SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone,

Last week we had a couple of fun programs at school. We finally were able to hold our Tree Planting Day and many trees were planted around the boundary of the oval and in the front corner of the school. This will continue to beautify our school and we look forward to seeing these plants bloom in a few Spring seasons. Our students were also able to participate in our Olympics Day last Friday and there was plenty of colour on display at this event. A big thank you to the parents who were able to come along and assist with activities – your support is greatly appreciated.

Today at assembly, we discussed our Big Write Program and how all students will be working on their capabilities in regard to this program between now and the end of the year. All students will start on a White Belt (Level 1) and progress through a variety of colours until they may reach their Black Belt (Level 5) at the end of Grade 6. We look forward to this being a fun part of our writing program over the next few weeks. Feel free to contact class teachers if you need this clarified.

In this edition of the newsletter, there is some more information in regard to the Bus for 2017. Please read this information carefully as we continue to seek feedback from our families in regard to this. So far, the response has been positive and I will aim to hold a Bus Meeting on the first Monday back next term – October 3rd. Please put this date in your calendar – it will be mandated for all Bus Families to attend this night.

Finally, we have decided to hold a matinee performance along with our regular night for our School Production. Therefore, the children will have more time in front of an intended audience and this will hold them in good stead going forward. Other small schools have been invited to the matinee show but anyone who cannot make the night performance are more than welcome to attend. The Matinee will be held on Tuesday 13th September with the Night Performance on Wednesday 14th September.

Karen will be at school all week until Thursday as usual to attend to any matters that arise. I look forward to catching up with some parents at the Breakfast Club throughout the week and at the meeting tonight in regard to 125 Years of Education in the Tallygaroopna area.

David Brodie (Principal)

1. Bus Families for 2017

I am currently in the process of organizing the new bus route for the start of 2017. This takes some time to organize and we will need to call for a meeting (Monday 3rd October) similar to last year to set up a roster if needed to cater for all families. Currently, I have the following students hoping to use the bus for the beginning of 2017.

Dan Klein	Jade Klein	Eloise Walker	Lilly Walker
Liv Burgess	Daniel Collins	Leah Collins	Zoe Collins
Josh Collins	Lachie Mawson	Ryan Voss	Beau Voss
Jake Buckland	Oscar Buckland	James Mawson	Sienna Elliott
Lynn Rutten	Gemma Thomas	Tait Buckland	Lloyd Akers
Imogen Castles	Lara Tielan – F	Fenn Burgess – F	Alira Bux – F
Ryder Thomas – F	Jodi Rutten - F		

Unfortunately, we only have a 21 seater and spots are very limited and I am trying my best to accommodate many families who are not eligible to use the bus service (inside 4.8km going to your closest school). If any of this information is incorrect or you are happy to not use the bus for 2017, could you contact me ASAP so that the bus run can be finalised and organised without any problems. Mr Brodie

2. Potential New Bus Run for 2017

At School Council a couple of weeks ago, we discussed the possibility of completing 2 runs for our bus for next year to accommodate more families wishing to use the bus. This was approved although we are still seeking family feedback in regard to this to make sure that everyone is happy with this arrangement. This would enable us then to have a very easy bus meeting at the beginning of Term 4 – Monday 3rd October (FIRST DAY BACK IN TERM 4).

Currently, there are a number of families who use the bus who are eligible - being outside 4.8kms going to their closest school and they travel at no cost. Other families who are inside 4.8kms going to their closest school use the bus at no cost provided there is space. The current roster system enables this. We have a handful of families who choose to go to our school, although Tally PS is not their closest school. These families are fare payers - as per the Department Guidelines.

At present, we have a roster system where only 2 families don't use the bus every morning and afternoon. In 2017, this would increase to about 6 which would make it more difficult to organise.

A summary of the proposed school bus run and extension would be:

Morning Run: Stop 1 -8 & through to school arrive approx. 8.40am. Then from School to commence extension ie. Stop 9 (8.46am) - Stop 14 School (8.59am).

Afternoon Run: This would involve students on extension route to depart school at 3.15pm to 3.17pm in order for bus to return to school to commence main service at 3.33pm to arrive at Stop 8 at normal time of 3.42pm (normal time around 3.44, best to leave 2 minutes within times to keep pm times the same).

The Bus Map was provided on Tiqbiz for families to refer to if needed. The Department pays for Stops 1-8 (normal run) while School Council fund the extended run (Stops 9 to 14). As you could appreciate, the school already does a tremendous job accommodating families who live out of the township of Tallygaroopna so please consider this in your feedback.

There are pros and cons with this proposal:

In the morning - students on the extended route (Stop 9 to Stop 14) would pretty much arrive at school when the bell goes in the morning. However, nobody misses out on the bus - with no roster. In my opinion, eligible families should not be asked to rise in the morning to catch the bus any earlier. At present, the bus begins at just after 8am so this would not be ideal.

In the afternoon - students on the extended route (Stop 9 to Stop 14) would have to leave school earlier at 3.15pm. Students on the second run would have to wait after school for 8 minutes before the bus arrives back at school to be picked up. In my opinion, this would be ok because students generally stop their learning at 3.15pm anyway to pack up and clean up before the end of the day. Supervision outside would need to be enhanced to watch the students waiting for pick up at 3.33pm - again this shouldn't be a problem.

Zeerust PS would not be affected at all by this proposal.

3. Communication regarding the Bus

Over the last few years we have had a few minor issues where families have tried to contact me regarding the bus by texting me. At times though, I am in a formal meeting and the normal protocol during this involves having your phone on silent. As a result, I don't receive some messages on time. Apologies for this - but it is unavoidable.

Therefore, the best practice is to contact the school first by phone. Once the call is received (by a member of staff) alterations are made to the bus book. If families contact me by text or phone, I may not even be at school so I then have to contact the school and then alterations are made to the bus book. Obviously, this is an extra step and at times it is too late to make needed changes. Therefore, try the school first by phone and if that fails try me on 0411960164.

Just keep this in mind everyone as we continue to improve on our practices at Tallygaroopna PS. Everyone generally does a great job with this, but obviously the odd thing tends to slip through. If you get the answering machine at school try again or then ring or text me. David

4. Tiqbiz

Unfortunately if you are a Windows Mobile Device user, access to your current tiqbiz Windows app will not be supported. A shiny new Windows Mobile App will be available before the start of term 4. Instead, we ask that you please login to your tiqbiz account via a web browser.

To login to tiqbiz visit: <https://web.tiqbiz.com>

5. Health Behaviours Monitoring Study

Last Tuesday, some students in Grades 4 and 6 took home a device in relation to this. The activity monitor was handed out and will need to be returned to school tomorrow. As stated previously, the monitor should be taken off when sleeping and can also be taken off during sport games if needed.

6. Curriculum Day

A reminder to all families that our next Curriculum Day (Pupil Free Day) will be held on Friday 9th September. All staff will be in Melbourne on this day participating in professional learning in relation to our Social & Emotional Program – Bounce Back. All students will not be required at school on this day and there will be no OSH Care as well. Families will need to make alternative arrangements on this day.

7. Parent Opinion Surveys

A big thank you to the many families who returned these surveys. We had the majority of families respond to this survey and this feedback will allow us to continue to make our school a great learning environment for the children of Tallygaroopna into the future.

8. Father's Day Breakfast

At the Parents Club Meeting a couple of weeks ago, we decided to hold a Father's Day Breakfast for the wonderful Dad's, Grand Dad's or Uncles out there. The Breakfast will be held on Monday 5th September from 7am until 9am. Breakfast will involve - Bacon and Egg Rolls or Muffins & Coffee / Tea / Milo.

Special visitors are invited to stay around after breakfast to play some Board Games / Table Tennis. All students of the school will take home a Bag of goodies for their special visitor as well. Students will be monitored at school by staff when special visitors have to leave.

This is a wonderful initiative and I am sure our kids would love to see plenty of Dad's or Grand Dad's or Uncles at this event. Respond via Tiqbiz, reply in the slip in the newsletter or contact the school on 58298264, if you can attend with names of all people attending please. Any new students intending to come to our school in 2017 are invited to participate as well - just might be an early start obviously.

9. Committee Members Needed – 125 year Celebrations of Education in Tallygaroopna

The first meeting for this Committee will be held at Tallygaroopna PS on Monday 15th August at 7.30pm. Please pass this opportunity on to anyone who you think may be interested. The celebrations are expected to take place in October some time.
