hall or CFA Shed. The Greater Shepparton Council are aiming to have the new Tallygaroopna Community Plan endorsed in June. See website below for further details.

<http://greatershepparton.com.au/community/neighbourhoods/community-plans/tallygaroopna-community-plan>

Meeting Dates:

Monday 5th August

Monday 2nd September

Monday 7th October

Monday 4th November

Monday 2nd December

21. Absence Notes

Absence notes are a legal requirement for all absences. Please use the school absence note or submit an absence on Flexibuzz. Both of these are the preferred methods because they are completed immediately. If either of these are not convenient - please ring the school. Formal notes are needed for audit records and your support would be appreciated. We would prefer no text messages.

22. School Fees now due

School fees are now due. All school fee information was summarised in our Parent Payment Charges letter which went home at the beginning of the year. Feel free to contact the office if any clarification is needed.

23. Parents' Club Initiative

The Parents' Club would like to support the Colgate Community Challenge and promote the collection of oral waste products which will be sent off at no cost to the school. This initiative fits very well into our Resource Smart program – specific information is provided on the link below. **Please send in any waste toothbrushes, toothpaste tubes, etc to school. The collection box is near the door of the BER Project space.**
