SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Dear parents, carers, students and staff

It is hard to believe – but there is only 3 weeks to go until the end of the 2020 school year. We have a busy few weeks ahead with school reports being finalised along with end of year activities being coordinated and we look forward to finishing December on a positive note.

It is pleasing to announce that some COVID-19 restrictions have been lifted and we can now welcome our families back into our school environment. These changes are summarised in this edition of the newsletter – please read these carefully and don't hesitate to contact the school if any clarification is needed. I can certainly appreciate how difficult it has been for families over the last few months and we look forward to having some form of normality back at school for the last few weeks of the year.

It gives me great pleasure to announce that Dee Palmer & Beck Wayman will be our OSH Supervisors beginning next year. Both of these staff members have kindly offered to run this service and I know that they will implement fun and enjoyable activities with children after school. I am hopeful that numbers will return to how they were pre COVID-19. Please support this program to enable it to be financially sustainable for the future.

In this edition of the newsletter, there is some important information in relation to the Parent Opinion Survey and also the BYOD Program. Thanks to the 27 families who completed the Parent Opinion Survey and we generally had some positive results – it was encouraging to see that Remote Learning had positive satisfaction of 81% although we understand that there were students who thrived and others who had difficulty with the program that was provided for a number of weeks.

Finally, the state-wide Orientation on Tuesday 8th December will now be a whole day program at Tallygaropna PS. This will enable our new Foundation students to spend a normal day at school and start their journey in a formal school setting. We will have a whole school assembly on this morning to welcome everyone to the school. Good luck to our Grade 6s as they begin their new challenge also.

Keep safe everyone – I will no doubt see you all soon, even it is via Webex! Don't hesitate to contact me if any clarification is needed.

David Brodie (Principal)

Welcome to our new OSH Care Staff for 2021 – you may know them!

Dee and Beck have kindly offered to implement OSH Care for 2021 – sharing this role after school. We are still working through the logistics for this and what it may look like. We are planning to do First Aid Training to assist with this service on Friday 4th December. We hope that this service will be utilised by families frequently to make this program financially viable for the future. A new enrolment form will be sent home with all families on Tuesday 8th December – it is mandated that this is returned for enrolment in this service.

BE YOU FACT SHEET

How does exercise affect mental health and wellbeing?

Physical activity promotes many aspects of child and adolescent development, including social and emotional skills, as well as physical development of motor skills.

It also supports mental wellbeing. We know that high levels of inactivity can lead to a greater risk of both physical and mental health problems.

Physical activity:

- can increase levels of serotonin and endorphins; the neurotransmitters involved in regulating and improving mood
- promotes sleep – which also helps regulate moods, increase energy levels and improve memory and learning
- increases the connections between the brain neurons, which improves memory and learning capacity
- pumps blood to the brain to boost mood, concentration and alertness
- promotes relaxation by reducing skeletal muscle tension
- provides children and young people with an outlet for excess energy and frustration, which relieves tension
- provides an opportunity for children and young to socialise and meet new people, reducing loneliness and isolation
- improves motor and cognitive skills, which boosts self-esteem
- distracts children and young people from negative thoughts.

These benefits also serve to improve classroom behaviour and promote a more positive learning environment.

The Child Safe Standards are compulsory minimum standards for all Victorian early childhood services and schools, to ensure they are well prepared to protect children from abuse and neglect. The standards provide a framework for schools to review existing policies and practices and all other aspects of child safety, to ensure a 'zero tolerance' approach to any form of child abuse. You can access our policy on the school's website.

1. Key Changes to COVID-19 Operational Guidelines from DET – Below are a number of key changes to COVID-19 operational guidelines from DET which begin on Monday 30th November.

- **Arrival and departure:** This will return to front of school only. Supervision will begin at 8.30am, with students moving to their classrooms at the 8.45am bell. In the mornings, staff will be preparing the day.
- **Physical distancing:** Students and families should not congregate at the school gate before or after school and will be required to maintain 1.5 metres between each other as far as is practicable at the start and end of the school day.
- **Graduation:** Our Graduation Ceremony on Tuesday 15th December at 7pm at school is now open to family members – further information will be communicated early next week.
- **State-wide Orientation Day at Tallygaroopna PS:** This will now be all day on Tuesday December 8th.
- **Face masks:** These are no longer required outdoors except where 1.5 metres physical distancing cannot be maintained. Individuals over the age of 12 must carry a face mask at all times.
- **Drinking fountains and taps will be reopened for normal use.** Taps will be flushed for a number of minutes before use.
- **On-site Access:** Parents can be welcomed back on site, for example for school drop-offs and pick-ups. To support contact tracing, we must keep a record of all staff, students and visitors who attend on-site for more than 15 minutes. Please use the visitor book at the office to do this. Parents should continue to schedule appointments with staff when required – use Class Dojo for communication.
- **School tours:** We can now conduct on-site school tours for prospective students and their families during operating hours, in accordance with gathering limits.
- **Illnesses:** Students with underlying conditions (such as hay fever or asthma) should still be tested for coronavirus (COVID-19) if they develop symptoms that are different to or worse than their usual symptoms. Parents/carers should also consider getting a medical certificate from the child's treating GP to confirm that it is safe for them to attend school with persistent symptoms that may overlap with some of the symptoms of coronavirus (COVID-19) such as cough or runny nose.
- **Assemblies:** These will continue via Webex each Friday, with some exceptions – communicated via Skool Loop.

2. End of Year Celebrations – As stated previously; our Christmas concert will not go ahead this year but we have started plans for some Christmas songs to be performed by each class along with a whole school performance. These will be available on one of our online platforms - there will be more details available soon.

3. Grade 6 Students: Orientation Day – The state-wide Orientation day is on Tuesday 8th December. Orientation days are being held for 3 out of the 5 schools (GSSC, Num SC, Ace) that our Grade 6 students are attending in 2021. Notre Dame and St. Mary's of the Angels are not having an Orientation Day on Tuesday 8th December. Students going to those 2 schools above will attend Primary School - Miss Love will take these students for the day while the rest of the school moves into new classes for 2021 with new teaching and support staff.

4. School Fees

School fees for 2020 are now due. These were itemised in the letter sent home at the start of the year. They are as follows:

Foundation - \$217 Grade 1/2 - \$170 Grade 3/4 - \$150, Grade 5/6 - \$155

These fees do not include excursions, swimming, camps or bus fees (for applicable families).

5. Parent Opinion Survey – Thanks to the families who completed this survey. A summary of the results from this feedback is below:

| Satisfaction with School Approach to Remote Learning | 81 | 7 | 11 |

6. BYOD Program – From 2019, Tallygaroopna Primary School has allowed its 5/6 students to bring their own iPads from home to support their learning in the classroom. As a school, we have determined that iPads are an effective learning tool that will facilitate our students' development of 21st century learning skills. Integrating iPads more readily, especially into the senior classroom, represents an exciting time for our school and students. Teachers are dedicated to ensuring that iPads are used as a tool to support and engage students in a safe and positive learning environment. More information regarding appropriate use and consent...etc will be sent home with Grade 4/5 students soon.

<https://www.tally-ps-3067.vic.edu.au/page/228/BYOD-Program---Grade-5/6>

7. Class Teachers 2021 – We have finalised classroom staffing for 2021 and these appointments are made in the best interests of our whole school. Placement notes for Grade 1 students will be sent home on Monday 30th November in anticipation for the state-wide Orientation day scheduled for Tuesday 8th December.

Classroom staff are summarised below:

Junior Unit

Foundation / Grade 1 – Mrs Claire Haberfield

Grade 1 / Grade 2 – Mrs Tahnee Fitzpatrick

Senior Unit

Grade 3 / Grade 4 – Miss Rebecca Rosevear

Grade 5 / Grade 6 – Miss Liss Lothian

We hope to begin the new year with 79 students. The grade structure for 2021 will be the following, but class numbers may change with any future alterations to enrolments.

Junior School

Foundation / Grade 1 – 13 students

Grade 1 / Grade 2 – 21 students

Senior School

Grade 3 / Grade 4 – 21 students

Grade 5 / Grade 6 – 24 students

8. Graduation Night – This night will go ahead on Tuesday 15th December and family members can now attend. There will be some modifications on this night in line with COVID-19 restrictions. We will be inviting all of our Grade 6s along with their fellow Grade 5s who can assist as waiters as we plan to still have a sit down meal with staff and students graduating on the night beginning at 6pm. The night will involve a formal type of ceremony as well at 7pm.

9. Bus Driver – Dyson Bus Service are looking for someone interested in bus driving work in the Tallygaroopna area. If anyone is interested please contact Dyson's Shepparton office on 58312150 for more information.

10. Staffing Update – We can now announce other staff at Tallygaroopna PS for the coming year. This has been a long process and unfortunately, we say goodbye to some wonderful staff who have made some great contributions to our school over the last few years. Most of these changes are because of budget constraints.

Staff for 2021

Education Support Staff – Dee Palmer, Beck Wayman

Specialist Staff – Bev Montgomery (P.E.), Jannah Tucker (Music)

We will also be utilising the MACC (Art) and MARC (Library) Vans. Welcome to Clark Pettigrew who will be doing the Art Program each fortnight. Katrina Campbell will be continuing with her Library Program for 201.

We hope to continue with Italian and Science in 2021 in some capacity and we are currently discussing plans how this will look in the new year.

The following staff will be leaving the school at the end of the year because of budget constraints –

Education Support Staff – Sarah Trimble, Stephanie Mansfield

Specialist Staff – Tamara Starbuck (Science), Frances Ceravolo (Italian)

As stated previously, Toni Marie Arnold will be leaving our OSH Care service. John Hosking has indicated that he would like to stay on for the first half of the year in 2021 – this is subject to funding from the Government, which we hope to have announced before the end of the year.

11. Reading Changes in 2021 – Miss Lothian and Mrs Haberfield have put together an introductory video explaining some changes to reading occurring at our school in 2021. These changes are being made so that our practices align with evidence-based research, rather than continuing to do what has always been done. In summary, we will be moving away from levelled take home books to decodable texts as this will better support our systematic phonics instruction in the junior classrooms. ***This video goes for 13 minutes and can be found at:***
<https://vimeo.com/474262268/077622399b>

More information will be shared before the end of the year. Please send any questions to Liss so that frequently asked questions can be compiled and answered - liss.lothian@education.vic.gov.au

12. 2021 School Fees – Parent Payment Arrangements for 2021 have been sent home to families and are available on the school website under Information < School Fees. These fees were approved at school council on 20th October, 2020 and are summarised below:

| | | | | | |
|------------|---|-------|-----------|---|-------|
| Foundation | - | \$215 | Grade 1/2 | - | \$150 |
| Grade 3/4 | - | \$135 | Grade 5/6 | - | \$140 |

Payment is not required until 2021 but we would appreciate payment by the end of term 1, 2021. As stated in the Parent Payment arrangements forms, these fees do not include camps, excursions, swimming, uniforms or bus fees (if applicable). For more information, please contact Karen Armstrong or David Brodie.

<https://www.tally-ps-3067.vic.edu.au/page/239/School-Fees>

13. Bus Travellers for 2021: Updated – Below is the current list for next year. If this is incorrect, can you contact the school immediately please – alterations will be ongoing depending on family needs. We are still working on arrangements for the bus service for 2021 and specific costs but we are hopeful of having two runs again. All families will be updated via Skool Loop on a regular basis.
