## News from the Principal's Desk

Hi everyone,

This is our last newsletter for the year. 2013 has been a very challenging but enjoyable one for everyone associated with Tallygaropna Primary School and there have obviously been many highlights throughout the year. On reflection, I would like to acknowledge our wonderful staff, students and parents who have made the year such a rewarding one and I cannot wait for what 2014 brings. I hope everyone has a safe and happy Christmas break and I look forward to catching up with everyone in the New Year.

This year, we say goodbye to some wonderful families who have been great members of our School Community for a number of years. As a result, we bid farewell to the following Grade 6 students together with their families – Teagan Brett, Harri Ring and Tyson Clough. We will also be saying farewell to Connor McNab, Brenton O'Brien and Abby Klein as they move onto secondary school. We hope that we are able to renew acquaintances with all of these families down the track – they are all part of our wonderful school and are always welcome.

Our School Christmas Concert / Graduation Night begins at 7.00pm tomorrow night and will conclude at approximately 8.00pm and I look forward to catching up with everyone on the night. This will be very informal with some carols and presentations to students and families who are leaving the school, before a surprise guest appears. A reminder about the BBQ at 6.20pm, please let us know if you are coming along early for this - for catering purposes.

A couple of weeks ago, all individual children received an Enrolment form for After School Care (OSH) and it is imperative that all families fill these in for each child. This will enable all children in the school to be part of the program if needed. **This is a requirement before all families book a casual or permanent place – no children can participate in this care unless this is filled in.**

Finally, school reports went out today in sealed envelopes and staff are available for an informal interview if needed. Feel free to contact the office if needed to organise a day and time.

Karen will be at the school all week until Thursday to attend to any matters that arise. I will be on a break from December 23rd until January 13th, but I will be in and out of school on most days in preparation for the New Year.

David Brodie (Teaching Principal)

A morning tea will be held on Thursday, 30th January 2014 to welcome new and existing families into the new school year. This will be held in the new school kitchen straight after assembly from about 9.15am to 10am. Could families bring a plate to share if possible and tea and coffee will be provided.

**THE LAST PLAYGROUP FOR THE YEAR WILL BE HELD THIS THURSDAY 19<sup>th</sup> DECEMBER. WE LOOK FORWARD TO THIS GROUP CONTINUING IN 2014.**

**A Brochure and Enrolment Form went home for After School Care for all children last week. This must be filled in by all families before being enrolled in this program before the school holidays. These 2 documents can be downloaded from our school website - [here](#)**

**Friday is a Casual Day. A Gold Coin Donation would be appreciated for each family. Dismissal is at 2.25pm.**

# We are eSmart

Our school is proud to announce we are now officially an eSmart school.

Since we first registered with the program, we have introduced many new policies and activities to improve the way our school manages cybersafety, bullying and cyberbullying.

We feel confident our students, staff and the wider school community are now well supported to be smart, safe and responsible users of digital technology.

We encourage everyone in the school community to continue to uphold and promote eSmart behaviours, at school and at home. If you are aware of any incidents of bullying, cyberbullying or risky online behaviour, please contact the Principal or our eSmart coordinator.

# Science Activity Morning

On Wednesday all students will be participating in their final science sessions for 2013.

The generously funded, State Government 2 year Primary Science program will conclude at the end of this year. The program has left the school with excellent resources and teaching materials to ensure that it is sustainable. The Science program will continue at Tallygaroopna with the classroom teachers now delivering this extremely worthwhile, hands-on, inquiry based style of learning science skills and concepts.

I would like to thank David Brodie and the other principals of the Shepparton Small Schools Cluster for having the foresight to apply for the funding for the program. The aims of the program were to raise the profile of Science in their Primary Schools, and to ensure that Science is taught effectively to all primary aged students. It has also provided me with the opportunity to attend training and deliver the program to the students, and to work with their staff to ensure they are suitably qualified to continue on with the implementation of the Primary Connections Science Program in the future.

It has been an exciting and busy role, however the support from the staff, the response from the students, and the development of their skills has ensured that it has certainly been a very rewarding, interesting and worthwhile experience.

On Wednesday morning starting at 9am, all students will be working in multi-age groupings and rotating through a series of fun science based activities. Parents and carers are very welcome to attend and join in.

**Students will need to bring along a small, clear, plastic bottle with a lid, sized between approximately 250ml and 500ml, for one of the activities. (Recycled water or pop-top type bottles are ideal).**

Congratulations to Taylah Groves and Jordan O'Brien who were winners of this colouring competition. We look forward to these two children receiving their prizes sometime this week.

## **4. I Believe in Christmas Toy Drive**

A huge thank you to the children of our school for participating in the "I Believe in Christmas Toy Drive" organised by 96.9 Star FM. The students raised a lot of money and we are in the process of purchasing a number of gifts for disadvantaged children. We are very pleased that the children either donated their own pocket money or did jobs around the house to raise their donation. Great job everyone!!

## **5. Orientation Days**

Last week, we had a successful Orientation Day at Tallygaroopna PS. The students moved into their new classrooms for the day and discussed timetables and programs for 2014. The Grade 6 students also had a very worthwhile day at Wanganui SC and by all reports, gained lots of valuable information.

## **6. Farewell to Year 6 Students**

Our Year 6 students are now ready to move into the next phase of their education. Their primary years will come to an end in the next few days and then they will begin to move into the teenage world at secondary school. I have every confidence that they will be the best they can be and more importantly that they will continue to be good people. They will always be welcome at Tallygaroopna Primary School and we hope to see all of the kids again in the not too distant future.

## **7. 2014 Foundation Students (Preps)**

During the month of February, students in Preps will not attend school on Wednesdays. The first full week will begin in the week starting Monday 3rd March. All students will be required to attend school on Thursday 30th January.

## **8. School Reports**

As stated previously, school reports were distributed in sealed envelopes today. If parents would like some more feedback about individual student performance at school feel free to contact class teachers to arrange an informal meeting. Teachers spend a lot of valuable time putting these together so please take the time to read these before the school year ends. Remember that these reports can be placed in the green report folders which every student at school should have.

The report cards have:

- a chart with an A-E rating, showing your child's current progress against the expected state-wide standard as well as the progress they have made since the previous year
- a chart showing your child's level of effort and class behaviour
- details about attendance
- easy to understand comments from teachers outlining what your child knows and can do, any areas in which your child needs to be given further help or extended, and how this will be done
- suggestions for how you can help at home

## **9. Shirt Signing – Grade 6**

Only Grade 6 students will have an opportunity to sign some of their school shirts if they have **written permission by their parents. This will need to be handed into Mr Brodie.** This will occur on the last day of school in the morning and all shirts to be signed should be placed in a plastic bag. The last day of the year is a Causal Day so no school uniforms will be required on this day. Please take into consideration if you would like to use these uniforms into the future. The day gives students the chance to take away a souvenir from their time at Primary School – not compulsory.

## **10. Grade 5/6 Class**

Grade 5/6 students have decided to participate in Kris Kringle for Christmas. These will be handed out to students on the last day of school – Friday 20th December. Details are below:

- Presents can be things you have at home, which you don't use but are wrapped and not opened. The other choice is to buy something.
- Minimum limit of about \$10. You can spend more if you wish – personal choice.
- Try and get something suitable for the person you have drawn – Mr Brodie has details about this.
- Who you draw out should remain secret to add a little bit of fun.
- You can tell them if you like when they receive their present.
- You can add your own flavour to this – poem, photos, stories, funny moments
- To make it fun as well – you can over the next couple of weeks give them little treats (small lollies, toys, treats). You will need to be sneaky and clever with this.

This week we will have our Class Party on Thursday 19th of December (a movie will be included – either G or PG).

Could all students bring some lunch food to share please. This can be hot or cold. Drinks will be provided.

## **11. Term Dates - 2014**

These dates have now been confirmed at School Council. Please keep these in a handy spot as you may wish to book your family holidays during the school holidays. All staff at Tallygaroopna PS will be involved in First Aid Training on Tuesday 28<sup>th</sup> January and the following day all staff will be involved in a Planning Day for the start of the School Year. As a result, all students will start on the Thursday.

## 12. Bus Service for 2014

**Currently, I have the following students wishing to use the bus for the beginning of 2014. Unfortunately, we are unable to get a larger bus for next year, so I will be discussing this issue with some families this week because there are only 21 available seats on our school bus.**

## 13. Outside School Hours Care

At our last School Council meeting, it was decided that we would implement Outside Hours School Care next year. We are still in the planning stages at present, but we are looking at supporting families from 3.30pm until 6pm from Wednesday until Friday for the 2014 school year. **This announcement is a fantastic one for our school and we hope that it will be a success next year and hopefully financially viable for years to come.** If anyone can help out in any way with this program feel free to contact David Brodie at school.

We have made formal Provider and Service Approval Applications and our formal interview with the Education Department will be held tomorrow after school. We have also in the process of implementing a software program (Kids Wizz), which will assist families with the Child Care Benefit.

**ENROLMENT FORMS MUST BE RETURNED FOR EACH STUDENT BEFORE THEY CAN PARTICIPATE IN THIS PROGRAM AFTER SCHOOL HOURS – WEDNESDAY, THURSDAY AND FRIDAY.**

#### 14. AASC Program

Our Active After School Program has concluded for 2014. On behalf of the school community, I would like to acknowledge Andrea Walker for her assistance throughout the whole year as our program supervisor and for Jill McFarlane and Gillian O'Brien for assisting when needed. Your support is really appreciated and without this, fun and enjoyable programs would not be able to be implemented. We look forward to parental support again next year.

Last week's participation award was handed out to Declan – free icy pole.  
A reminder that school hats are always required during this after school program.

The program for 2014 has been finalised:  
Term 1 – Monday (Soccer), Tuesday (Tennis)  
Term 2 – Monday (Taekwondo), Tuesday (Dance)
