SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone

Hopefully, everyone backed a winner in the Melbourne Cup yesterday! In this edition of the newsletter, we have finally announced our classroom staffing for 2019. A big thank you to everyone for being patient with this. Unfortunately, we say goodbye to Mr Flood and welcome Tahnee Fitzpatrick to our workforce for the new year. More formalities will occur before the end of the year in regard to new and exiting staff and families, but obviously some major changes are evident with what is in place for the future. These have been made in the best interests of the whole school and I am sure that families will continue to be supportive of these.

I can formally also announce that we will be continuing with our Chaplaincy Program for 2019. Our funding has been extended for a further 12 months and Mr Hosking has kindly accepted this role again for the new year. Over the last 2 years, John has made an invaluable contribution to our school and we look forward to seeing this work continue as he goes about supporting our whole school community in a variety of ways.

Our third Orientation Program for 2019 Foundation students, will be held next Tuesday and our new little ones will have an opportunity to be at our school for most of the day this time. They will have lunch and afternoon snack with us before their parents will collect them at 1.55pm. These times will be the same for the 4th day before our new students spend the whole day with us on the state-wide Orientation Day.

The Grade 5/6 Camp is going ahead as planned and students received some specific forms about this earlier in the week. Can these forms be returned by next Friday at the latest please – we hope to get more information out to families before the end of the week.

In this edition of the newsletter, there is also some specific information concerning the Colour Run, Bug Blitz excursion and the Yachting Program. The latter will be held on Monday 12th November – we are in need of help with transport for this day so if you can help please contact the school. Our end of year excursion to Whittlesea Fun Fields is also not too far away and we hope that more details will be in the next full edition of the newsletter. Do not hesitate to contact the school if any clarification is needed.

At the last School Council meeting, we also endorsed school fees for 2019 and discussed costs for our school bus. The latter will remain the same, but some alterations are evident in school fees. These will all be itemised as per normal in formal letters, which are sent home to all families in the new year.

I look forward to catching up with some parents at the Colour Run on Friday.

**The next Parents' Club meeting will be held
on Thursday 29th November at 9am.
All are invited.**

**School fees are due now.
Can any other outstanding payments for
excursions, camps, etc be paid for ASAP please to
assist with end of year processes.**

**Random Act of Kindness:
No givers this week because of the Melbourne
Cup public holiday yesterday. Well done to the
previous givers – Declan J, Kade W and
Bethany.**

**We will be having an informal Remembrance
Day ceremony at school on Friday beginning
at 10.55am.**

**Grade 3 families are encouraged to contact
the Principal in regard to grade placements
for 2019. If you intend to not be at Tally PS
next year – please let us know as soon as
possible.**

**Colour Run consent forms are required by
Friday. Students will not participate in this
event if no formal consent is provided.**

SHEPPARTON EDUCATION PLAN - PHASE 4 UPDATE FOR SCHOOL COMMUNITIES

This is an update regarding the Shepparton Education Plan, in particular the secondary school component of this project.

All families with students in years four to ten should have received a copy of the Master Plan for the new secondary school recently. This brochure provides an image of the Master Plan for the school and some information regarding the proposed design.

We understand that families will be seeking regular updates regarding the Shepparton Education Plan and we are committed to providing these.

There are some Frequently Asked Questions on the Engage Victoria website which we will continue to update as the Shepparton Education Plan progresses.

The current Frequently Asked Questions provide information regarding the House model, transition for students, transportation arrangements, and school uniform. We are working hard to progress further with other aspects of the school's design which will incorporate not just the infrastructure; but also the school house model, educational and curriculum design, and an integrated student health, wellbeing and support approach.

<https://engage.vic.gov.au/SheppartonEducationPlan>

The most frequently asked question from the community has been regarding the logistics of managing the students on one campus. With the release of the Master Plan we have been able to represent how this will look more clearly through the House model which will be a number of multi-storey buildings across the site. This model has been used at a number of schools throughout Victoria with great success, particularly at Dandenong High School.

We have also developed a short video regarding the Shepparton Education Plan – available here.

<https://youtu.be/il6T3C5eNCo>

The Shepparton Education Plan is an opportunity for schools, families, education providers and community agencies to be involved in a transformational project to improve educational outcomes for our young people in an inclusive and supportive environment. I encourage you to participate in future community and/or school engagement activities, and check the above website regularly for updates.

Best regards

New Teaching Staff for 2019 – Grade 2/3

Hello Tallygaroopna students, staff and community. My name is Tahnee Fitzpatrick. I am currently living in Echuca however I grew up in Beechworth. I have also lived Bendigo during my time studying at university.

After completing university followed by a year of Relief Teaching, I moved to London for two years where I taught a Grade 2 and a Grade 1 class. During school holidays, I love to travel to nearby countries mainly in Europe – my favourites being Morocco, Turkey, Italy, Scotland and Ireland.

In my spare time I enjoy reading – my favourite books are the Harry Potter series, finding and cooking new recipes, going for walks, Zumba and Pilates classes, listening to live music and of course travelling!

I am currently teaching a Prep class in Yarrawonga and am looking forward to beginning a new teaching journey closer to home and being involved in a smaller school community.

It's Not Cyberbullying, But ...

From grieving to ghosting, online aggression can take many forms. The following article will inform you about all the various forms of online behaviour that don't necessarily fit the definition of cyberbullying, but can definitely cause some hurt amongst our young people.

1. Teaching Staff - 2019

We have finalised classroom staffing for 2019 and these appointments are made in the best interests of our whole school. Families of Grade 3 students are now encouraged to speak to Mr Brodie if needed in regard to specific placements for next year. Student grades will be finalised by Monday 3rd December. Classroom staff is summarised below:

Junior Unit

Foundation / Grade 1 – Mrs Claire Haberfield

Grade 2/ Grade 3 – Mrs Tahnee Fitzpatrick

Senior Unit

Grade 3 / Grade 4 – Miss Del Love

Grade 5 / Grade 6 – Miss Liss Lothian

We will be looking to finalise our Specialist subjects over the next few weeks – stay tuned for more announcements in the near future.

We will be beginning the new year with 84 students which is a great result for our school. Therefore, we will be having a 4th classroom again in 2019 and we are currently working on grade placements which we hope to confirm in the next couple of weeks. The grade structure for 2019 will be the following, but class numbers may change with any future alterations to enrolments.

Junior School

Foundation / Grade 1 – 23 students

Grade 2 / Grade 3 – 19 students

Senior School

Grade 3 / Grade 4 – 19 students

Grade 5 / Grade 6 – 23 students

We are very pleased that we can again offer low classroom sizes across the whole school. This will obviously make our school an attractive learning environment for the future.

2. Policies Endorsed

At the last School Council meeting, we were able to endorse the following policies. These were made available to the school community and feedback was sought via Flexibuzz. All of these policies have been uploaded onto our school website for parents to refer to if needed.

1. Refund Policy
2. Complaints Policy
3. Social Media Policy - Staff
4. Social Media Policy - Parents & Students
5. Parent Disputes Policy
6. Diversity & Inclusion Policy
7. Volunteers Policy

3. School Fees

These have been approved at School Council and are summarised below – some minor changes have taken place for 2019, with the exception of the Grade 5/6 fees which include the Science Program bus costs which will be implemented at Shepparton High School in terms 1, 3 and 4. With the new Education Department Guidelines specific items need to be itemised hence some minor differences between fees for different year levels. These fees do not include excursions (except for the grade 5/6 Science Program), swimming, camps or bus fees (for applicable families). Excursions are estimated to be \$50 to \$70 for Foundation to Grade 4 and \$60 to \$100 for Grade 5/6.

<u>Foundation</u>	<u>Grade 1</u>	<u>Grade 2 / 3 / 4</u>	<u>Grade 5 / 6</u>
\$182	\$153	\$155	\$234

4. Colour Run

Specific details are again in this edition of the newsletter. Participating students should bring along an old towel, change of clothes and plastic bag (for the trip home). Students who do not wish to participate in the Colour Run are welcome to complete the obstacle course prior to the Colour Run if they wish. A consent form must be returned to allow students to participate and there are some recommendations for eye protection. The school accepts no liability for any injuries, which may occur during this event, which will be this Friday, 9th November. The Grade 3-6 students will be having their run from 2.10-2.40pm, followed by the F-2 students and younger children (ie: Kindergarten) from 2.40pm-3.10pm. We are hopeful that we may have one or two special guests at our day! The Shepparton News will also be out to take photos.

5. Accident Insurance - reminder

Our school does not have an accident insurance policy to cover student injuries or ambulance transport. A reminder to parents and guardians that they are responsible for paying the cost of medical treatment and ambulance attendance/transport. We recommend all families arrange ambulance cover in case of emergency. There are also a variety of commercial insurance policies available that would cover accidents at school.

6. End of Year Excursion

Planning for the trip to Whittlesea Fun Fields is progressing well and we can confirm that this day will be held on Friday 7th December. Costs for this day will be confirmed soon and we anticipate taking a couple of school buses for this day.

Please book your spot now to avoid disappointment. The Fun Park is open from 10am until 4.30pm, so we anticipate leaving Tallygaroopna PS at about 7.30am and leaving at 4.30pm. We should arrive back at school by about 6.30pm. Alerts regarding arrival will be updated frequently via Flexibuzz.

This day is strictly for students of the school and parents / guardians. If families wish to bring other siblings, other arrangements will need to be made in regard to travel and entry to Fun Fields – but please consult with the Principal in regard to this. If anyone is attending but is not part of the school group – normal gate prices will apply. Students can be supervised by staff on the day if needed as well if parents / guardians are unable to attend – please let us know ASAP. Numbers will need to be confirmed by Monday 26th November.

7. Northerners Cricket

It sounds like cricket will be played at our school most Wednesday and Friday nights, which is fantastic. A reminder to our school community about respecting our school grounds and facilities (i.e. toilets) and for making sure that all rubbish is cleaned up when using the school facilities – bins will be available. Outside School Hours Care is still running until 6pm each day so nobody should be riding bikes in the school grounds while a school program is still being implemented for safety reasons.

We will be aiming to keep the school oval cut as best as possible and will be looking at mowing this every 2 weeks to enable the Northerners Cricket Club to use our facilities. If you can assist with this to keep costs to a minimum – contact Mr Brodie. Mowing the school oval is probably a 2 hour job which would be completed during school hours when the students are inside classrooms.

8. Memorabilia Raffle

The Parents' Club are organising this with thanks to Wayne Bemrose for offering to donate some items to the school again. Raffle tickets will go out soon and this will be drawn at the Christmas Concert on Monday 17th December.

9. Yachting Program

Information was sent home with the Grade 5/6 students a couple of weeks ago. Permission forms have now been sent home and need to be returned with payment by this Friday, 9th November – we will be aiming to confirm transport details on Friday also. Mr Brodie will be attending this program.

Specific details.

Date: Monday 12th November (1.15pm -2.45pm)

Venue: Shepparton Lake

Transport: To be confirmed (possibly parent helpers)

ASSEMBLY POINT: You will need to drive around the back of the lake on Tom Collins Drive past Aquamoves to the green sheds.

The cost is \$28.00 per student.

Students need to bring:

a pair of old sneakers to wear in the yacht and walking on land, bathers and towel, windproof jacket if cold, sunscreen, plastic bag for wet clothing, change of clothes and water bottle.

Personal Floatation Devices (PFD's) will be supplied by Yachting Victoria.

10. School Chaplaincy

Our school has been successful with funding for the 2019 Chaplaincy Program. We are currently finalising details for this program for next year, but we look forward to having John Hosking work at our school for another 12 months focusing on health and wellbeing for our whole school community – students, staff and families.

11. Bug Blitz Excursion

Mrs Haberfield's class will participate in an environmental education day at Loch Garry on **Friday 16th November**. The day will consist of a "bug blitz" session where the students will discover the local bugs. They will then break into smaller groups and rotate through some quick activities. The day will commence at 10.00am and conclude around 2.00pm. Permission forms will go home this week and there is no cost for this program as it is funded by the Goulburn Murray Landcare Network.

We ask that the students bring: *own food – lunch and a snack, hats & water. Sunscreen will be available at school.*

12. State Election

Our school will be used as a voting centre on Saturday 24th November. Voting opens at 8am on election day and we anticipate that the Multipurpose Room will be used for this day. Toilet facilities will be available on this day as well if needed.

13. Student Placements – Speech Therapy and Occupational Therapy

We are currently discussing some options in regard to extra support for some of our students in need. This would be in partnership with the Goulburn Region Preschool Association and the University of Melbourne. This would involve university students who are training to be Speech and Occupational Therapists working with some of our students. These people would be closely monitored by their supervisors. This could potentially be for a couple of days a week for up to 9 weeks.

14. Graduation Dinner / Grade 6 Cluster Lunch

Planning is taking place for the Grade 6 Graduation Dinner. We look like having this event at school in the Multipurpose Room on Tuesday 18th December. The dinner will involve Grade 6 students plus current and long standing staff at Tallygaroopna PS. The tea would be provided by the Parents' Club and would begin at 6pm (lasagne, salad and chips) and we hope that some of the Grade 5 students will be able to come to the evening and act as waiters (white shirt and black pants required). The whole school community is invited to the formal Graduation Ceremony which would begin in the Project Room at 7pm. We hope to wrap up the night by 8pm at the latest. More details will follow soon.

15. Bus Costs Proposal

All bus travellers for 2019, will soon receive a formal letter from School Council in regard to fees for bus use for next year – ineligible families only. This was introduced for the first time this year and School Council has endorsed the same costs for the new year. The school currently makes a large financial contribution in supporting families, so some changes are necessary in line with increasing costs. If you did not receive this letter, which will be sent by mail – contact the school and a new letter will be sent home immediately.

If you have not paid fees for bus use for this year – can you contact the school ASAP please.

Family Sliding Scale:

1st student = \$145

2nd student = \$125

3rd student = \$105

16. Australian Fitness Education Award

Over the next few PE sessions, students in Grades 5/6 will be participating in some running activities which are part of the AFEA. Good running shoes are required. This program focuses on individual fitness, flexibility and co-ordination. The aim for all students is to improve on their own performance over time. The testing is conducted over a few weeks and will indicate progress in relation to general fitness. If you would like to know more about this program please contact the school. It is now a major part of the Physical Education and Health Assessment for this year and results will be put into student books. All student results will remain confidential.

17. Contacting Staff out of School Hours

Please be mindful of contacting staff outside of school hours (beyond 5pm). This may involve text messaging, phone calls, Class Dojo and Flexibuzz. There has been a big push from the Department of Education in regard to staff and principal health & wellbeing and it is important that we all have lives away from the busy school day. We will also make an extra effort to do the same for our families, so that after work time can be devoted to families.

18. Grade 5/6 PowerPoints

The senior students will work on these a lot over the next few weeks. We will utilise many photos that are on the school server, but students new to our school are encouraged to bring in any previous school photos so that these can be scanned and then returned home. These PowerPoint presentations are an important component of the Grade 6 Graduation Night at the end of the year and reflect their time at Primary School, not just TPS.

19. Bring Your Own Device Survey

A survey has been sent home today to all families in regard to an optional Bring your Own Device Program for Grade 5/6 students in 2019. Please see Liss Lothian for more information. Please return the survey by 30th November.

20. Bus Travellers (2019)

Below is the current list for next year, if this is incorrect can you contact the school immediately please. We are still working on arrangements for the bus service for 2019. All families will be updated via Flexibuzz on a regular basis.

21. Grade 5/6 Camp

Medical, Parental Permission and Campers Agreement forms were sent home this week. Could these be returned by Friday 16th November please. We hope to get the final itinerary out ASAP along with any other specific information from Dookie PS. The camp is scheduled from Monday 10th December to Wednesday 12th December.

Students not attending this camp will still be required to attend school during this time. The State-wide Orientation Day will be held on Tuesday 11th December.

22. Staffroom – Parents (confidentiality)

We have been working hard on assessment and reporting so far this year. We are planning on focusing on Student Data during Semester 2. As a result, there is some confidential student data in the staffroom at present. We would appreciate all parents staying out of this room while this data is displayed.

We have also made a Data Wall to reflect our Maths Assessment for the Number Fluency Assessment (NFA), so please don't enter the staffroom unless given permission. Sorry for any inconvenience.

Football/Soccer Boot Bank

Northerners Soccer Club/Tallygaroopna Primary School have a collection of football boots that families have donated to be used by kids throughout the winter sport season. If anyone has any old or too small boots they would like to donate, please drop them in to the school office. As the 2019 season draws closer these boots will become available for families to borrow for the season.

It is little things like this which can help families get their children involved in sport plus reuse items which may otherwise find their way into landfill.

Remembrance Day

Poppies

Poppies are available
at the school office
for \$1.00 each until
sold out.

Formal information will go out in two weeks time in regard to:

1. End of year excursion - FRIDAY 7TH DEC
2. Christmas Concert - MONDAY 17TH DEC
3. Graduation Night - TUESDAY 18TH DEC

THE TALLYGAROPNA COMMUNITY will be hold a Wreath Laying Ceremony at the front of the hall in Tallygaroopna at 11am on Sunday the 11th November. **Please be at the Hall by 10.45am.** This event will commemorate 100 years since the end of WW1. Note: the Tallygaroopna Hall was built as a monument to those who served in WW1. I would like to especially invite any descendants of the soldiers listed on the plaque at the front of the hall. See photo attached.

There will be a cuppa and a small display of historical photos in the hall and a BBQ and other events in the park behind the hall. ph Trish Moss on 0427298288 or 58298255

Dear Parent/Guardian

RE: Tallygaroopna Primary School Colour Fun Run – Parent Consent

Thank you for your support with the *Tallygaroopna Primary School Colour Fun Run*. The event is only weeks away which is very exciting.

It is our responsibility to seek permission for your child to participate in the *Tallygaroopna Primary School Colour Fun Run*. All measures have been taken to ensure that this event is safe for all students.

There will be various colour powder stations throughout the course with two designated lanes – one for colour powder, the other with no powder. Your child can still participate in the event should you not wish for them to be sprayed with colour powder.

The staff will do their best to throw the powder at the torso, however wind and other factors can cause the powder to protrude on the face. We recommend that your child bring their own eye protection such as sunglasses or goggles.

The colour powder used in the event is non-toxic, biodegradable and environmentally friendly consisting of 98% corn starch and 2% food colouring. It will likely wash out of your child's clothing, however we recommend that your child wears a plain white shirt that you don't mind being coloured. That's what the event is all about!

Based on the toxicology profiles of the powders used, their concentrations in the formulation and the mode of use, the colour powder is considered safe for use. Students with lung issues such as asthma or have allergies are advised to be careful in their decision to participate.

Should you wish to view the ingredient listings and toxicology risk assessment of the powder, please see the staff in the Office.

Get ready for a **BLAST OF COLOUR**, and thanks in advance for your support! Happy fundraising!

The Child Safe Standards are compulsory minimum standards for all Victorian early childhood services and schools, to ensure they are well prepared to protect children from abuse and neglect. The standards provide a framework for schools to review existing policies and practices and all other aspects of child safety, to ensure a 'zero tolerance' approach to any form of child abuse. You can access our policy on the school's website.
