SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone

Production is now only a few weeks away and we are starting to put the finishing touches to this. We are in need of some assistance with props and costumes so if you can assist in any way please contact the school – some information is provided in this edition of the newsletter. A reminder to order and pay for DVD's for the Production before the end of the week - get in quick to avoid disappointment.

Over the last fortnight, we have had some busy school related activities. These have included our Jump Off Day, AFL Sporting Schools Day and the Annual Disco. The latter was a great night and it was terrific to see many members of the school community attend this event and have some fun. A big thank you to Teagan Thomas who was able to provide her Coffee Van on the night – I know many of the parents enjoyed a hot drink on this evening.

This Friday is our Grade 1/2 Activity & Sleepover Night as well. This is the second time this event has been offered and the aim is to give younger children an experience away from home in preparation for camps which will be held in future years. We will monitor behaviour closely on the night – as always silly behaviour will not be tolerated and we expect all of our children to abide by strict rules and expectations on the night. Mrs Haberfield and Miss Lothian have kindly offered to run this night and we hope that their effort in planning this evening is appreciated and respected by the children who are participating.

All families should have received a Review Survey and it would be appreciated if these were returned by this Friday 31st August – there will be a secret prize drawn when these are all handed in. As always, we appreciate everyone's feedback – an online version is also available for families to complete if needed. This survey should only take 5-10 minutes to do.

The Parent Opinion Survey also began a couple of weeks ago and families should have received a letter regarding this in the mail. If you have not received this or have misplaced this letter – please contact the school and a new one will be sent home. We are hopeful for an 80% response rate if possible. The Parent Opinion Survey has now been extended to this Sunday 2nd September and we would appreciate your feedback.

Finally, we currently have 11 enrolment forms in for new Foundation students for 2019 – thank you for getting these in early to assist with planning for the new year.

Karen will be away on Thursday. I look forward to catching up with some parents at the Father's Day Stall on Thursday.

David Brodie (Principal)

The next Parents' Club meeting will be held on Thursday 18th October at 9am. All are invited to discuss some major activities planned before the end of the year.

School fees are due now. Contact the school if a payment plan needs to be set up.

Can any other outstanding payments for excursions, camps, etc be paid for ASAP please.

Random Act of Kindness:

This week's givers are: Sofia, Bohdi and Lachlan Glover. Well done to last week's givers – Beau, Harry and Izzy.

DVD orders for the School Production are due by Friday 31st August. These cost \$20 each and must for paid for when ordering at the office.

Enrolment forms for 2019 are now due. Scheduled Open Days for new families have finished. However, other days can be arranged upon request. Contact the school if an appointment is needed.

School working bee for major construction of our sandpit is planned for Sunday 23rd September.

Contact the office if you can assist.

\$10 is due for the Red Racing Hood Eastbank performance.

School Review – Consultation with the School Community

When completing a Pre Review Self Evaluation, our school collaborates with the community to arrive at a shared, evidence-informed understanding of how well the school has performed over the life of the School Strategic Plan (SSP) and to identify levels of proficiency against all 16 FISO Dimensions.

These include:

Building practice excellence	Curriculum planning and assessment
Building leadership teams	Empowering students and building school pride
Setting expectations and promoting inclusion	Building Communities
Evidence-based high impact teaching strategies	Evaluating impact on learning
Instructional and shared leadership	Strategic resource management
Vision, values and culture	Health and wellbeing
Intellectual engagement and self awareness	Parents and carers as partners
Global citizenship	Networks with schools, services and agencies

THESE FISO DIMENSIONS MAY BE DISCUSSED AT THE SCHOOL COUNCIL LEVEL.

Part of the consultation process will involve a School Review Survey being sent home. This has been sent home and it would be appreciated if it is returned by Friday 31st August. Main feedback encouraged will be based on the following key questions?

1. What does our school do well?
2. What would we like to see our school doing well in 5-10 years time?
3. What are the things we need to work on in order to build the bridge from question 1 to 2?
4. What is the schools fundamental reason for existence?
 - a. What is the purpose of the school?
 - b. What do we value in the school?
 - c. What does the school stand for and how does it want to operate?
 - d. What are the influences that will impact on our school in the next 4 years?

3. Shepparton Education Plan – have your say on Kindergarten and Primary School Education

For the next stage of the Shepparton Education Plan, the Victorian School Building Authority are looking to develop a better understanding of transitional phases from early childhood through to primary and then onto secondary school. This is all about working out how they can support Shepparton students and educators with a smoother transition process between the stages of schooling.

Get involved – attend a community pop-up session, fill in the online survey, give feedback on the comment board – they want to hear from you.

In addition to this, all members of the Shepparton community are invited to attend an **informal BBQ on Tuesday 28th August at Shepparton High School from 3pm – 7pm**. This is your opportunity to ask about the Shepparton Education Plan and provide any further feedback regarding transitional phases from early childhood through to secondary.

For more information about events and a link to the survey, visit

<https://engage.vic.gov.au/SheppartonEducationPlan>

Last week, the first of two briefings were delivered to DET staff (Principals and area-based staff) and it was requested by schools to receive the Secondary School Engagement Design Report (Phase 3) along with the consultation YouTube video. Links to both are below.

4. Performance at Eastbank

A permission form for a performance of Red Racing Hood at Eastbank Centre on 18th September was sent home with your child. Thank you for returning these as quickly as possible and it was great to see many families utilise Flexibuzz for this. Cost of this excursion is \$10 per student – can this be paid for ASAP please.

5. Grade 5/6 Camp

Thanks to all of the families who provided final numbers last Thursday. We look like having 12 Grade 5/6 students attend this camp and we now await final details from Dookie PS in regard to costs...etc. Students not attending this camp will still be required to attend school during this time. The State-wide Orientation Day will be held on Tuesday 11th December.

6. Munch N Crunch

This will be held on Thursday 6th September and will include hamburgers and sausages. An order form was sent home today. Please return completed order with payment by Monday 3rd September.

7. NAPLAN / Online Version for 2019

The VCAA is able to confirm that the delivery of Individual Student Reports (ISRs) to schools will commence from Wednesday 29 August.

Last week, we trialled the Online Version of NAPLAN with some grade 3 and 5 students and there is a possibility that we will be transferring to this platform in 2019. This was just a test run to seek the capabilities of our IT equipment - no results will be available. It was interesting to be able to monitor which questions students are up to during the online test and we look forward to finishing this trial period with the Grade 5's on Friday with a writing task.

The public demonstration site can be found here - <https://www.nap.edu.au/online-assessment/public-demonstration-site>

8. School Uniform Compliance

During the colder months we have some students who are not in school uniforms for a variety of reasons. School uniform reflects our school and it would be appreciated if any students not in uniform present a note to the Principal. Thanks in anticipation.

9. Parent Opinion Survey – 17 surveys out of a possible 53

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents. It is designed to assist schools in gaining an understanding of parents' perceptions of school climate, student behaviour and student engagement. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

Parents are invited to participate in this year's survey. All responses to the survey are anonymous. The Parent Opinion Survey has been extended to **Sunday 2nd September**. The survey will be conducted **online**, only takes **10-15 minutes** to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones.

The survey results will be reported back to the school at the end of September.

For more information, see: [Parent Opinion Survey](#)

10. Production Practice - afternoons

Practice continues many afternoon sessions so it essential that students in Grades 5/6 are present as much as possible this term to allow for effective planning and practice to occur. There will be some minor alterations to specialist timetables this semester to allow for this.

**Orders for the Production DVD need to be in by Friday 31st August.
The cost is \$20 each and payment needs to be made when ordering.**

11. Swimming Program – This will be held for 5 consecutive days beginning on Monday 22nd October. Please put these dates into calendars at home. The cost for this program will be significantly lower this year thanks to some funding by the Department of Education. The cost is \$46 per student.

12. Staffroom – Parents (confidentiality)

We have been working hard on assessment and reporting so far this year. We are planning on focusing on Student Data during the second half of Term 3. As a result, there is some confidential student data in the staffroom at present. We would appreciate all parents staying out of this room while this data is displayed.

We have also made a Data Wall to reflect our Maths Assessment for the Number Fluency Assessment (NFA), so please don't enter the staffroom unless given permission. Sorry for any inconvenience.

13. Colder Months - Tissues

We would be very appreciative if each family could please supply a box of tissues for the school in anticipation of colder weather (and possibly running noses and coughs!). We remind families to please encourage their children to dress appropriately for the weather.

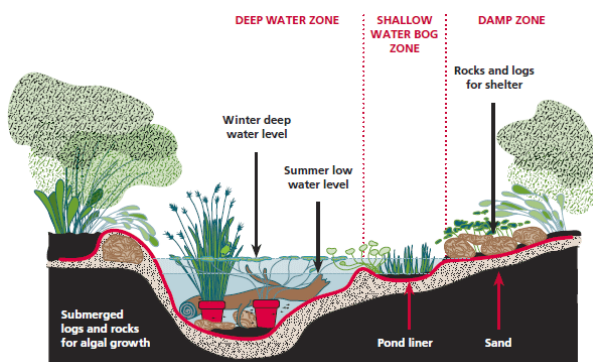

Second-hand Uniforms

If anyone has any uniforms that they no longer require could you please send them along to school.

Thank you, Lisa Newbound (Uniform Coordinator)

Frog Bog Assistance

If anyone has some rocks or tree branches that would be suitable as habitat for our Frog Bog could you please contact the school. We are also looking for volunteers to assist the students in constructing the Frog Bog. The senior boys are doing a great job with digging at present but we would like some assistance with putting the bog together. A day to do this can be negotiated. Please see Karen if you can help.
