SCHOOL VALUES - RESPECT, HONESTY & INCLUSION

News from the Principal's Desk

Hi everyone,

I hope all parents and children had a happy and enjoyable Easter break – how time flies when you are having fun. This period was a good opportunity to recharge the batteries and freshen up because Term 2 will be just as busy and full as the first few months. We start the new term, with 56 students which is an all time high during my time at Tallygaropna PS.

The last week of term was very successful with the Athletics Sports being held at McEwen Reserve. It was great to see so many parents at this day and your assistance was greatly appreciated. I have had lots of positive feedback about the day and it was great to see the community spirit on display throughout the day. A big thank you to the many parents who assisted with many activities throughout the first term – your support is always first class. It was also great to see so many people from our school community attend the Easter Raffle Draw – congratulations to those people who went away with some chocolate treats.

I would also like to acknowledge the many people who have helped out in some way with the upgrade of our Student Toilets. Jobs involved painting, removing partitions, sealing gaps, pressure washing – you name it! No job was too big or too small and your support and assistance during this time was really appreciated. This was a lengthy process and the end product looks terrific. Special mention should be made to Mrs Armstrong who made my job an easy one with her organisation and general patience with this matter.

Today, we welcome Ms Pell to our school community and I am sure that she will make a valuable contribution to our school over the next 5 weeks while Mrs Haberfield has some well-deserved Long Service Leave.

As always, there are many items in the first edition of the newsletter for the term, so please read all of these items carefully. Our Bike Education Program begins in week 3 and bikes being used will need to be checked thoroughly by Mrs Montgomery before this program begins.

Karen will be at the school until Thursday as usual to attend to any matters that arise. I look forward to catching up with some parents throughout the week.

David Brodie (Teaching Principal)

1. Grade Structure Changes

As stated at the end of Term 1, we have decided to make some minor changes to the Grade structures at our school to accommodate some new students. These changes have been made after much discussion and collaboration with key stakeholders at our school and were made in the best interests of all of the children at Tallygaroopna Primary School. The new grade structure is F/1, 2/3/4 and 5/6 and these were effective as from today. These grade structures are the same that have existed for the last few years at our school, so we expect that there will be a smooth transition process.

2. Welcome – new students

On behalf of the whole school community, we would like to welcome Roseannah and Ashton Van Taarling and their parents Steven and Shantal to Tallygaroopna Primary School. Welcome back Fay and Theo Van Taarling. We hope that your time at our school is both enjoyable and rewarding.

7. NAPLAN

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9. It has been an annual event for schools since 2008. On Tuesday 12th, Wednesday 13th and Thursday 14th May, students will undertake the 2015 NAPLAN tests. A back up day will be made available on the Friday.

NAPLAN is made up of tests in the four domains of Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy. NAPLAN assesses skills in literacy and numeracy that are developed over time, through the school curriculum. NAPLAN is not a pass or fail type test, but rather shows how individual students are progressing in numeracy and literacy skills against national standards for all Australia children.

All students are encouraged to participate in the tests. Students with disability may qualify for special provisions that reflect the support normally provided to them in the classroom. An individual student NAPLAN report will be issued by the school later this year. Parents can use this information to monitor how their child is progressing and to identify any areas of concern. Parents may also wish to use their child's results to discuss progress with teachers. Mr Brodie will be conducting all of the NAPLAN tests with Grade 3 and 5 students this year.

More information is available at www.naplan.edu.au

Students attending will need to be at Welsford Street by 10.00am. All students, parents and teachers are welcome to attend this ceremony to remember and acknowledge the ultimate sacrifice our diggers have made during wartime.

The Grade 5/6's are currently completing a Powerpoint Presentation which will be utilised for the ceremony at Tallygaroopna on this day as well. We hope to have this finished early next week and this will then be emailed to Trish Moss.

All results are confidential and students are given each question in detail.

13. Chaplain Program – start date change (Student Wellbeing Worker)

Unfortunately, Jade Forman won't begin the Chaplain program until next Tuesday 21st April. As stated previously, Jade will begin work at our school in term 2 and at this stage it looks like she will be at our school for 2 days a week on Tuesday's and Thursday's. Mrs Forman will also have a role with our School Playgroup which is currently implemented by Mrs Wallace and in the first couple of weeks next term she will spend some one on one time with students, staff and parents building a relationship and getting to know everyone. If you would like to discuss any specific issues with Mrs Forman, contact the office to make an appointment please.

14. Thank you

Thanks to all of the parents who assisted with the Athletics Sports Canteen, Hot Cross Buns, the Easter Raffle and any other activities at school last term. In Term 2, some major fundraising will occur and we are positive that we will continue to receive great support as we always do from our school community.

15. Division Athletics

Congratulations to Eloise, Harvey, Kyle, Declan, Jordan and Daniel who have been selected to attend the Division Athletics Championships at the McEwen Reserve in Shepparton on Monday 12th October. This is a terrific achievement and all of the school community wish them the best of luck. All of these students received information regarding this event last term and specific events have been selected.

16. P.E. Program

This term we will continue to implement P.E. for an hour and a half on Tuesday's. The focus this term will be on Cross Country, Skipping and Dance. All students should have received sponsorship forms last term for the Jump Rope program. Extra forms are available if needed. We plan to conclude this program with a Jump Off Day on Friday 29th May. We also plan to have our Middle and Senior students attend the Dance Festival at the end of the term. This will be held at the Shepparton Stadium on Tuesday 23rd June from 1.30pm until 2.45pm.

17. Finance & School Council

The Next Finance and School Council meeting will be held on Wednesday 6th May. Finance will begin at 6.45pm and School Council will begin at 7.30pm.

18. Pie Warmers

During second and third terms, students are able to bring along pies, sausage rolls, pizzas, etc to be heated in the pie heater. Food must be wrapped in foil and labelled with the child's name using a permanent marker. This will begin immediately.

19. Icy Poles

We have decided to continue to make Icy Poles available to students each Friday. The cost of icy poles will continue to be 50 cents each and money for this will go towards fundraising generated by the Junior School Council.

20. Money at Schools

Just a reminder to students and parents, that the Box on the side of the bench in the office should be utilised for any money which would be handed in at the office. This box sits near the alarm and should be utilised as much as possible. We would prefer money to not be put on the office bench – could this be reinforced at home please.

21. Colder Months - Tissues

Obviously, with anticipated colder weather students should be wearing appropriate clothes during this term. If families, could bring in a box of tissues each this would assist the school.

22. Student of the Week / Values Vault

These will both begin next week on Monday at assembly as per normal.

23. School Photos

We anticipate that these will be back at school by the end of the month. Thanks for your patience in relation to this matter.

24. Curriculum Days for 2015 (Student Free)

Each year schools receive four student-free days (when student instruction does not occur) for professional development, school planning and administration, curriculum development, and student assessment and reporting. The first day of Term 1 each year is a student-free day in all government schools to allow for appropriate planning to take place for the arrival of students. School councils have the flexibility to schedule the remaining three student-free days each year to meet local school needs. These have now been finalized and are summarised below and parents are encouraged to make alternative arrangements as soon as possible.

- * Day 1 – Wednesday 28th January (CPR Update for Staff, School Planning for beginning of the year)
- * Day 2 – Tuesday 19th May (Report Writing – new Software Program called Grade Expert)
- * Day 3 – Monday 2nd November (PD to be confirmed – options may be Curriculum Planning, Kidsmatter, E Smart)
- * Day 4 – Friday 4th December (Report Writing)

There will be a Student Led Conference Day on Thursday 25th June where all students are encouraged to come into school and discuss their goals for the school year. School Council has approved this **NOT** as a Student Free Day because children will be coming in and out of school during the day to discuss their progress at school. However, alternative arrangements will be needed.

25. Religious Education

The Department of Education and Early Childhood Development (DEECD) has confirmed an understanding that in government schools Special Religious Instruction (SRI) is provided by legislation under the *Education and Training Reform Act 2006*. Where SRI programs are made available to a school via an accredited group such as ACCESS ministries, parents are then free to choose for their child to be enrolled. It is required of the school Principal to make space available in the school schedule, in school hours, in the normal school term as per the legislation and the DEECD's School SRI Policy updated 7th February, 2014.

As a result, could all families please return this form regarding Special Religious Instruction that was attached to the newsletter before the holidays. Parents have already indicated their child's participation on Green Student Information Forms, but this new form must be returned ASAP.
