SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone

Tomorrow, we have our first whole school excursion for the year in what promises to be a fun day at Aquamoves. The temperature is expected to be pretty high, so we encourage everyone to be prepared for this day with suitable clothing and plenty of water. Swimming rashies are encouraged also and we will be applying sun cream to students before we leave and also again at about midday. If parents can assist with this in the morning – it would be greatly appreciated. As always, parents are also welcome to come to Aquamoves if they wish. A reminder that no money is needed tomorrow – and no students will be buying anything at the canteen at the venue. Please reinforce this with your children – to make it fair for everyone.

In this edition of the newsletter, there are some highlights of extra activities that have taken place so far. Some of these have included: Bravehearts, Science at Shep HS, the Oral Health Program and Survival Snacks with Mr Hosking – our wonderful welfare worker. We are also pleased to announce our JSC committee for semester 1 and we look forward to these students making a valuable contribution to school events which are held.

Our school has been chosen to participate in the Victorian PLC Initiative and some specific information is in this edition of the newsletter. There is some extensive training which involves 8 modules and we will endeavour to make these days as little disruptive as possible for all involved. Many schools who have been involved in this initiative have commented on the positives that have come from this and we look forward to this program being beneficial to the school.

At school council a couple of weeks ago, we were able to formally approve two Student Led Conferences and the first of these will be held on Tuesday 26th March. We will be utilising an online process for registering for this and I encourage families to do this ASAP, so that specific times which suit can be booked in. These close on Friday 22nd March - as always, families can make alternative arrangements if needed.

Finally, there is also some community information about soccer and football in this edition of the newsletter – this has been put on Flexibuzz also. Obviously, consult with the relevant people in regard to this if interested. Our Easter Egg raffle will also be held again this year, and raffle books will be going home to families in the school soon – donations can come in now in regard to this.

Karen will be at the school all week to attend to any matters that arise. **I look forward to catching up with parents throughout the week. I will be away at an Area Meeting in Wallan on Friday unfortunately.**

A REMINDER TO ALL FAMILIES TO FREQUENTLY CHECK FLEXIBUZZ BECAUSE MANY SPECIFIC EVENTS ARE PUT ON THIS RESOURCE INSTEAD OF THE NEWSLETTER. ALL FAMILIES WILL NEED TO JOIN NEW BOXES FOR 2019. BOXES FROM LAST YEAR HAVE NOW BEEN ARCHIVED.

Absence forms can be submitted on Flexibuzz.

Assembly will be held every Friday at 3pm in the Project Room – all parents are welcome.

ALL VISITORS MUST SIGN IN AND OUT AT THE SCHOOL OFFICE IN LINE WITH OUR CHILD SAFE PROCESSES.

Chaplaincy Consent Forms
Child Safe Code of Conduct – volunteers

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

MORE INFORMATION

For more information about the CSEF visit www.education.vic.gov.au/csef

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

If you applied for the CSEF at your child's school in 2018, you do not need to complete an application form in 2019 unless there has been a change in your family circumstances.

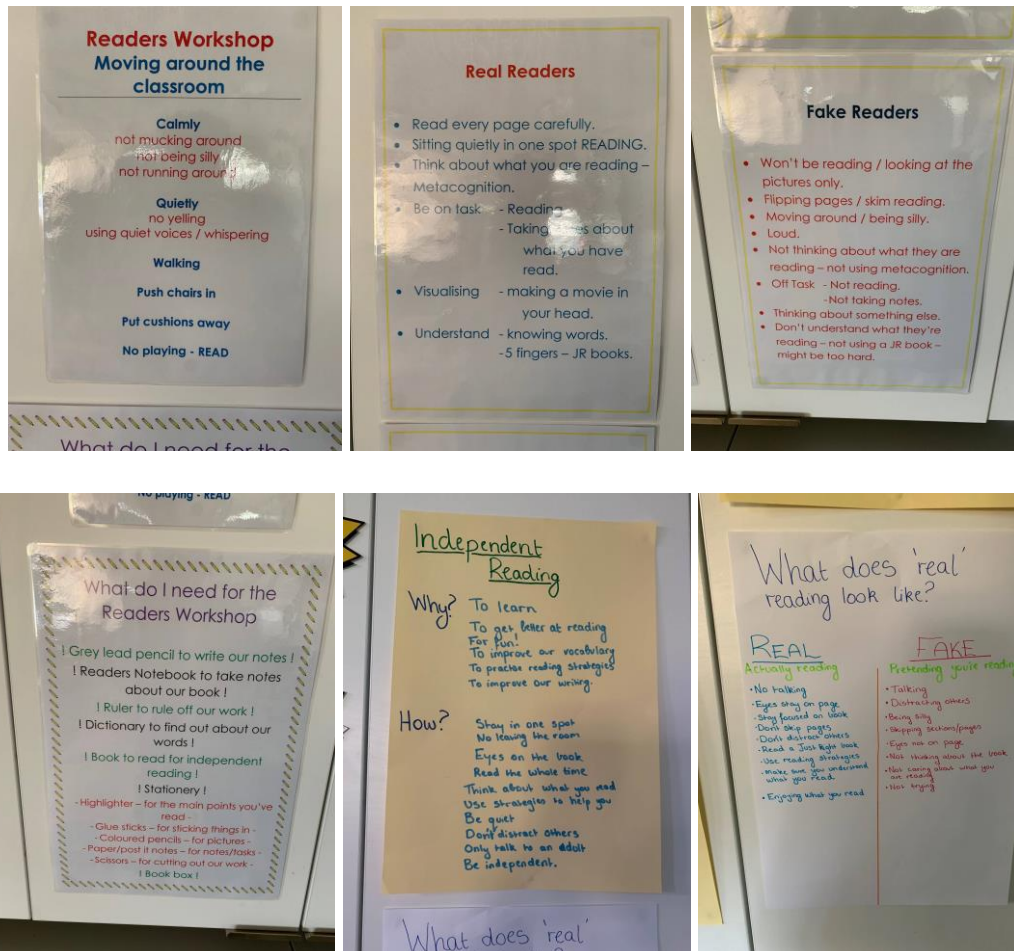

You only need to complete an application form if any of the following changes have occurred:

- new student enrolments; your child has started or changed schools in 2019 or you did not apply in 2018.
- changed family circumstances; such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2019.

Check with the school office if you are unsure.

Version 2 (Jan - 2019) - this document will be updated regularly

Dear parents,

It has been brought to our attention that the iPad application PicCollage has an age rating of 12+. This is due to a recent feature that allows users to insert images from the internet into their creations.

The school iPads all have PicCollage EDU, which does not offer this feature. Our App List has been updated to instead ask that PicCollage EDU is downloaded onto BYO iPads, rather than PicCollage. This is a paid app (\$2.99).

Students will not be permitted to use PicCollage at school, as it has been removed from our App List. We are leaving it up to parents as to whether you remove this application from your child's device for home use, however it would be greatly appreciated if Pic Collage EDU could be downloaded as soon as possible so it can be used at school.

Please see Liss if you need any clarification. David

There is a Late Arrivals/Early Departures book at the office, which needs to be signed for late arriving or early departing students. This needs to be signed by parents (or whoever is dropping off or picking up your child). There is also a Visitor's Book to be signed by all visitors to the school (this includes parents who stay for reading/Parents' Club activities, etc). This will aid our emergency management of the school.

Supervision – before and after school hours

Parents are reminded that grounds supervision does not begin until 8.30am so please do not send students early to school for the sake of it or to play. This is documented in our staff supervision policy. **We know there are a handful of families that do make early drop offs (contact the school if this is needed), but these students will not be allowed outside until 8.30am or until supervision begins.** Before 8.30am - these students will remain in the BER room instead of roaming around the school grounds unsupervised. Please reinforce this at home and only have children arrive early to school if needed (ie: early work commitments). We begin whole school reading at 8.45am and encourage all students to participate in this program. The whole school reading program concludes at 9am and we welcome any helpers for this.

OSH Care for 2019 – 5 days

This service has continued to build over the last 5 years. Staff from Tallygaroopna PS implemented this service from 2015 -2017 and last year we were able to extend this service to 5 days a week while employing a full time OSH Care Coordinator.

In 2019, we will continue to provide for families and their children. OSH Care will again be available for 5 days a week (excluding term holidays, public holidays and curriculum days). We are pleased to announce that Toni-Marie Arnold has agreed to stay on as our OSH Care coordinator for a further 12 months and we look forward to Toni-Marie continuing to make a valuable contribution to our school and continuing to develop this service for our families from 3.25pm to 6pm. **A reminder to all families that a new enrolment form for 2019 must be filled in for any children utilising this service. This form is available at our school office and also on our [school website](#). Please support this service, so that it can be financially viable for the school into the future – we aim to have 25 students enrolled for the week.**

1. Aquamoves Day

This is scheduled for tomorrow, Tuesday 26th February. The Aquamoves activities will be free play in the Olympic pool, wading pool and splash park – strict supervision for junior students. We hope that the Rapid River, Tarzan rope and slide will be in operation from 11:00am to 1:00pm. **All parents are encouraged to apply sun cream before arriving at school, but this will be applied and re-applied at Aquamoves by staff. Some parental assistance with this would be appreciated because this is very time consuming.** We will leave school by bus at 9.45am at the latest and assemble at Aquamoves at 10am for an introduction to the day and provide further information to students and teachers as to how the day will unfold. The day will finish up at around 2:00 -2:30pm. Permission forms are now due along with the charge for the day.

No students are to buy things from the canteen and parents are discouraged from buying things for their children from the canteen.

2. Professional Learning Communities Initiative

Staff will be involved in this opportunity in Terms 1 and 2. Professional learning communities (PLCs) are an approach to school improvement where groups of teachers work collaboratively at the school level to improve student outcomes. Staff involved will be Mr Brodie, Mrs Haberfield and Miss Lothian. There will be 8 days out of the classroom during this time and we will be having consistent teacher replacements with Bev Montgomery and Melissa Beer. Specific dates are:

Term 1 – 4th, 5th, 19th, 28th, 29th March (Mrs Montgomery in charge of Athletic sports day).

Term 2 – 30th April, 10th May, 20th May.

More specific details can be found here:

<https://www.education.vic.gov.au/school/teachers/management/improvement/plc/Pages/default.aspx>

3. Professional Practice Days

In the Education State, we achieve excellence by consistently focusing on improving the achievements of learners across Victoria, whether it is through improving the quality of educational services or changing the way we teach. The most important thing we can do to improve student outcomes is to develop and improve the skills of our teachers.

The Victorian Government will continue to provide opportunities to develop professional, passionate teachers and principals and equip them with the right knowledge and skills to meet the needs of their students. To ensure we support the learning and development of not only our students, but our teachers too; we are committed to providing professional development opportunities for our teacher workforce. Teachers will spend four days per year further developing their skills in areas that are aligned to the school priorities. Students will directly benefit from these improvements in their daily learning.

The following is organised for Term 1.

Mrs Haberfield – Wednesday 20th March

Miss Love and Mrs Fitzpatrick – Wednesday 27th March

Miss Lothian – Friday 29th March

Casual Relief teachers will be provided on these days.

The professional practice days are part of the Victorian Government Schools Agreement 2017. Each full time teacher is entitled to one day per term (four days per year), to focus on the improved delivery of high quality teaching and learning. We know children sometimes find it challenging when their teacher is away from the classroom. Equally, it's important that teachers take the time to focus on improving their professional practice because their learning directly impacts on your child's learning experience. There is a learning plan in place to ensure that your child's education continues as usual. We are scheduling the days ahead of time and have planned these days so that there is minimal impact.

If you have any questions, please do not hesitate to contact me.

David Brodie (Principal)

4. School Council Elections

We currently have one school councillor whose term finishes this year – if you are thinking of becoming part of school council contact the office ASAP please. Nominations will close on Friday 1st March and forms can be collected at the office.

5. Teacher Commitments

Just a quick message to let everyone know that we have made a fantastic start to the school year and specific routines are building well in every classroom. A reminder to families to help support the Smart Spelling program with words going home each week for practice before formal tests at the end of the week. There is some modification in regard to this in the F/1 classroom - see Mrs H if any clarification is needed or any other staff.

I would also like to let people know of teacher commitments after school hours as well to aid communication between home and school. These can be summarised as:

Monday & Tuesday - Professional Learning straight after school for staff until about 5pm.

Wednesday and Thursday - planning for staff

Friday - Staff Health & Wellbeing

Please be conscious of especially a Monday and Tuesday night where we like to get straight into core business. We would also appreciate if any meetings needed with staff are coordinated beforehand in person or via Classdojo or by phone. We are all busy people and unfortunately, we cannot just have spontaneous meetings with parents because this effects the time we have put aside for all staff to get together. If meetings are needed in the morning - these are best at 8.30am if possible before our formal reading program begins at 8.45am. This enables staff to get set up for the day and still address any issues if needed. If families could also keep messaging via Class Dojo limited this would help also - especially after 5pm.

We value the relationship we have with families and we look forward to this being a positive one into the future. Also please be aware of specific events and permission forms which need to be returned. As we grow with more enrolments this is becoming more of an issue and unfortunately we cannot keep reminding families of this.

On a personal note, I have taken on an assistant coaching role for my son's footy team so I will need to leave school by 3.45pm on Thursday's.

Thanks in anticipation.

David

6. Easter Egg Raffle

It is a tradition here at Tallygaroopna PS to run an Easter Egg raffle with families contributing some sort of chocolate bunny, chicken, Easter eggs, soft toy etc. Donations can be left at the school office. We then bundle these into numerous prizes. The more donations, the more prizes we can have. All money raised is donated to the Royal Children's Hospital – Good Friday Appeal. A raffle book will be sent home to all families soon. More raffle books can be obtained from the school office. If we could have all donations and raffle books in by the 1st of April, we can then draw winners out on the 5th of April (last day of term 1) and send money raised to the Royal Children's Hospital Appeal before the holidays.

Thank you.

Philippa Collins (Parents' Club President)

7. Conveyance

The Conveyance Allowance Program (CAP) is a form of financial assistance to help families in rural and regional Victoria with the cost of transporting their children to their nearest appropriate school or campus.

Depending on how a student travels to school, an eligible student may be granted a conveyance allowance based on:

- the least expensive public transport fares and/or
- a distance based allowance when travel is by private car or private bus.

Parents applying for the allowance are required to complete an application form – contact Karen if needed.

8. Grade 6 Shirts (Print)

These have been sent to Spectrum in Shepparton for printing and we anticipate that these will be available to families by next week at the latest. Could all prints be paid for ASAP, so that shirts can be distributed to students immediately when they return to school.

9. Student Headphones

Please ensure that if you are supplying your child's headphones at school this year that they are labelled and sent to school this week.

10. Foundation Student Information

Throughout February and early March, children in Foundation WILL NOT attend school on Wednesdays. They will remain at home on 27th of February and 6th March. There may be some Wednesdays where Mrs Haberfield may require your child to attend a certain time for specific testing, but she will inform parents of this if there is a need.

The first full week for Foundation students will begin on Tuesday 12th March – extra days can be negotiated if needed.

11. School Council

Meeting dates for 2019 are summarised below and are open to change if needed. These are held in weeks 3 and 9 of each term. We are mandated to have 8 meetings a year. I would like to thank all members of school council for 2018. A position is available for 2019 – contact the school if interested please.

Term 1	Week 3: Wednesday 13 th February	Week 9: Wednesday 27 th March - AGM
Term 2	Week 3: Wednesday 8 th May	Week 9: Wednesday 19 th June
Term 3	Week 3: Wednesday 31 st July	Week 9: Wednesday 11 th September
Term 4	Week 3: Wednesday 23 rd October	Week 9: Wednesday 4 th December

12. School Fees

These have been approved at School Council and are summarised below – some minor changes have taken place for 2019, with the exception of the Grade 5/6 fees which include the Science Program bus costs which will be implemented at Shepparton High School during term 1 (please note the change in the grade 5/6 fee from what was previously advised). With the new Education Department Guidelines specific items need to be itemised hence some minor differences between fees for different year levels. These fees do not include excursions (except for the grade 5/6 Science Program at Shepparton High), swimming, camps or bus fees (for applicable families). Excursions are estimated to be \$50 to \$70 for Foundation to Grade 4 and \$60 to \$100 for Grade 5/6. These fees are now due. Please see Karen in the office if you have any queries.

Asthma

School Asthma Action Plan forms are available at the office for families with students with asthma. Could these forms be completed and signed by your child's doctor as soon as possible and returned to school. This is to ensure that the school has the student's most recent Action Plan on file.

Confidential Student Information

A green Confidential Student Information form has been sent home. This form acts as a quick reference for the staff on excursions and ensures that the school has up-to-date information and signatures for a variety of issues and programs. Could this form please be filled out (please ensure both sides have been completed) and returned to the school office as soon as possible.

The Child Safe Standards are compulsory minimum standards for all Victorian early childhood services and schools, to ensure they are well prepared to protect children from abuse and neglect. The standards provide a framework for schools to review existing policies and practices and all other aspects of child safety, to ensure a 'zero tolerance' approach to any form of child abuse. You can access our policy on the school's website.

It would be appreciated if all volunteers in the school sign the Child Safe Code of Conduct annually.

Illness

If your child has been vomiting, it is Department policy that they DO NOT attend school for a period of 24 hours from their last vomit.

They are also not permitted back at school until 24hours after their last loose bowel movement.

We have had recent cases where children are coming to school after vomiting the night before. Sending your child to school prior to recommendations puts the health of staff and students at risk of becoming ill.

Thank you for your ongoing support and cooperation with this.

If you are a parent interested in your son or daughter to play football this year you are invited to attend our Registration Day on Wednesday March 13th

We also need helpers and we want parents to be involved – if just in a very small way – nothing delights your child more than seeing a parent taking an active interest at games and training. And we promise you'll have fun!

Northern Eagles is the northern cluster of the new junior football competition – taking in schools from Bouchier St, Congupna, Tallygaroopna and Gowrie St.

Information will be available for children wanting to play under 10s and under 12 grades for the season which will commence in April – Commencement date TBC

Venue: Bouchier Street Primary Basketball Courts

Time: 6.00pm

1st Kialla Joey Scout Mob

FUN - FRIENDSHIP - ADVENTURE

What is Joeys about?

Joey Scouts is the first section of scouts for boys and girls aged 5 to 7, and it's all about discovery and excitement!

Joey Scouts are part of a 'mob', led by a Joey Scout Leader.

Joey Scouts are encouraged to express themselves creatively, through games, stories and craft activities. From building monsters and spaceships from scrap items, to growing plants from seedlings and singing songs together, all Joeys Scouts develop a strong sense of belonging and an understanding of the world around them.

Joey Scouts learn how to share and care, and help other people.

They also learn how to recognise native birds and animals, and develop an understanding of the impact of our modern world on the environment.

Belonging to Joey Scouts provides an opportunity to mix with a new group of people, developing their confidence and ability to make new friends.
