SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone,

Last week was a busy one at school with 3 big events taking place and they all went to plan and were very successful. Our Book Fair concluded last week and this program was conducted in line with Book Week and the Book Day at Katandra West PS. The latter was again a wonderful experience for our kids and it was great to see them renewing acquaintances with friends from other schools. There was a variety of activities implemented on the day and we look forward to more exciting cluster days in the future.

Our School Disco on Friday night was again a hit and it was terrific to see the kids all dressed up and getting into the theme of the night. Special thanks to all of our parents for preparing the kids for these 2 events. Personally, I know that this is not easy – I hope we gave you plenty of time to get those wonderful costumes ready, they certainly paid off.

This week as always is eventful. We have the Solar Boat Workshop planned for Wednesday, Playgroup and the Father's Day Stall taking place on Thursday along with the Astronomy / Science Night in the evening and we conclude the week with an informal Gators Clinic in the middle session on Friday.

Finally, we have started to really pick things up with the School Production. This is approaching very fast and we are starting to do full scale rehearsals at present. We will endeavour to give some parents some more specific information in regard to costumes this week. We know that this can take some time getting this organised so stay tuned!!

Have a great week everyone. Karen will be at the office until Wednesday this week. She will be attending a Business Managers Conference on Thursday. I look forward to catching up with some parents throughout the school week – it promises to be another busy one.

David Brodie (Teaching Principal)

Thank you

August is the month we recognise the fabulous contribution of our non-teaching staff to our school. Obviously, Karen Armstrong is our only formal member of our ES staff, but without a doubt she certainly helps to make Tallygaropna P.S. a great school. Karen has been at our school for a number of years and her role has expanded over time, but without her support, advice and flexibility the school would not function as well as it currently does.

Thank you Karen, you are a treasure!!!

We also are very fortunate to have a very large number of volunteers who perform a variety of duties throughout the week. These range from hearing children read, supervising our children during Active After School Communities sessions, doing some cooking activities and taking R.E. lessons, to name a few. We are also very fortunate to have some wonderful parents who can fill in as teaching staff at the drop of a hat!!! Thank you everyone – your support is never undervalued and is certainly appreciated.

ANYONE INTERESTED IN INFORMAL I.T. LESSONS (COMPUTERS, INTERNET, IPODS, IPADS...ETC) CAN LEAVE THEIR NAMES AT THE OFFICE OR PHONE THE SCHOOL ON 58298264.

THE SPACE NIGHT WILL TAKE PLACE ON THURSDAY NIGHT – NOT TONIGHT!!!!

SCIENTISTS OF THE WEEK – N/A

School Facebook Likes – 48 and growing

Photos for the Week – Book Day (Katandra West PS)

Photos for the Week – School Disco

And Some More!!!!!! – Book Fair, Production Practise, Toilet Project

TALLYGARROOPNA PRIMARY SCHOOL PRIDES ITSELF ON BEING A COMMUNITY SCHOOL

We're on the way to becoming eSmart

Earlier we advised that our school had registered with eSmart – a comprehensive approach for managing cybersafety and dealing with bullying and cyberbullying in school communities.

We're pleased to let you know that we have completed the first phase of our eSmart journey.

We have planned many activities in line with the eSmart Schools Framework, and are now progressing with implementation.

Expect to hear a lot more in the coming months about our efforts to promote the smart, safe and responsible use of digital technology.

We hope you will also take part in some of the opportunities to learn more about being eSmart.

For more information visit www.esmart.org.au

Our kids matter.

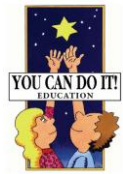

KidsMatter helps our school nurture
happy, balanced kids.

STUDENTS OF THE WEEK – Term 3 / Week 6

All students received a certificate and also a free icy pole voucher to use this term.

Prep / Grade 1 Terrific Turtle's

Jade

For the confidence she displays in the classroom. Jade is always willing to 'have a go' at all tasks. Great work Jade.

Grade 2/3/4 Freaky Frogs

Mitchell

Mitch is a great student. Although he is quiet, he is always trying hard to achieve greater things. Mitch always puts in 110% and is a delight to have in the classroom.

Grade 5/6 Mad Monkeys

Connor

For his great work during Maths tasks (BODMAS/order of operations) and for keeping Mr Brodie on his toes during these tasks.

Values Vault for Week 6 Winner – Tom Haberfield

1. Bus Seats / Bus Captain

Last week, all students who utilised the bus received information in regard to specific seat allocations for the bus. This will enable all children to adhere to the safety guidelines which are essential for travelling on the bus. Please reinforce safe travel on the school bus at all times. Last week, the bus travellers also voted for a Bus Captain and Abby was elected by her peers with this responsibility and more specific information is provided below

Bus captains are appointed to assist the driver with supervision. Under the coordinating principal's direction, they have full authority and should be instructed to report all misbehaviour and vandalism to the coordinating principal.

Bus captains should know that the following rules are to be rigidly enforced:

- Passengers must wait at the bus-stop in an orderly fashion; refrain from playing on the roadway; and not attempt to approach the bus until it has stopped.
- No passenger is to board or leave a bus while it is in motion.
- Passengers must board or leave the bus in a quiet orderly fashion.
- Passengers allocated a seat must remain seated for the whole of the journey. No pupil should, under any circumstances, have any part of his/her body protruding from a bus or throw any object within or from a bus.
- Boisterous conduct or 'horse-play' or any action which may distract the driver is not allowed.
- Students should converse in a normal tone of voice at all times and refrain from calling out to others on board the bus or to passing traffic.
- No food or drink is to be consumed on school buses.
- Students must not talk to the driver while the bus is in motion.
- Compliance with the school's Code of Conduct while undertaking bus travel.

2. Book Fair

Thank you to the many families who made purchases from the Book Fair last week. The school will benefit from some of these purchases and we will be getting some new books for the students as a result. We look forward to the Book Fair continuing again in 2014, preferably during Book Week.

3. School Disco

The Annual School Disco was again a huge success and a huge thank you to the many parents who assisted on the night with decorations, food, setting up and cleaning up...etc. It was a wonderful gesture to put on some hot food during the night and the kids had a very enjoyable time. There are a number of photos in this edition of the newsletter. We look forward to continuing with this tradition in 2014. Congratulations to the senior students for the leadership they showed during the night – well done kids.

4. Father's Day Stall

The Father's Day Stall will be held on Thursday beginning at 11.30am in the Multi-Purpose Room. Please make sure that money is sealed in envelopes with students names to enable all grades to move through the stall smoothly throughout the middle session of the day.

5. Solar Boat Challenge

Congratulations to the following students who have been selected to represent our school and participate in the Solar Boat Workshop – Brenton, Connor, Mikayla, Mitchell, Preston, Jordan, Bill and Bailey. The parent coordinators are Rachael Bassett and Christine Church and your support and assistance is greatly appreciated. We will have 2 teams this year and the program will again be held at our school. We aim to begin the program at 11am and finish by 3pm. Lunch will be provided for all parent helpers. Permission notes will need to be returned to school before the day.

6. Gators Clinic

All students will participate in a Shepparton Gators Clinic on Friday. The program will be for 2 sessions (P-2, 3-6) and will begin at 11.30am and conclude at 1pm. Both sessions will go for 45 minutes each and will be a lot of fun. Contact the school if you would prefer your child to not participate in this program.

7. Federal Election

Our school will be a venue for voting for the Federal Election which will be held on Saturday 7th September. As per previous years, this will take place in the Multi-Purpose Room and toilets will be available for the general public to utilise if needed. You may have noticed out the front of the school that our B.E.R. sign had to be removed prior to this day. Special thanks to Nev and Neil for your handy work in regard to this!

8. Space / Astronomy Night

Our Science evening with Wanganui Secondary College which was planned to be held tonight will now be held on Thursday. Details are attached to this edition of the newsletter so RSVP before Thursday if possible please. Sorry for any inconvenience in regard to this.

9. Grade 5/6 Pen Pals

This year, the Grade 5/6 students are writing to some pen pals from the other side of the world. As a result, we will be communicating with some students and teachers from Russia over the next few months, which should be an interesting experience. Currently, there are some restrictions on what we can view on line at school, but all senior students are encouraged to look at the websites below to get to know our new friends.

School website - <http://kanliceum1.ucoz.org/>

Blog - <http://dave-friendship.blogspot.ru/>

10. Fairleys Supa IGA Community Rewards Program

Our school has registered for the Fairleys Supa IGA Community Rewards program. Families can register in-store and now nominate Tallygaroopna Primary School as their charity. Funds generated by customer points are converted to cash and handed to the school at the end of the financial year.

11. School Council

The next School Council Meeting will be held at school this Wednesday 28th August. The Finance Committee will meet at 6.45pm followed by School Council at 7.30pm.

12. New Enrolments - 2014

We are now looking at planning enrolments for new students for next year. Enrolment Packages can be collected from the school office and an informal tour of the school can be requested if needed. Feel free to contact Mr Brodie any time.

13. AASC Program

Our Term 3 program began a couple of weeks ago with Cricket on Monday and Taekwondo on Tuesday. An enrolment form was attached to the newsletter a few weeks ago – available on our school website as well. Each session will begin at 3.35pm and conclude at 4.35pm. A healthy fruit snack will be provided before each session and Andrea Walker will be our supervisor for both programs this term. We hope to hold the last Taekwondo session in Shepparton – a bus will be provided (more details to follow).

Participation winner for Week 6 was – Brenton

Active After-school Communities

Helping kids and communities get active

Chocolate Drive – Just a reminder that money is due back to school tomorrow.

Tallygaroopna Tennis

Anyone interested in playing tennis (junior or senior) this season with Tally, please contact Yvonne Sprunt

If you would like your child/ren to participate in this activity please send your child/ren with a suitable amount of money for them to purchase a gift.

Media Release

August 2013

Shepparton North Tennis Club is ready to play!

Shepparton North Tennis Club is encouraging more kids to play tennis through Tennis Australia's new MLC Tennis Hot Shots Community Play program, which is now available at the club.

"MLC Tennis Hot Shots Community Play is designed especially for kids of primary school age to provide an opportunity for them to play tennis in a fun supportive environment," said **Clark Pettigrew from Shepp North T.C.**

"This exciting participation program is a branch of Tennis Australia's official kid's development program MLC Tennis Hot Shots. The focus of MLC Tennis Hot Shots Community Play will be on kids enjoying playing the game of tennis with friends and being a good sport.

"Coaches, parents, guardians and club volunteers can all get involved by assisting on-court with scoring and reinforcing the "be a good sport" messages," **Clark Pettigrew.**

To help promote an immediate sense of fun and achievement, kids who participate in MLC Tennis Hot Shots Community Play will use modified equipment scaled especially for them. This means smaller courts, racquets and low compression tennis balls.

Former world No.8 and Australian favourite, **Alicia Molik**, is a big supporter.

"Using the modified equipment makes it easier for beginners to start playing the game, and it is a great way to introduce kids to tennis," said Molik.

"MLC Tennis Hot Shots lets kids learn the sport quickly and easily, build their confidence and it also gets them active.

"I wish MLC Tennis Hot Shots was around when I was starting out, and I have no doubt it will help inspire our tennis stars of the future," Molik added.

Shepparton North Tennis Club is now taking registrations for MLC Tennis Hot Shots Community Play. The program runs on **Wednesdays 4pm to 5pm** **COMMENCING 9th SEPTEMBER 2013**

To register please contact:
Community Play Coordinator: **Helen Jackson**
Venue: **Shepparton North T.C.**
Phone: **58 213792** or mobile **0427219400**
Email: **heljacko@live.com**

MLC Tennis Hot Shots Community Play is a nation-wide program currently being rolled out in tennis clubs and centres across Australia.

For more information on MLC Tennis Hot Shots visit the website - hotshots.tennis.com.au

GAME ON! SCHOOL HOLIDAY PROGRAM

Multi sport fun

Dodge Ball, Octopus Tiggy, Soccer, Steelers, Rounders, Hockey, Table Tennis, Badminton, Ultimate Frisbee & so many more.

Premier Soccer are running the popular 'Game On' school holiday program!

This fun-filled program offers a variety of different sports and activities to all primary school aged children (5 - 12 years).

Children can be dropped off from 8:30am and children can be picked up between 3.30pm - 4.00pm. If required, children can be booked in for 'Extra Time' from 4.00pm - 5.00pm for an additional \$10 per child.

The next Community Morning Tea /
Playgroup will be held this
Thursday, 29th August at 9am.
Everyone from the local community
is welcome to come along.

SCIENCE NIGHT in partnership with Wanganui
Secondary College

ASTRONOMY VIEWING (Star Gazing)

Thurs 29th August - Backup night

There are contingency plans in case of clouds or bad weather. The school will be informed before the end of Monday and the community will be informed if the day is altered.

Time: 7.30pm.
Finish time around 9-9.30.

Location: Tallygaroopna PS.

What we hope to see: No moon unfortunately for the younger kids, but we'll be able to look at planets Venus and Saturn, clouds of gas and dust in space, double stars, carbon stars, globular and open clusters, star-forming regions. We'll also, at around 8pm, run a brief five-minute naked eye sky tour using a laser pointer to indicate to people what's up in the sky, including the Milky Way galaxy, its two satellite galaxies the Magellanic Clouds, and various objects that we'll see through the telescopes.
