## News from the Principal's Desk

Dear parents, carers, students and staff

I would like to welcome everyone back to Tallygaropna PS for Term 4. It will be wonderful to see all of our students again and we hope that everyone had a restful term break. Unfortunately, there are still restrictions with adults coming into the school – please adhere to these and hopefully some may be lifted in the near future. Facemasks are paramount and we all need to continue to do our little bit during this difficult period. Some families were happy with the implementation of Remote Learning in Term 3, while others may have been disappointed. All I can tell you is that all staff worked extremely hard during this period and unfortunately, this situation was unprecedented and try as we did, it is always difficult to please everyone. Every family home was a different classroom and we tried to limit our expectations and pressures on our students, families and staff while following Department Guidelines. Please send me any feedback in regard to your experiences with Remote Learning using the schools email address above.

This is our 1<sup>st</sup> full edition of the newsletter for quite a while, so please read all items carefully and don't hesitate to contact me if any information needs to be clarified. Last night, we received the Operational Guidelines for Term 4 and we will update families of any changes ASAP. This may affect our Orientation Program for new Foundation students, which was planned to begin next week – stay tuned for more information before the end of the week.

We have advertised our OSH Care Coordinator position during the break and hope to announce a replacement for Toni Marie in the not too distant future. We are also currently working through school staffing arrangements for 2021 and hope to announce these at the beginning of November, as per normal. Keep safe everyone – I will no doubt see you all soon, even it is via Webex! Don't hesitate to contact me if any clarification is needed during this difficult time.

David Brodie  
(Principal)

**Can any Remote Learning work outstanding be handed back to the office ASAP please.**

### **COVID-19 Support Program**

The Education Department have some major priorities for students and staff for Term 4. Some of these are:

#### **Priority 1 – Wellbeing and Equity**

The wellbeing, and particularly the mental health, of every student and member of staff is the highest priority. This means encouraging and sustaining motivation for learning, re-engaging students and families where needed, and supporting the social and emotional learning of children and young people alongside curriculum-based learning.

This also means ensuring support for school staff, who have sustained their efforts through multiple transitions in modes of teaching and learning delivery.

#### **Priority 2 – Learning and Excellence**

Some students have been better able to progress in their learning in the remote and flexible learning environment, others have maintained their rate of progress, and some have, despite their best efforts and those of their families and teachers, not progressed in their learning. It will be important to meet all students at their point of need – both to support those who have not progressed in their learning to catch up and those who have progressed to continue to extend and stretch their learning. Literacy and numeracy across the curriculum remain a focus, with schools also adapting their teaching and learning program in Term 4 to be responsive to student needs.

As a result, our staff will be doing some 1 on 1 and small group instruction to support students in Term 4. To make this support program beneficial attendance at school is paramount – more information will be provided to families at the end of the week.

## **Stress Management**

Stress is a normal reaction to life's changes and challenges. It can motivate us to get things done and to feel better about trying new things.

## **What causes stress?**

People experience stress for many reasons

One of the most common reasons is sudden or unexpected change, but even positive changes can be stressful. Expected changes – such as a child or young person starting at an early learning service or school, or changing between schools – can be also stressful.

Stress can be a response to a single event or might be prolonged, cumulative stress. Overwhelming stress impacts our physical and mental health, relationships, learning and development, and capacity to fulfil our roles (for example, parenting, working or studying).

Changes can happen in many aspects of a person's life at the same time, including shifts in their:

- physical environment (such as moving house or starting a new job)
- social environment (starting at a new school, feeling isolated after moving somewhere new, feeling they can't control or influence their environment)
- economic circumstances (such as an unexpected financial loss, large expense or job loss).

It's important to remember that stress is not anxiety – [an anxiety condition](#) is when someone:

- has anxious feelings which are consistently very intense
- have feelings that persist well after the stressful event has passed
- are so distressed that it interferes with their capacity to learn, socialise and do everyday things.

## **Photos of the Week – New Foundation Students for 2021**

We welcome Georgia, Amelia and Lachie to our school community. We are anticipating 9 new Foundation students for 2021 who will begin their journey into primary school over the coming weeks.

**1. Welcome** – Welcome to Nathaniel (Grade 5), Paige (Grade 5), Bailey (Grade 6), Seth (Foundation) and Skylah (Grade 2) to our school community. We also welcome their families as they join our school during these extraordinary times during COVID-19. I am sure we will welcome all students to our school with open arms - our current enrolment at Tallygaroopna Primary School is 86 students.

**2. Building Works** – Upgrade works on our portable has been approved. It is planned for works to commence on Friday 16<sup>th</sup> October and be completed by Wednesday 21<sup>st</sup> October. A scope of works has been approved by the VSBA for our portable and we hope there will be limited disruptions during this time. The building works will address the following:

- Roof
- Structural / Sub-floor
- Internal Wall Linings
- Floor Coverings
- Flooring Soundness

We have a number of new shelves to assemble for this portable. If you can assist with this please contact the school.

**3. OSH Care Position** – As stated previously, unfortunately Toni Marie will be leaving our OSH Care service at the end of the year. As a result, we have recently advertised to fill this position and if any members of the school community know of anyone who may be interested please ask them to contact the school ASAP.

We will continue to discuss OSH Care and how financially viable this is for the school going forward at School Council. Please support this service if you can so that we can maintain it for the future for our school community. An expression of interest form will be sent home soon seeking permanent or casual places for 2021. Please return this ASAP.

**4. Parent Opinion Survey** – This survey seeks parents' and carers' opinions on school climate, student engagement, and effective teaching practice known to influence student outcomes, as well as their experiences of remote and flexible learning. We anticipate that this survey will be offered to parents and carers to complete online from Monday 12 October to Friday 13 November – stay tuned for more information.

The survey can be administered remotely by schools distributing survey links and instructions to parents and carers through their school management system, school bulletin or newsletter. ORIMA Research will provide schools with draft newsletter text and communications support.

**5. School Council** – The next meeting is scheduled for Tuesday 20<sup>th</sup> of October. At this stage, this meeting will still be held via Webex with Finance beginning at 6pm and School Council beginning at 6.45pm. Information regarding this meeting will be sent to School Councillors next week.

**6. End of Year Excursion** – We have made a temporary booking for Funfields at Whittlesea for our end of year excursion. This is for Friday 11<sup>th</sup> December - reservations will remain tentative until a Booking Form is sent, completed and returned to Funfields. Costs will be confirmed at a later date - hopefully we have some clear answers about these uncertain situations in the coming weeks.

**7. Orientation Program (new Foundation students)** – Our Orientation Program for new Foundation students was scheduled to begin in Week 2 next term. We await advice from the Education Department in regard to whether this program can be implemented in line with COVID-19.

**8. School Photos** – This has now been rescheduled to be held on Thursday 15th October – more details will go out on Skool Loop this week, but we anticipate that the photos will begin between midday and 1pm.

**9. Hats** – In line with our Sun Smart program, hats are now mandated although we will have a grace period for Monday and Tuesday. All students and staff will now need their school hat and children without a hat will need to be in the undercover area or in the Multipurpose Room during recess.

**10. Remote Learning Legends** – Congratulations to Olie, Harry, Ellie and Bethany on receiving the last Remote Learning Legends awards. It was fantastic to see the effort our students were putting into their learning – well done everyone. These awards focused on positivity with Remote Learning.

**11. Outdoor Learning Space** – If anyone has any large logs or boulders that they could transport and donate to this project it would be greatly appreciated. Feel free to contact the school if you have any ideas or if you can support this project in anyway. We will be aiming to lay some compressed rock at the front of this area soon.

**A BIG THANK YOU TO STACEY TOWERS AND MARK LEE FOR THE KIND DONATION OF SOME WOOD FOR OUR OUTDOOR LEARNING SPACE. THE MEN'S SHED HAVE ALSO KINDLY OFFERED TO HELP WITH SOME SEATING FOR THIS AREA – STAY TUNED FOR MORE DETAILS.**

**12. Facemasks** – A reminder to everyone in the school community to wear face masks (not students). No families are to come into the school grounds for the foreseeable future - contact the school on 58298264 and wait in the school car park for specific instructions in regard to pick up...etc. This is for our OSH Care service as well.

A summary of information regarding the wearing of face coverings for staff is included below.

**13. OSH Care** – Could families planning to use the OSH service please let us know as soon as possible so that we can book in Toni-Marie.

**14. Student of the Week** – This will resume this week and will be announced over the PA each Thursday as per normal. Families will be notified and encouraged to attend assembly which will still be held over Webex at 3pm each Friday.

**15. New Enrolments (2021)** – Information has been sent to the Kinder in regard to future enrolments for 2021 and was also posted on Facebook. Planning for the new year begins early. Some restrictions are in place with what we can and can't do at the moment in regard to tours during school hours. We hope normal school tours during school hours will be available at some stage. Enrolment forms and information can be collected at the office - it would be great if these are returned now to assist with planning for 2021. If any families plan on leaving Tallygaroopna PS can you also let us know to assist with planning.
