SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone.

It certainly has been a massive couple of weeks with our School Production again being a great success a couple of weeks ago. As per usual, our kids certainly provided some great entertainment and I think my minor role didn't ruin it for anyone – thank goodness for that! I would personally like to thank all of our wonderful staff for the contribution they made to this performance over many months and also thank our families for supporting our kids. As stated on the night, we won't be having a performance of this scale next year but we certainly will be doing some student led activity in 2020. We expect DVDs to be available to families who ordered these very soon – please pay for these ASAP so that they can be sent home.

Tomorrow is our Student Led Conference Day and this will be a busy day with many students coming into school throughout the day with their families to discuss their individual progress and specific goals and targets for the remainder of the school year. This day is following up on recommendations from our School Review last year for more formal opportunities for families to discuss student learning. Remember that we have only scheduled 15 minute slots for each interview – don't hesitate to make another time if needed to follow up any discussions with staff.

Last Friday night, we had a fun night with the many men who feature in our kids' lives. This involved some indoor and outdoor games followed by some pizza and drinks which were kindly partially subsidised by our Parents' Club. Unfortunately, the cold and wet night meant we pulled up stumps a little earlier than planned but this was a good opportunity to continue to focus on the school's relationship with our families which is always important.

This week we have the AFL9s day at Congupna and by all reports this is a fun day which is really well organised. This day is also an out of uniform day (Footy Colours Day) and I am sure that many of our children will look forward to seeing some of our cluster school friends.

We also have the Grade 3/4 Camp beginning next week with the induction day held at Tally PS on the Monday before we bus out on the Tuesday. Some last minute reminders are in this newsletter but please contact the school if anything needs to be clarified. All of the students attending this camp will be sleeping in cabins and I am sure that this will be a wonderful experience for all involved.

Mrs Tucker has also been able to get the Melbourne Symphony Orchestra to come to our school for an informal visit in a couple of weeks. This will be a special treat for the junior grades, which I think they will appreciate.

Last but not least, the CWA are holding a Trivia Night this Friday the 13th September. This event will be family friendly and a great opportunity for the school community to come together. The CWA have kindly offered to donate some funds to our school so I am sure that this night will be well supported. Some of the school staff will be attending and trying to showcase their talents also – good luck everyone!

I look forward to catching up with parents throughout the week and at School Council on Wednesday night. Karen will only be in the office on Monday and Friday this week to attend to any matters if needed.

The Senior Leadership Team at McGuire College is inviting parents and carers to join them over morning tea to answer your questions about the Shepparton Education Plan and the new Greater Shepparton College (interim name).

A series of morning tea sessions will be held every Friday from 16th August, 9.15 to 10.15 am until the end of Term 3. The number of places for each session will be limited and bookings are essential for catering purposes.

Greater Shepparton College (interim name) - update

The Deputy Premier and Minister for Education, James Merlino MP, visited Shepparton last week to unveil the designs for the new secondary school.

The Ministers Press Release is available here:

<https://www.premier.vic.gov.au/designs-for-new-world-class-shepparton-school-unveiled/>

Renders of the school design – including a video fly through – are available from the Greater Shepparton College (interim name) school website.

<https://www.greatersheppartoncollege.vic.edu.au/>

Feedback about the design from the students and staff who attended the Minister's visit today was overwhelmingly positive, and the designs will provide the contemporary teaching, learning, health and wellbeing spaces that we were seeking.

The Minister spoke to the Shepparton Education Plan being one of the most important projects in regional Victoria and affirmed the government's commitment to the project.

As a project team we thought you'd all want to see the designs for the new school.

Please have a look, the designs look amazing.

The Child Safe Standards are compulsory minimum standards for all Victorian early childhood services and schools, to ensure they are well prepared to protect children from abuse and neglect. The standards provide a framework for schools to review existing policies and practices and all other aspects of child safety, to ensure a 'zero tolerance' approach to any form of child abuse. You can access our policy on the school's website.

Uniform Voucher Process – Current Year 6 students

Please read on for important information about the \$200 uniform vouchers for 2020 Greater Shepparton College (interim name) students, specifically for current Year 6 students.

If you currently have a child in Year 6 who will be enrolled in Year 7 at Greater Shepparton College (interim name) next year your child will receive a form and an information sheet about the uniform voucher process early in Term 4, 2019.

Parents/carers are asked to please fill in the form indicating your choice of uniform retailer for each child (the uniform retailer options will be on the form), sign and return to McGuire College.

Completed and signed forms for current Year 6 students need to be returned to McGuire College by **Thursday 17 October 2019**.

Following receipt of the form, a voucher will be prepared for each child to the value of \$200 in the name of the requested uniform retailer, and distributed to students.

The voucher can then be redeemed from the nominated uniform retail shop.

Please ensure that you complete a form for your current Year 6 students if they will be attending the new school next year, so that your child can be included in the \$200 uniform voucher process.

If we do not receive a completed and signed form, we will not be able to factor your child's needs in or issue you with the uniform voucher.

1. NAPLAN

Dear Students,

Congratulations on the way you demonstrated your personal best as you sat each of the NAPLAN tests this year. You were:

- organised, ready and prepared for school on each of the test days
- a risk taker and had a go
- willing and participated fully in all the tests.

These tests do not assess what makes you exceptional and unique.

The people who score the test do not know that some of you love to sing and dance, are good at sport, love to draw or can teach others how to use a computer. They do not know that your friends count on you to be there when they are feeling sad. They do not know that you participate in sports, help your family or that you play with your brothers, sisters, cousins and other family members.

The results you get from these tests will tell you how you did on the day, but they will not tell you everything. They don't tell you that you have improved on something you once found difficult. They don't tell you that you brightened your teacher's day. They don't tell you how amazingly special you are.

Be proud of what you have done and continue to work to be the best that you can be!

Hold your head high!

Mr Brodie

Principal

These results were sent home to families last week and included a printed Individual Student Report. Copies were made for student files which are kept confidentially at school.

- No lollies are to be brought to the camp.

19. School Leaders Project

We have had a wonderful response to the Snags and Milo activity that our School Captains and Vice Captains have organised to raise money for the Salvation Army. These will continue to be served at 11.40am and students will enjoy these in the undercover area.

The remaining date is:

Day 10 – Monday 16th September

Any students who were away on any of these days will have their order carried over to the following week.

20. OSH – Availability Survey

Unfortunately our numbers have dropped and it would be terrific to see some new permanent or casual placements in this service, which operates from 3.25pm to 6pm, 5 days a week. **If you apply for the Child Care Subsidy, the cost can be a lot lower than you would anticipate.** This service to our families involves a large financial commitment by School Council and we will be discussing the sustainability of this program at the end of the year. Our OSH Care service has been in operation since 2014 and as our school has grown we had hoped that enrolments in this service would continue to grow. We currently aim for 25 places filled each week. **A survey was distributed a few weeks ago to the eldest child in each family (also on Flexibuzz) – it was due back to school on Friday 26th July – reply online please if possible.**

21. Classes for 2020

We are currently discussing the formation of classes for 2020. At present, we are anticipating a reasonable sized group of new Foundation students so composite grades may be: F/1, 1/2, 3/4 and 5/6. These grades will allow consistent and low student numbers in each class. It is essential that enrolment forms are in ASAP so that appropriate planning can be put in place in regard to the 2020 school year. There may be some changes in relation to teachers with grades next year, but this will not be confirmed until late in the year.

22. Communicating with Staff

Please feel free to discuss any issues with myself or specific class teachers. At Tallygaroopna PS, we are accessible to parents and we value the importance of positive and constructive communication with all of our families. Please contact the school to make an appointment if needed – so that issues can be addressed at an appropriate time which does not affect normal planning and learning time.

23. Community Plan Meeting

The following dates have been set for the Community Plan Committee – all are welcome. This traditionally takes place on the 1st Monday of every month – meeting at 7pm at the Town Hall or CFA Shed. The Greater Shepparton Council are aiming to have the new Tallygaroopna Community Plan endorsed in June. See website below for further details.
