Fosbury Flop Forms are due. Athletics practice is on every Tuesday – good shoes are needed.

Book Club orders due back to school on Monday, March 11.

Hi everyone,

Last week we had our first Cluster day at Katandra West PS and this day was very enjoyable for all involved. Congratulations to all of the children for the way that they engaged themselves in the activities which were organised and we look forward to the next Cluster Day at Aquamoves in a couple of weeks. Permission forms for this went home last week and some comprehensive information is included in this edition of the newsletter. Please read this carefully and reinforce safety in the water with your children.

Unfortunately, I was away last Friday at a meeting, but by all accounts the Munch N Crunch / Casual Day (Summer) involved a lot of fun. Special thanks to everyone who assisted in any way and we look forward to the next fun day at school at the end of Term 1. Stay tuned for more details!!

We are still looking for some more helpers for the Bunnings BBQ, so please contact the office or return the slip provided if you can assist in any way. We will also be looking for some helpers at the Athletic Sports soon. Some more information will be available soon about this.

This week, Religious Education begins for the middle and senior grades and many students will be participating in the World Education Games which are held online also. I encourage all of the kids to have a go with this in and out of school hours. Our whole school is also participating in a Lifeguard Session on Thursday so it promises to be a busy week as per normal. That is not forgetting the Collingwood Football Clinic and Athletic Sports coming up very soon. Never a dull moment at Tallygaropna PS!!

Karen will be in the office until Thursday this week, if any matters need addressing. I will be away on Thursday and Friday at a Principals Conference in Melbourne unfortunately. Have a great week everyone – if you can help out with the Bunnings BBQ it would be really appreciated.

David Brodie
Teaching Principal

WHO MATTERS ? – OUR KIDSMATTER!!!!

IF YOU WOULD LIKE TO RECEIVE THE NEWSLETTER VIA EMAIL – PLEASE CONTACT THE OFFICE.
THE SCHOOL NEWSLETTER IS ALSO AVAILABLE ON OUR SCHOOL WEBSITE.

There is a late arrivals, early departures (students) and visitor's (parents) book that needs to be signed at the office counter on a regular basis if the need arises. This will aid our emergency management of the school.

Cluster Science Day at Katandra West PS

Munch & Crunch 1 – Summer Theme Day

1. Cluster Aquamoves Day

As a cluster we have organised the venue, Aquamoves for Wednesday the 13th March. The venue has several features and staff have timetabled a few activities that will be interspersed with what our cluster students do well, mingle and just have fun. It is a relaxed day with the main purpose being the strengthening of our relationships. The day will start at 9:30 am and conclude at 2:30pm. If it is a cold, windy day and less than 27 degrees the day will be cancelled.

To begin the day, staff will speak to all students about the safety rules at Aquamoves before we arrive. Younger children who can't swim should not get in the Olympic Pool and in some sections of the indoor leisure pool and lap pool. It is important that all younger, beginning swimmers are confined to the splash park and the shallow pool. The lifeguards will enforce safety rules but all teachers will ensure that the younger students are safe and supervised. Liberal application of sunscreen is advisable before coming to Aquamoves and then regular applications every two hours. The wearing of broad brimmed hats is mandatory when not in the pool and not in the shade – school uniform is required. Children should bring morning tea, lunch and a drink bottle. They will need to bring a broad brimmed hat, bathers and a towel. There are drinking taps at the pool for those who do not bring a drink bottle. **No students will buy food or drink from the Aquamoves café.**

Aquamoves has the following resources:

Olympic pool and surrounds

Beach ball Volleyball teams timetabled

Basketball Free choice

Cricket free choice

Soccer teams timetabled

Raft races in teams using mats timetabled

Biggest Splash (individual) timetabled

Pool play items noodles, mats, ropes, submersibles, buckets and numerous other items which will be distributed around the Olympic pool.

Splash Park

The Splash Park is available for the younger grades for the entire day and then the younger ones can choose between that and the indoor leisure pool from 12 o'clock onwards.

Indoor Leisure pool

After 12:00 pm the indoor pool is available and the following will be in operation:

Rapid River

Water Slide

Tarzan swing

Timeline:

2. Bunnings BBQ

Attached to this newsletter is some important information relating to one of our major Fundraisers for the year – the BBQ at Bunnings on Sunday 24th March. We would love some school community support so if you can assist in any way or give up a couple of hours to assist with the BBQ, return the form or contact the office ASAP.

3. World Education Games

The World Education Games is an annual global online challenge to get all students (4-18 years of age) excited about learning, and to give students in all schools an opportunity to see how they measure up against the best in the world. Last year, over 5 million students were a part of what is now the world's largest online education event.

Split over three days and focussing on literacy, mathematics and science, the World Education Games is a hugely exciting and engaging way to promote learning and education across the world.

Specific Dates:

5th March – World Literacy Day

6th March – World Maths Day

7th March – World Science Day

4. AFL Clinic

Our school has been very fortunate to be invited to another football clinic involving an AFL football club - Collingwood. This will take place at Congupna PS on Monday 18th March from 1.10pm until 2.20pm. We will leave by bus at approximately 1pm and return to school at 2.30pm. All students will receive permission forms, but the clinic is not compulsory for all students – children can stay at school if they wish with a teacher. The cost for the day will be \$2.

5. Religious Education

R.E. began for the Prep/Grade 1 class last Thursday. The other two grades will begin their R.E. program this Thursday with Mrs Crozier and Mrs Bagley. There will be no R.E. session for the P/1 class this week.

6. Athletic Sports

The EGPSSA athletic sports will be held on Monday, 25th March at McEwen Reserve, Shepparton (Little Athletics track beside the Sports Stadium). A back up day is planned for the Tuesday if there is inclement weather. Parents are requested to transport athletes to and from McEwen Reserve. Children will need to be dropped off no later than 9.00am and will report to Mrs Haberfield who will mark the roll. At the conclusion of the sports, parents are to collect them. This should be approximately 3.00pm. If families think they will have difficulty transporting their children to the sports please contact the school. In the event of inclement weather, the wet weather committee will meet at 8.00am, if there is going to be a postponement, this will immediately be announced on 3SR and 96.9FM and the principals of the schools will be contacted.

Children are asked to bring their own drink which will travel with them, or a plastic mug labelled with their name. Children may bring their own lunch or lunches and drinks can be purchased from the Canteen which is being catered by Lemnos PS. Children who are not competing in an event must bring along a note signed by a parent.

If any parents can help out in any way on the day of the sports could you contact the office ASAP. This year, we will use our new school marquee again, so there should be plenty of shade available. **Tallygaroopna PS will be running the Hurdles event at the sports along with Congupna PS. We are seeking helpers to supervise a group of children as well. More details will be available soon.**

School Uniform and School Hats are required for the day – sun cream can be provided on the day if needed.

7. Grade 6 Shirts

Thanks to the Grade 6 families who were very prompt with the Grade 6 shirts along with payments. These were delivered to Spectrum in Shepparton last Thursday and we expect these to be printed in the next couple of weeks. Students will still need to wear school uniform while the prints are being completed – please bring in a note if school shirts are not worn during this time.

8. Kinder Visit

Tomorrow, some of our children will go over to the Kindergarten for a quick visit at 11am. This will be very informal and will involve the students reading to the Kinder kids and playing out in their yard. No permission forms are necessary – this is covered in local excursions which was on the Green Student Information Sheet. If any families would prefer their children to not participate in this visit – contact the office ASAP.

9. Grade 5/6 Camp

An expression of interest form has been sent home to all families for the Urban Camp which will be held from Wednesday 5th to Friday 7th of June. Can this please be returned ASAP with a small deposit to assist with planning. At this stage, it is anticipated that the camp may be between \$200 - \$250. More details will be available soon.

10. Lifeguard Session

Our whole school will be participating in a Water Safety Session in the Project Room at school this Thursday 7th March from 2.30pm until 3.20pm. SINK OR SWIM has been developed in direct response to an increased trend in drowning deaths of children aged 5-14 years and the need for inland waterway safety education in Victoria.

The program aims to enhance the student's knowledge and understanding of a range of aquatic environments but in particular; rivers, lakes, dams and creeks. SINK OR SWIM focuses on the student's relationship with water, while enhancing their capacity to make safer choices in aquatic environments, thereby preventing dangerous situations, accidents and drowning.

11. Prep Information

This week all Prep students will have their first full week at school. During this time, children may be tired while still getting accustomed to the routines of school life. Feel free to contact Mr Brodie or Mrs Wallace if any matters need addressing. A big thank you to Prep Families for being so prompt last Wednesday with Maths and English Online Interview times with Mrs Wallace. This has made this assessment easy to implement and your support is greatly appreciated.

Prep Photos for the Shepparton News were taken last Thursday and the feature will run in the Shepparton News soon.

Prep for Parents - Did your child start Prep this year? Would you like tips on how to support your child in their first year at school? Then subscribe to the Department of Education and Early Childhood Development's new weekly Prep for Parents email. You will be sent an email every Wednesday during school term that will include tips, advice and information about the day-to-day experiences children have in the classroom and things you can do at home to assist and encourage your child.

OUR BRILLIANT NEW PREPS - 2013

12. Fosbury Flop Forms

Last week, Fosbury flop forms went home for parents to fill out if they are happy for their children to perform this routine (landing on back) when completing the high jump. Over the next few weeks, we will complete a lot of practice with the high jump and are hopeful that the majority of students will be able to perform this routine safely. If students do not bring this form back they will need to perform the scissors routine (landing on feet). If the form is returned, they will have the option of both routines.

Athletic cards will be marked indicating which students are allowed to perform the Fosbury flop.

13. Student Information

During the first week of school, we sent home data indicating general information about each student currently held on Cases21 at the school. Could you please check, update if required, sign the forms and return them to school as soon as possible so that we can update our data base. The following forms also need to be filled out, signed and returned:

* Green Confidential Student Information

* Acceptable ICT Use

* Engagement Policy

Some families will also receive 2 Bus Forms, School Asthma Action Plans and EMA forms – could these be returned promptly to the office also.

14. AASC Program

Our Active After-school Program began a couple of weeks ago with some positive numbers, which was encouraging to see. Please consider this free program because it is very worthwhile and promotes an active and healthy lifestyle. AFL (Football) is on a Monday and Aerobics will be held tomorrow. Both sessions start at 3.35pm and finish at 4.35pm. Participating students will be given fruit for afternoon tea prior to the start of each session. If your child/ren are interested, please contact the office. Andrea Walker will be our school supervisor during both sessions and staff will fill in Andrea is unavailable. **Icy Pole Voucher was given to – Taylah Groves (Week 5).**

The session scheduled for Labour Day on Monday 11th March will be rescheduled to Thursday 14th March.

15. Term Dates

Over the next few weeks, I will continue to update this section. Dates for TERM 1 are:

March 5th – Kindergarten Visit

March 11th – Labour Day Holiday

March 13th – Cluster Aquamoves Day

March 24th – Bunnings Fundraising BBQ

March 26th – Athletic Sports Back Up Day

16. Student of the Week

Congratulations to the following students who received Student of the Week for week 5.

Prep /1 – Terrific Turtles – Mathew Church for the fabulous dancing he did at our Teddy Bear's Picnic. Mathew was a star at doing the twist. Well done Mathew.

Grade 2/3/4 – Freaky Frogs – Leah Collins for the excellent way she always tries 100% in her schoolwork and for the way she uses her getting along skills at school. Good work Leah!

Grade 5//6 – Mad Monkeys – Connor McNab for the effort he is showing in the classroom and For the improvement that he has shown with his writing.

All students received a certificate and also a free icy pole voucher to use this term.

Values Vault winner – Cohan Hall and Ryan Voss

HAVE YOU RECEIVED THE SCHOOLKIDS BONUS?

Do you know about the Schoolkids Bonus? It is a new cash payment to help eligible families and students with the costs of primary and secondary school studies. Around 1.2 million families have already benefitted from the first wave of payments in January 2013 – *have you?*

If you receive a family or income support payment, including Family Tax Benefit Part A, you could be eligible to receive \$410 a year for each primary student and \$820 a year for each secondary student, with half paid in January and half paid in July.

The Schoolkids Bonus replaces the Education Tax Refund (ETR) and is a much simpler system. You no longer need to collect receipts and payments are made automatically so you don't have to wait months to make a claim via your tax return. Unlike the ETR you can choose how you use the payment to best support your children's education – whether it be school books, stationery, uniforms, school fees, or excursions.

Check your eligibility by visiting australia.gov.au/schoolkidsbonus and if you think you might have missed out on the January payment, contact Centrelink – either in person at a Centrelink-Medicare Office or by calling 132 468.

Spacers and Schools/Preschools: Reminder for Parents & Carers

Schools/preschools in Victoria have been informed by The Asthma Foundation of Victoria about new guidelines regarding the use of spacers for children with asthma. Spacers are essential equipment when following Asthma First Aid best practice, however schools/preschools will no longer be able to wash, sterilise and re-use spacers from their asthma emergency kits when assisting students with asthma symptoms.

Asthma first aid kits should only ever be used as a back-up for when a student does not have their own spacer available, if it is a first asthma attack or the cause of breathing difficulty is unknown. Some schools/preschools may implement a policy where parents/carers are responsible for the cost of the spacer if one must be used from the asthma emergency kit.

Even if your child has mild asthma, it is essential that their medication and spacer is always available to school/preschool staff. Please make sure your child always brings a spacer with them to school, or has one that stays at school.

For more information, please contact the Asthma Foundation of Victoria on 1800 278 462 or email schools@asthma.org.au

Tallygaroopna Primary School Fundraising Event **- BBQ at Bunnings (Sunday 24th March)**

Our school will be holding another fundraising BBQ at Bunnings on Sunday 24th March. Last year, this was very successful and we were able to raise \$1600 on this one day. All money raised will go to the school and be used for buildings and ground maintenance. If any families are available to help on any of the times below could you fill out the slip below or leave names at the office please. This is a great opportunity for our school community to be involved in a worthwhile school event with proceeds going directly back to the children of the school (linking with our Kidsmatter initiative). It would be beneficial if we could have at least 2 to 3 families for each 2 hour block. Children will not be able to use the BBQ facilities but they may assist with collecting money on the day. The kids had a great time helping with this last year. **If any families can assist with eskies for this day it would be greatly appreciated also. An updated roster will be placed in the newsletter leading up to the day.**

Are you the parent or carer of a child or children aged 2 – 10 year:

**Are you looking for ways to have more positive communication with
your child/ren?**

Do you have other commitments that prevent you from attending regular group parenting courses?

Well, how about this?

We are running a fantastic parenting program for parents, grandparents and carers of children aged 2 – 10 years **that you can do from the comfort of your own home.**

It is called the Positive Parenting Telephone Service and you get a weekly telephone appointment at a time that suits you (day or evening) with a trained parent educator for 6 – 10 weeks.

Our program educators aim to assist you in developing a stronger and more positive relationship with your children, as well as offering some practical suggestions on how to manage everyday behaviour problems such as disobedience, temper tantrums and disruptive behaviours.
