SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone

The term is flying and it is hard to believe that we are already in Week 7 and there are only 4 weeks to go before the holiday break. I would personally like to thank the families who have been able to utilise Outside School Hours Care (OSH), so far in 2021. Our school makes a large financial commitment to this service and it has been encouraging to see that numbers have been gradually building this term. We look forward to seeing this continue to develop throughout the year and give our children an opportunity to develop different skills by being in this service –many of these are documented on Class Dojo. In this edition of the newsletter, there are some highlights from a number of recent school events. These include the whole school excursion to Aquamoves and the Bravehearts Personal Safety Program for F-2 students. We pride ourselves on providing extra opportunities to our children and we look forward to hopefully providing some more of these throughout the school year.

We have a busy end of term coming up with some fundraising taking place along with some Easter activities. We also hope to have our Athletics Program again on Friday 26th March –please don't hesitate to contact the office if any clarification is needed and please be prompt with payments and permission forms. The Athletic Sports are only a couple of weeks away and this is a whole school event at Shepparton – if not attending please let staff know. There will be no school on this day unless the event is postponed to Term 2. We are in the process of organising relay teams (4x100m, Parlour Relay and Captain Ball) which happens at the end of the day at about 2.30pm – relay teams will be announced soon. Please contact the school if you cannot participate in these.

In this edition of the newsletter some dates have been set for Parents' Club activities. We hope that these take place this year, but again we will have to adhere to any restrictions that are in place in line with COVID-19. Please pencil in these dates and if you can assist with any of these please let us know.

Today, our Tutoring Program began for some students in need and families who have children participating in this were informed last week. Thanks to Bev Montgomery and Melissa Beer for being involved in this initiative and we hope to see some progress throughout the year.

Don't forget that Student Led Conference bookings open today as well – first in best dressed with this. This is scheduled for Tuesday 23rd March – please contact classroom teachers if this date does not suit or times are not available and an alternative booking can be made.

Karen will be at the school all week again to attend to any matters that arise. I look forward to catching up with some parents throughout the week.

February Out of School Hours Care Newsletter

Welcome to the first newsletter of 2021.
Dee and myself have been so excited to get into the after school routines with such a great bunch of kids.
It has been such a positive start with old and new families using the OSHC service and we look forward to seeing the numbers continuing to grow throughout the year.

Starting the session off with afternoon tea. Options include, fresh fruit, crackers and cheese, sweet biscuits and a drink of water, cordial, milk or milo.

Making our own plates and cups to use and take home at the end of the year

Keeping ourselves entertained with some colouring, Twister, card games and spending time with friends.

Bobs and statues as well as playing schools are always popular.

The tanograms turned out so much better than I thought. Such a creative bunch.

Children can begin learning valuable personal safety education lessons from as young as 2-3 years old. Providing age-appropriate information around body ownership and the right to be safe from an early age allows for these messages to become part of the child's everyday language and helps to build self-esteem and resilience in children.

1. Student Led Conference Day – Tuesday 23rd March (no school)

School Council has approved two Student Led Conferences for the 2021 school year. These are not curriculum days because staff will be at school for the day interacting with students and families. Families will need to make alternative arrangements because there are no formal classes for the day. Students and parents /carers are only required at school for the duration of their Student Led Conference. Information in regard to online bookings is available in this newsletter. These bookings close on Friday 19th March – contact class teachers via Class Dojo if an alternative time needs to be made please.

2. Easter Raffle

It is a tradition here at Tallygaroopna PS to run an Easter Egg raffle with families contributing some sort of chocolate bunny, chicken, Easter eggs, soft toy etc. Donations can be left at the school office. We then bundle these into numerous prizes. The more donations, the more prizes we can have. All money raised is donated to the Royal Children's Hospital – Good Friday Appeal. A raffle book will be sent home to all families soon. More raffle books can be obtained from the school office. If we could have all donations and raffle books in by the Tuesday 30th March we can then organise prizes and winners to be announced on the last day of the term at assembly (Thursday 1st March at 1.45pm - early dismissal at 2.25pm). This will also allow us to send money raised to the Royal Children's Hospital Appeal before the holidays.

Thank you, Parents Club

3. Munch N Crunch

This is scheduled for the last day of the term on Thursday 1st April. This will be an Easter treat and orders will go out in the near future – please be prompt with getting orders and payments in to assist our volunteers please. All food will be pre packaged in line with COVID-19 restrictions and there should be no sharing of children's food on the day.

4. Parents' Club Meetings / Activities

Last Monday, we held a positive Parents' Club Meeting at school – thanks to the parents who came along to this meeting. The next meeting will be the Annual General Meeting and we encourage all families to try and attend if possible to ensure that some fun activities are coordinated throughout the year. The AGM will be held on Monday 29th March at 3.30pm in the Project Space at school. At the meeting, we did set some dates and we hope that we have some families who can assist with some of these throughout the year. Obviously, these are all subject to COVID-19 restrictions which may occur and more dates will be set over time hopefully.

If you would like multiple boxes sent home, please let the office know.

We would like all funds raised returned by Thursday 1st April (end of Term 1). We may order extra boxes if necessary. Thank you, Parents' Club

6. Curriculum Days

Last Tuesday, School Council approved two Curriculum Days for the 2021 school year. Families will need to make alternative arrangements because there is no school on these days and also no OSH Care. This will be held mostly on Tuesday's for a 20 week period for 4 weeks in term 1, all of term 2 and for the first 6 weeks in term 3 (keep a watch out for all of these dates in the calendar at the end of this newsletter). Bev will be working with some students in F/1 and 5/6; and Melissa with students in Grades 1/2 and 3/4. The tutoring model will involve a combination of in-class support and small group and individual withdrawal.

8. Athletic Sports

The EGPSSA athletic sports will be held on Friday, 26th March at McEwen Reserve, Shepparton (Little Athletics track beside the Sports Stadium). A back up day is planned for Friday 23rd April if there is inclement weather. Parents are requested to transport athletes to and from McEwen Reserve. Children will need to be dropped off no later than 9.00am and will report to Mrs Armstrong who will mark the roll. At the conclusion of the sports, parents are to collect them. This should be approximately 3.00pm. If families think they will have difficulty transporting their children to the sports please contact the school. In the event of inclement weather, the wet weather committee will meet at 8.00am. If there is going to be a postponement, this will immediately be announced on 3SR and 96.9FM and the principals of the schools will be contacted. **Parents will be contacted via Skool Loop if the sports are cancelled.** Students will still be required at school – IF THE SPORTS HAPPEN TO BE CALLED OFF!!

Children who are not competing in an event must bring along a note signed by a parent.

This year, we plan to use our school marquee again, so there should be plenty of shade available. **If you can assist with transporting this, please contact the school ASAP.** School uniform and school hats are required – sun cream will be available but students are encouraged to put this on before they arrive on the day.

11. Fosbury Flop Forms

The Fosbury Flop technique with high jump is appropriate if the teacher/instructor is experienced in this technique and if students have had instructions in, and lead up activities on the run up, take off, flight and landing phases of the jump.

Children will need parental permission to use this technique. Due to the regulations with regard to high jump, we are seeking your permission to allow or not allow your child to perform the Fosbury Flop technique of high jumping. We ask that you only grant permission if you know that your child is proficient at the skills needed. Eg. learnt at little athletics **OR during P.E. lessons with Mrs Montgomery.** A permission form has been sent home in regard to this and we ask that parents sign this where applicable as this technique will be carefully monitored and safety will be paramount (students landing on their back).

12. Production

We have started working on our school production which will be held in term 3 this year. As you could appreciate, a lot of time and effort goes into this program and we look forward to our students leading from the front again. We ask that all students and their families accept any position that they are given and do their best with this opportunity. If you can assist in any way please let us know – we will set some dates for these performances ASAP.

13. Shade Sail

Some major damage has been made to the junior playground shade sail near the cubby house. We are looking into a replacement for this in the near future – please ensure no further damage is made to this asset please.

14. Conveyance

The Conveyance Allowance Program (CAP) is a form of financial assistance to help families in rural and regional Victoria with the cost of transporting their children to their nearest appropriate school or campus.

Depending on how a student travels to school, an eligible student may be granted a conveyance allowance based on:

- the least expensive public transport fares and/or
- a distance based allowance when travel is by private car or private bus.

Parents applying for the allowance are required to complete an application form – contact Karen if needed. Applications for term 1 close Friday 12th March.

15. Camps, Sports & Excursions Fund Applications

The Camps, Sports and Excursions Fund helps eligible families to cover the costs of school trips, camps and sporting activities. If you have a valid means-tested concession card, such as a Veterans Affairs Gold Card, Centrelink Health Care Card or Pensioner Concession Card, or are a temporary foster parent, you may be eligible. There is also a special consideration category for asylum seeker and refugee families. Payment amounts this year are \$125 for eligible primary school students. Payments are made direct to the school to use towards expenses relating to camps, excursions and sporting activities for the benefit of your child. If you applied for CSEF through our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances.

If you would like to apply for the first time, please contact the school office on 5829 8264 and ask for an application form. You can also download the form, and find out more about the program and eligibility, on the Department of Education and Training's Camps, Sports and Excursions Fund web page.

Check with the school office if you are unsure, and please return completed forms to the school office as soon as possible.

16. School Fees

Family statements were sent home to all families recently. If you need any clarification, please contact Karen. More information regarding fees can be found in Parent Payment Arrangements for 2021 which was sent home to families late last year and are also available on the school website under Information < School Fees.
