SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone

We have had a fantastic beginning to the school year. All students have settled into normal class activities extremely well and are getting accustomed to new teachers for 2019. It has been wonderful to see many parent helpers come into the school so far to help with morning reading – and we would welcome any parents or special friends to our school. A reminder that our Child Safe Code of Conduct will need to be signed for any volunteers who are actively involved in this. We are currently updating our register for all members of the school community.

Please don't hesitate to contact me if you need any help with the Parent Portal or Flexibuzz as it would be great to get all families connected to both of these. I will be available all night at the Information Night if anyone needs some help – these can be a little tricky at times. All staff are looking forward to the Information Night planned for tomorrow night and if you can attend, you will find the brief 30 minute sessions informative. Staff will send home information for parents who are unable to attend also – we all have busy lives and I am sure some families will have other commitments on the night. Last week, we had our ten Grade 6 students make wonderful speeches to the whole school community. I was extremely proud of these kids and I know that they will all lead our school well for the 2019 school year. All of these students will have major leadership roles at our school this year. Izzy Guthrie, Tom Haberfield, Jade Klein and Jake Buckland were elected by their peers as our school captains and vice captains and we look forward to forming our JSC team this week and announcing this in the next week or two.

In this edition of the newsletter, there is some important information about some extra curricula programs – Aquamoves Day and Brave Hearts. Please read these items carefully and don't hesitate to contact the school if any clarification is needed.

Finally, a reminder about the Information Night on Tuesday. This is an important aspect of the link between home and school and we hope many families can make these sessions and hear about specific information in regard to how individual classrooms will operate. Karen will be at the school all week to attend to any matters that arise. **I look forward to catching up with parents at the Information Night on Tuesday and School Council on Wednesday night.**

SHEPPARTON EDUCATION PLAN UPDATE FOR SCHOOL COMMUNITIES – EXECUTIVE PRINCIPAL SHEPPARTON

Further to previous articles in school newsletters regarding the Shepparton Education Plan, I am pleased to announce the appointment of **Mrs Genevieve Simson** to the Executive Principal position for the new secondary school for Greater Shepparton.

The Shepparton Education Plan and the development of a revitalised secondary school model, which will improve learning opportunities and educational outcomes for students, has been the outcome of collaborative work across schools and consultation with the community.

The recruitment process for this position attracted high calibre applications from across Australia.

Genevieve has an impressive track record of leadership in secondary school settings and has twenty years experience in successfully leading complex change projects. Genevieve's most recent principal position has been at Victoria University Secondary College which was formed following the merger of three secondary colleges in Melbourne, and where she has been the inaugural principal since 2010.

Genevieve commenced in this exciting role as of 30 January 2019 and plans to spend time within each of the secondary schools in coming weeks. There is much to be done, and we look forward to seeing this important work progress during the year.

From grieving to ghosting, online aggression can take many forms. The following article will inform you about all the various forms of online behaviour that don't necessarily fit the definition of cyberbullying, but can definitely cause some hurt amongst our young people.

Grade Expert – Parent Portal

The GradeXpert Parent Portal is used by your child's school to send you important information about your child, such as **school reports, details of incidents at the school involving your child, individual learning plans and requests for explanations of unexplained absences.**

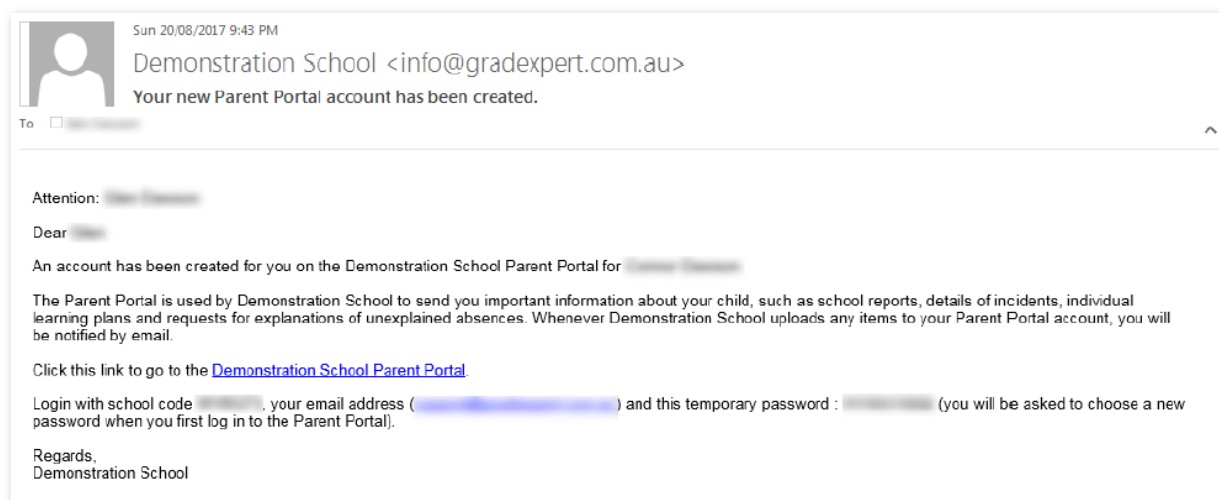

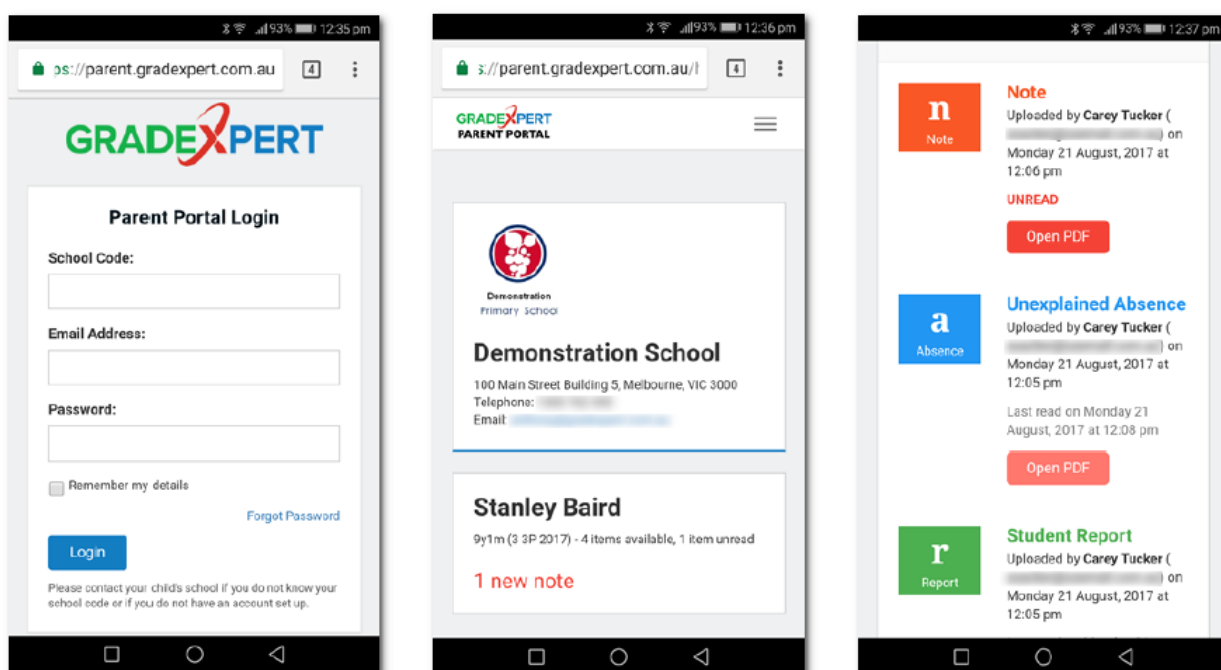

This information is **never removed** from the Parent Portal, so you can easily view this information from previous semesters and years.

Whenever your child's school uploads any items to your Parent Portal account, **you will be notified by email.**

Each parent has their own **unique login**, and your email address that you have previously provided to the school is required to log in.

You can access the Parent Portal in any web browser, on any device, including a desktop or laptop computer, tablet or smartphone (example screenshots below).

Contact the school if you need any assistance with this – all families hopefully have received an email in regard to accessing this resource. It is important that the email you use at home is the same one that we have recorded on Grade Expert – please check this.

There is a Late Arrivals/Early Departures book at the office, which needs to be signed for late arriving or early departing students. This needs to be signed by parents (or whoever is dropping off or picking up your child). There is also a Visitor's Book to be signed by all visitors to the school (this includes parents who stay for reading/Parents' Club activities, etc). This will aid our emergency management of the school.

Supervision – before and after school hours

Parents are reminded that grounds supervision does not begin until 8.30am so please do not send students early to school for the sake of it or to play. This is documented in our staff supervision policy. **We know there are a handful of families that do make early drop offs (contact the school if this is needed), but these students will not be allowed outside until 8.30am or until supervision begins.** Before 8.30am - these students will remain in the BER room instead of roaming around the school grounds unsupervised. Please reinforce this at home and only have children arrive early to school if needed (ie: early work commitments). We begin whole school reading at 8.45am and encourage all students to participate in this program. The whole school reading program concludes at 9am and we welcome any helpers for this.

In 2019, we will continue to provide for families and their children. OSH Care will again be available for 5 days a week (excluding term holidays, public holidays and curriculum days). We are pleased to announce that Toni-Marie Arnold has agreed to stay on as our OSH Care coordinator for a further 12 months and we look forward to Toni-Marie continuing to make a valuable contribution to our school and continuing to develop this service for our families from 3.25pm to 6pm. **A reminder to all families that a new enrolment form for 2019 must be filled in for any children utilising this service. 1. Aquamoves Day

This is scheduled for Tuesday 26th February. The Aquamoves activities will be free play in the Olympic pool, wading pool and splash park – strict supervision for Junior students. We hope that the Rapid River, Tarzan rope and slide will be in operation from 11:00am to 1:00pm. **All parents are encouraged to apply sun cream before arriving at school, but this will be applied and re-applied at Aquamoves by staff. Some parental assistance with this would be appreciated because this is very time consuming.** We will leave school by bus at 9.45am at the latest and assemble at Aquamoves at 10am for an introduction to the day and provide further information to students and teachers as to how the day will unfold. The day will finish up at around 2:00 -2:30pm. Permission forms will go home soon and cost will be advertised shortly. Permission forms will need to be returned ASAP.

No students are to buy things from the canteen and parents are discouraged from buying things for their children from the canteen.

2. Bravehearts

Students in Grades F-3 will be participating in a Bravehearts Personal Safety Show on Tuesday 12th February at 2.30pm in the Multipurpose Room. The purpose of 'Ditto's Keep Safe Adventure Show' is to teach children protective behaviours in a non-confrontational, fun and engaging fashion. Bravehearts' Education teams deliver the show's messages into schools, day care centres, shopping centres, sporting clubs and other facilities (relating to the care of children) to provide students, parents, teachers, carers and the general community with specialised child sexual assault awareness and education.

'Ditto's Keep Safe Adventure' Education Program aims to continue communicating essential personal safety messages and works tirelessly to reach children across Australia. Since reaching the 200,000 safer kids milestone in March 2012, the amount of children that have seen Ditto continues to grow.

The show's main contents address:

- * Yes and No Feelings
- * Private Parts and Privacy
- * What to do if you feel unsafe or unsure
- * Warning Signs
- * It's OK to say NO if you don't feel safe
- * Scared and Yucky Feelings

No permission forms will be sent home for this show – please contact the office if you would prefer your children to not participate in this performance.

3. Borrowing Agreement - MARC Van (Library)

At the last School Council meeting, we endorsed a borrowing agreement for 2019 and beyond. This relates to the prompt payment of lost or damaged resources by the required date, or a borrowing suspension will take place. As a result, all families are asked to sign a borrowing agreement before the first Library session – Wednesday 13th February.

The MARC service to rural schools in our area provides a valued and important service to children in small schools. The service provides access to a wider range of learning resources than would otherwise be the case to both teachers and students and overcomes some of the disadvantages of size and rural isolation. Teaching sessions focus upon literature, information skills and technologies with access to a large school library.

Participating schools pay a per capita levy to the MARC Service for the purchase and maintenance of stock. The Committee of Management of the Congupna based MARC Van requires that individual schools take responsibility for the cost of books and materials that are lost or damaged. This cost will be passed on to the families of students who have lost or damaged books.

- \$25.00 Hardcover.
- \$12.50 Softcover.
- Teaching materials at cost value.

4. Student Information - URGENT

A number of forms have gone home to all families to be filled out, signed and returned. These forms are essential for the general operation of the school and it would be appreciated if these are returned by this Friday. A summary of the forms is below:

- Parent Payment Charges – F/1, 2/3, 3/4, 5/6 – fill out and return
- Child Safe Code of Conduct (renewed annually)– Please sign if assisting with any school activities this year – reading, breakfast club, munch n crunch, fundraising...etc
- Green Confidential Student Information Details & Consent Form – fill out and return
- Asthma Action Plans for relevant families – please collect one at the Office if applicable
- Chaplaincy Consent Form
- MARC Van Borrowing Agreement

5. Information Evening

An Information and Meet the Teachers evening will be held at school this Tuesday, 12th February from 6pm - 8pm (a BBQ will be available from 5.30pm – sausages in bread; no cost). Teacher information sessions will begin at 6pm (2/3), 6.30pm (5/6), 7.00pm (F/1) and 7.30pm (3/4). We are expecting each session to go for approximately 30 minutes and class information will be sent home with families. All families are encouraged to come along to this night. We are making available four separate times so that there are no clashes with different grades. To assist with catering please contact the school by phone.

6. Chaplaincy Consent

Tallygaroopna PS is very fortunate to be able to implement the National School Chaplain Program again in 2019. We have been involved in this program for the last 4 years and the aim of the NSCP is to support the emotional wellbeing of students by providing pastoral care services and strategies that support the emotional wellbeing of the broader school community. Chaplains support the emotional wellbeing of students by providing pastoral care services and strategies that support the emotional wellbeing of the broader school community. They work closely with wellbeing and allied health staff in schools to support students and their educational outcomes, staff, families and the wider school community.

Specific information is available on our school website - <http://www.tally-ps-3067.vic.edu.au/page/196/Chaplain-Program>

7. Conveyance

The Conveyance Allowance Program (CAP) is a form of financial assistance to help families in rural and regional Victoria with the cost of transporting their children to their nearest appropriate school or campus.

Depending on how a student travels to school, an eligible student may be granted a conveyance allowance based on:

- the least expensive public transport fares and/or
- a distance based allowance when travel is by private car or private bus.

Parents applying for the allowance are required to complete an application form – contact Karen if needed.

8. Late Pick Up – OSH Care

No child is to remain in the program after 6:00pm. If parents suspect that they will be late, they must contact one of the approved, alternate people nominated on their child's enrolment form and have them collect their child before 6:00pm.

A penalty fee of \$5 per 10 minutes per child will apply if children are not collected by 6:00pm.

When a child is left in the program after 6:00pm, the Coordinator shall take the following action:

- ring parents/guardians
- ring emergency contacts

If no contact can be made to either of the above, then a member of the OSHC Committee shall be notified to attend the OSHC Program. If contact cannot be made to parents/guardians or emergency contacts after 1 hour of closure, police shall be called. A notice shall be left on the door of the Program notifying where the child has been taken and/or who the parent needs to contact.

9. Student Headphones

Please ensure that if you are supplying your child's headphones at school this year that they are labelled and sent to school this week.

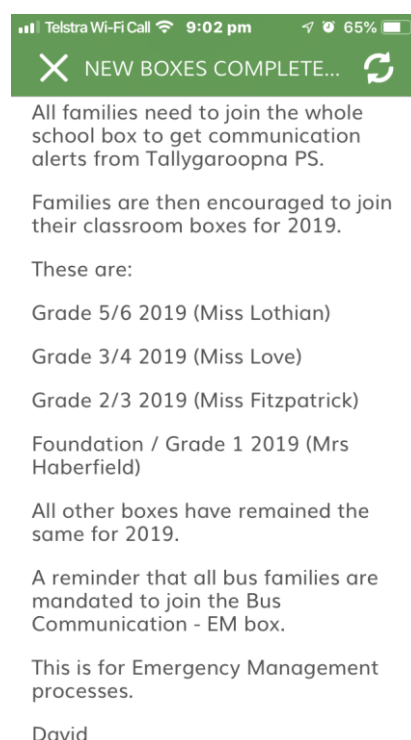

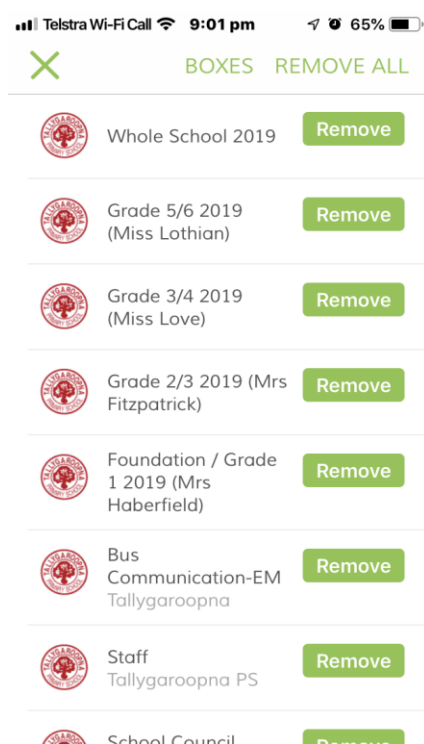

10. Parents' Club Meeting

The next Parents' Club meeting will be held on Monday 18th February at the beginning of the day. All are welcome and we look forward to seeing some new families help out with this great school community group. We are also looking for new and exciting ideas.

11. Flexibuzz Communication

To aid communication between our school and the home we will continue to use an application, which is available on computers and mobile devices called Flexibuzz. This is a school app and business program designed for newsletters, calendar events and marketing information. The school app includes an instant message service to alert when new information is available while the business program will notify customers of new releases and events. It would be appreciated if all families could download this ASAP so that immediate alerts go directly to everyone.

The first full week for Foundation students will begin on Tuesday 12th March – extra days can be negotiated if needed.

13. School Council

With the new Education Department Guidelines specific items need to be itemised hence some minor differences between fees for different year levels. These fees do not include excursions (except for the grade 5/6 Science Program at Shepparton High), swimming, camps or bus fees (for applicable families). Excursions are estimated to be \$50 to \$70 for Foundation to Grade 4 and \$60 to \$100 for Grade 5/6.

Confidential Student Information

A green Confidential Student Information form has been sent home. This form acts as a quick reference for the staff on excursions and ensures that the school has up-to-date information and signatures for a variety of issues and programs. Could this form please be filled out (please ensure both sides have been completed) and returned to the school office as soon as possible.

The Child Safe Standards are compulsory minimum standards for all Victorian early childhood services and schools, to ensure they are well prepared to protect children from abuse and neglect. The standards provide a framework for schools to review existing policies and practices and all other aspects of child safety, to ensure a 'zero tolerance' approach to any form of child abuse. You can access our policy on the school's website.

It would be appreciated if **all volunteers in the school sign the Child Safe Code of Conduct annually.**

Rationale:

- A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code.

Aims:

- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school in the community.

Implementation:

- After consultation with the school community and the Student Representative Council, School Council has developed a Dress Code that we believe provides choice for the students, allows for students to safely engage in the many varied school activities, and caters for the financial constraints of families.
- The Dress Code applies during school hours, while travelling to and from school, and when students are on school excursions. Change to this is subject to the Principals discretion.
- Summer and Winter uniforms, as well as a sports uniform will be prescribed, and are required to be worn.
- Stud earrings and sleepers worn in the ears, plus watches are the only acceptable jewellery.
- Extreme hair colors and/or extreme hairstyles are not permitted.
- Enclosed shoes must be worn at school.
- Other than clear nail polish, cosmetics may not be worn at school.
- The only head wear that is acceptable is Sunsmart hats consistent with our Sunsmart policy. They must be worn outside from September until the end of April. Hats are not to be worn inside.
- From May until the end of August, school beanies and scarves are permitted to be worn outside.
- The Parents Club will accept good quality second hand uniforms, and will operate a second hand uniform store for parents.
- The student Dress Code, including details of uniform items and places of purchase, will be published in the newsletter at the start of each year.
- School Council requires the Principal be responsible for implementation of the Dress Code in a manner consistent with the Student Code of Conduct.
- Parents seeking exemptions to the Dress Code due to religious beliefs, ethnic or cultural background, student disability, health condition or economic hardship must apply in writing to the principal.

Evaluation:

- This policy will be reviewed as part of the school's three year review cycle and feedback will be sought from the School Community.
- This policy was updated and endorsed by School Council on Wed 17th Feb 2016.
- These policies will be implemented in accordance with our **Student Engagement Policy**.
