## News from the Principal's Desk

Hi everyone,

Last week was an eventful one with some great extra curricula activities taking place. On Tuesday, the Grade 2/3/4 students were lucky to get some good weather and participate in the T20 Cricket Tournament at Shepparton. Both girls and boys teams did a great job in the heat and I was extremely proud of the girls, whom many had never played cricket before. To win their final game of the day was a great achievement. The boys, under the guidance of Andrea Walker, were very competitive all day and were able to knock off Guthrie St. PS in the final, winning by a single run. What a game and what an effort by all of our kids. Special thanks to all the parents who assisted with transport and came along to support the children on the day.

Our End of Year excursion to Echuca was a success despite the unpredictable weather and many photos are in this edition of the newsletter. It is always great to see all of the families attend this day and interact with their kids and I look forward to another big excursion in December next year. I welcome any feedback in relation to this.

Tomorrow is our Orientation Day and I wish all of the Grade 6's a rewarding day at Wanganui Secondary College. Our new Preps will be at our school for the whole day also and I look forward to seeing them start to build relationships with the other children at our school. Our final excursion for the year is at Aquamoves on Thursday as well - please return permission forms before this day.

Last week all individual children received an Enrolment form for After School Care (OSH) and it is imperative that all families fill these in for each child. This will enable all children in the school to be part of the program if needed. **This is a requirement before all families book a casual or permanent place - no children can participate in this care unless this is filled in.**

Finally, school reports go out on Monday in sealed envelopes and staff are available for an informal interview if needed. Feel free to contact the office if needed to organise a day and time. Have a great week everyone. Karen will be at the office until Thursday as always if any matters need addressing. I will be away on Friday at a Principals Meeting unfortunately.

This will be held in the new school kitchen straight after assembly from about 9.15am to 10am. Could families bring a plate to share if possible and tea and coffee will be provided.

**THE LAST PLAYGROUP FOR THE YEAR WILL BE HELD ON THURSDAY 19<sup>th</sup> DECEMBER. WE LOOK FORWARD TO THIS GROUP CONTINUING IN 2014.**

**A Brochure and Enrolment Form went home for After School Care for all children last week. This must be filled in by all families before being enrolled in this program before the school holidays. These 2 documents can be downloaded from our school website - [here](#)**

**I BELIEVE**  
**in Christmas**

**Hello!**

Christmas is all about giving ... Giving love and affection, giving thoughtful presents and of course helping those less fortunate than ourselves.

Christmas 2013 will be no exception as **96 9Star FM** dusts off our Christmas hats and teams up with the **Salvation Army** again, to run a massive toy drive for under privileged children to make this festive season a little brighter for everyone.

From **Monday 18<sup>th</sup> of November through to Friday 13<sup>th</sup> of December 2013**, Star FM will be opening the studio doors and asking the people of the Goulburn Valley to donate new toys, for those less fortunate, with the **I Believe in Christmas Toy Drive**.

Star FM would love for your school to help out with the appeal by spreading the word in your school newsletter and encouraging families to make a donation to the **I Believe in Christmas Toy Drive**.

The kids and school will be thanked on-air, and your school could also receive a visit from **Star FM's Tommy and Candy** to pick up all the toys and meet the little heroes making all the difference.

Star FM hopes you can come on board and support this worthy cause.

Please contact Reginna Vasi for more information and to confirm if your school can help! - 5831 3969 / [reginna.vasi@sca.com.au](mailto:reginna.vasi@sca.com.au)

**THE SALVATION ARMY**

LAST YEAR FAMILIES MADE A DONATION TOWARDS THIS CAMPAIGN OF ANY AMOUNT THEY THOUGHT WAS APPROPRIATE AND THE STUDENTS DID A JOB AT HOME IN RELATION TO THIS. WE WILL IMPLEMENT THIS AGAIN AND THEN MRS HABERFIELD WILL PURCHASE SOME NEW TOYS FOR THIS CAMPAIGN.

### **1. Grade 6 Scholarship Applications – DUE FRIDAY**

Spade Computers has kindly offered a Scholarship for a Grade 6 student to the value of \$500. All students are encouraged to submit an application which will need to be given to Mr Brodie by Friday 13<sup>th</sup> December. The Scholarship will be awarded to the student on Tuesday 17<sup>th</sup> December at the Christmas Concert / Graduation Night and presented by David Steigenberger from Spade Computers. A lot of consideration has been made in regard to making this process fair for everyone, but to make it meaningful only one award will be given. Staff at school will have the hard task of selecting the recipient of this scholarship and Spade Computers will be involved in the decision process as well. We hope this partnership may continue for years to come.

The application should be between 250 and 500 words and typed up. The application should be completed at home and students will need to follow the guidelines below:

Application:

1. Comment on your time at Tallygaroopna Primary School.
2. Comment on what have been your highlights at Tallygaroopna Primary School.
3. Comment on what makes Tallygaroopna Primary School unique.
4. Comment on how you have demonstrated behaviour and a work ethic that reflects our school values of Respect, Honesty and Inclusion.

All grade 6 students received a formal letter in relation to this.

### **2. Class Structures for 2014**

Next year again promises to be a very exciting one at Tallygaroopna Primary School. We anticipate starting the year with 47 students, with the aim of building on this for the future. We will continue to provide well-structured and resourced literacy and numeracy blocks along with a variety of specialist subjects as well. Art, Library, LOTE (Italian), Science, Information Technology and Physical Education will continue to be implemented.

Next year, we will be still keeping our 3 grades and I will continue teaching in a Full Time capacity.

Prep / Grade 1 – Mrs Wallace (12 students – 7/5)  
Grade 2/3/4 – Mrs Haberfield (21 students – 11/8/2)  
Grade 5/6 – Mr Brodie (14 students – 10/4)  
School Business Manager – Mrs Armstrong

Science – taught by all class teachers  
Bounce Back – taught by all class teachers  
Information Technology – Mr Brodie / Mrs Haberfield  
Physical Education – Mr Brodie / Mrs Wallace

We hope Library will continue to be held on a Thursday, with Art also on a Friday – to be confirmed. These days will alternate each week.

### **3. School Reports**

As stated previously, school reports will be distributed in sealed envelopes next Monday. If parents would like some more feedback about individual student performance at school feel free to contact class teachers to arrange an informal meeting once reports are distributed to families. Teachers spend a lot of valuable time putting these together so please take the time to read these before the school year ends. Remember that these reports can be placed in the green report folders which every student at school should have.

The report cards have:

- a chart with an A-E rating, showing your child's current progress against the expected state-wide standard as well as the progress they have made since the previous year
- a chart showing your child's level of effort and class behaviour
- details about attendance
- easy to understand comments from teachers outlining what your child knows and can do, any areas in which your child needs to be given further help or extended, and how this will be done
- suggestions for how you can help at home

#### **4. End of Year Excursion**

A huge thank you to the many families who attended the Echuca excursion and helped with supervision. This was an enjoyable day considering the fluctuating weather. Consultation will take place early next year in regard to the 2014 excursion, but at this stage we hope to perhaps do something different. Feel free to give the staff any feedback in regard to the day and we will take this on board when we begin planning next year.

#### **5. Shirt Signing – Grade 6**

Only Grade 6 students will have an opportunity to sign some of their school shirts if they have **written permission by their parents. This will need to be handed into Mr Brodie.** This will occur on the last day of school in the morning and all shirts to be signed should be placed in a plastic bag. The last day of the year is a Causal Day so no school uniforms will be required on this day. Please take into consideration if you would like to use these uniforms into the future. The day gives students the chance to take away a souvenir from their time at Primary School – not compulsory.

#### **6. Grade 5/6 Class**

Grade 5/6 students have decided to participate in Kris Kringle for Christmas. These will be handed out to students on the last day of school – Friday 20th December. Details are below:

- Presents can be things you have at home, which you don't use but are wrapped and not opened. The other choice is to buy something.
- Minimum limit of about \$10. You can spend more if you wish – personal choice.
- Try and get something suitable for the person you have drawn – Mr Brodie has details about this.
- Who you draw out should remain secret to add a little bit of fun.
- You can tell them if you like when they receive their present.
- You can add your own flavour to this – poem, photos, stories, funny moments
- To make it fun as well – you can over the next couple of weeks give them little treats (small lollies, toys, treats). You will need to be sneaky and clever with this.

Our Final Spelling and Tables Test was held today. The Big Spelling Test will be held on Wednesday 11th December. There will be no homework and tests for the last week of school. Home Reading is still strongly encouraged. Next week we will have our Class Party on Thursday 19th of December (a movie will be included – either G or PG) and Grade 6's will have an opportunity to sign shirts for souvenirs on the Friday – last day of school.

#### **7. 2014 Preps**

During the month of February, students in Preps will not attend school on Wednesdays. The first full week will begin in the week starting Monday 3<sup>rd</sup> March. All students will be required to attend school on Thursday 30th January.

#### **8. Senior Playground**

Last week at assembly, we discussed safe play on the school playgrounds. During the last few weeks, some children have been playing inappropriately on both the senior and junior playgrounds so this was discussed at length. As a result, to ensure everyone is safe at school students from **Prep – Year 2 will not be allowed to use the yellow slide, platform, climbing wall and red curled entry to the platform.** They are strongly encouraged to use the Junior Playground area which is next to the cubby house. This is in line with the Guidelines for School Playgrounds so could this be reinforced at home please. We are in the process of getting some signage in regard to this as well.

Guidelines for School Playgrounds - 3.5 Height of fall

The 'height of fall' is the greatest distance between a part of the equipment to which a child has reasonably foreseeable access and the playing surface of equipment beneath. This should not exceed 2.5 metres. It is appropriate to reduce the distance, particularly when younger children may be involved. A separate play area for students in Prep to Year 2 may be desirable where a maximum fall height of 1.5m is considered preferable.

#### **9. Orientation Day**

On Tuesday 10th December, it is the State-wide Orientation Day. Students will be in their new grades for 2014 for the whole day – including new Preps for 2014. Good luck to our current Grade 6 students who will attend Wanganui Park SC for the whole day and utilise the bus for transport as well.

**Bev Montgomery, our Uniform Coordinator will be at school on Orientation Day, 10th December to help our 2014 Prep student parents with uniforms. An order will be put through after this day so if anyone wishes to order uniforms could they please place an order before this date.**

#### **10. Bus Service for 2014**

I am currently in the process of organizing the new bus route for the start of 2014. This takes some time to organize and I will be contacting families over the holiday period to inform them of specific times and drop off and pick up points.

**Currently, I have the following students wishing to use the bus for the beginning of 2014. Unfortunately, we are unable to get a larger bus for next year, so I will be discussing this issue with some families this week because there are only 21 available seats on our school bus.**

|                                 |                             |                                |
|---------------------------------|-----------------------------|--------------------------------|
| Kyle Montgomery                 | Mikayla Church              | Nicolas Church                 |
| Matthew Church                  | Bill Klein                  | Dan Klein                      |
| Jade Klein                      | Harvey Walker               | Eloise Walker                  |
| Lilly Walker – <b>New Prep</b>  | Liv Burgess                 | Daniel Collins                 |
| Leah Collins                    | Zoe Collins                 | Josh Collins – <b>New Prep</b> |
| Lachie Mawson – <b>New Prep</b> | Kelsie Dempster             | Ryan Voss                      |
| Brooke Voss                     | Beau Voss – <b>New Prep</b> | Zane Brown                     |
| Brittany Meyland                | Jake Buckland               |                                |

If any of this information is incorrect, could you contact me ASAP so that the bus run can be finalized and organized without any problems. Mr Brodie

#### **11. Outside School Hours Care**

At our last School Council meeting, it was decided that we would implement Outside Hours School Care next year. We are still in the planning stages at present, but we are looking at supporting families from 3.30pm until 6pm from Wednesday until Friday for the 2014 school year. **This announcement is a fantastic one for our school and we hope that it will be a success next year and hopefully financially viable for years to come.** If anyone can help out in any way with this program feel free to contact David Brodie at school.

We have made formal Provider and Service Approval Applications and we are now awaiting a formal interview in regard to the program.

**ENROLMENT FORMS MUST BE RETURNED FOR EACH STUDENT BEFORE THEY CAN PARTICIPATE IN THIS PROGRAM AFTER SCHOOL HOURS**  
**– WEDNESDAY, THURSDAY AND FRIDAY.**

#### **12. Term Dates - 2014**

These dates have now been confirmed at School Council. Please keep these in a handy spot as you may wish to book your family holidays during the school holidays. All staff at Tallygaroopna PS will be involved in First Aid Training on Tuesday 28<sup>th</sup> January and the following day all staff will be involved in a Planning Day for the start of the School Year. As a result, all students will start on the Thursday.

### **13. Cluster Swimming Day – change of venue**

The final Cluster Day will be held on the Aquamoves Pool on Thursday 12<sup>th</sup> of December. **Permission forms went home last week and must be returned before the day. The cost for the day is \$5 which covers entry to the pool and the bus.** As always, excursions are a privilege not a right to attend and behaviour and attendance will be closely monitored before the event. We will leave school at 9.30am and should return back to school by 2.30pm. The kiosk will also be open for the students throughout the day so some extra money can be brought along if needed.

### **14. AASC Program**

Our Active After School Program concludes tomorrow – Touch Footy. On behalf of the school community, I would like to acknowledge Andrea Walker for her assistance throughout the whole year as our program supervisor and for Jill McFarlane and Gillian O'Brien for assisting when needed. Your support is really appreciated and without this, fun and enjoyable programs would not be able to be implemented. We look forward to parental support again next year.

Last week's participation award was handed out to Jordan – free icy pole.

A reminder that school hats are always required during this after school program.

The program for 2014 has been finalised:

We had bike education with Mrs Montgomery. It was fun. The grade 6 went on a bike ride to Zeerust primary School.

In Term three we went to watch Sweet charity. It was at south bank. Wanganui did the play. We had winter sports as well. I played footy. I think we won 1 game out of 4. We also started table tennis with Mrs O'Brien. It's fun.

# Highlights 2013

## Term 1

Firstly I picked Aquamoves. I thought it was a good chance to meet new friends and also I had a lot of fun swimming. The other schools that went were Lemnos, Congupna, Katandra West and Wunghnu. My second pick I liked was the first munch and crunch. It was the summer themed. It was very yum. My favourite thing was the frog in the pond. Lastly I liked the athletic sports day. I got 8 ribbons. I made it to zone but I had tonsillitis so I could not go.

## Term 2

I really liked urban camp. It was amazing going around to places I have never been before. It was basically a holiday. It was a grade 5/6 camp except a couple of grade 3/4s from Wunghnu came. But it didn't matter because that fitted in quite well. The next highlight for me was grandparent's day. my grandma came. It nice showing her around the school and showing her old pictures of me. My last one has to be young leaders day. I liked it because I made new friends and I got a real feel for the school.

## Term 3

My first one is sweet charity. It had an interesting story and also the singers were awesome. My next highlight is tree planting. It was held on Mr Tienlands farm. At the end we got hot chocolate and sausage rolls. I also really liked the reptile encounters. I got to hold a turtle and a big big python snake.

## Term 4

My one and only highlight is life Ed van. I got to learn about what makes your heart speed up and what makes it slow down. I was in Connors group.
