## News from the Principal's Desk

Hi everyone,

I hope all parents and children had a happy and enjoyable Easter break – how time flies when you are having fun. This period was a good opportunity to recharge the batteries and freshen up because Term 2 will be just as busy and full as the first few months.

The last week of term was very successful with the Athletics Sports being held at McEwen Reserve finally after we were washed out on the previous Friday. It was great to see so many parents at this day and your assistance was greatly appreciated. I have had lots of positive feedback about the day and it was great to see the community spirit on display throughout the day. A big thank you to the many parents who assisted with many activities throughout the first term – your support is always first class. It was also great to see so many people from our school community attend the Easter Raffle Draw – congratulations to those people who went away with some chocolate treats.

Over the holiday period we have had some maintenance work started on our buildings and completed on our playground equipment. Some gutter/fascia work is being carried out around our toilets and some other painting has also occurred. There will be some minor work completed over the next couple of weeks, but there should not be any interruptions to normal classroom activities during this time. Special mention should be made to Mrs Armstrong who made my job an easy one with her organisation and general patience with this matter.

As always, there are many items in the first edition of the newsletter for the term, so please read all of these items carefully. Major items addressed in this newsletter focus on Cooking Groups, Life Ed., School Photos, the Sporting Schools Program, the Grade 3/4 Camp, NAPLAN and the Attitude to School Surveys, to name a few, so read these items carefully and don't hesitate to contact the school if further clarification is needed.

Karen will be at the school until Thursday as usual to attend to any matters that arise. I look forward to catching up with some parents throughout the week.

## **8. NAPLAN**

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9. It has been an annual event for schools since 2008. On Tuesday 10th, Wednesday 11th and Thursday 12th May, students will undertake the 2016 NAPLAN tests. A back up day will be made available on the Friday.

NAPLAN is made up of tests in the four domains of Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy. NAPLAN assesses skills in literacy and numeracy that are developed over time, through the school curriculum. NAPLAN is not a pass or fail type test, but rather shows how individual students are progressing in numeracy and literacy skills against national standards for all Australia children.

All students are encouraged to participate in the tests. Students with disability may qualify for special provisions that reflect the support normally provided to them in the classroom. An individual student NAPLAN report will be issued by the school later this year. Parents can use this information to monitor how their child is progressing and to identify any areas of concern. Parents may also wish to use their child's results to discuss progress with teachers. Class Teachers will be conducting all of the NAPLAN tests with Grade 3 and 5 students this year.

More information is available at [www.naplan.edu.au](http://www.naplan.edu.au)

## **9. Anzac Day**

On Monday 25th April, our school will participate in the Anzac Day Memorial Service which will be held at Welsford Street in Shepparton at 10.30am. Harvey and Kyle (School Leaders – uniforms required) will represent our School Leadership group and they will lay a wreath as a mark of respect for this important day. Students attending will need to be at Welsford Street by 10.00am. All students, parents and teachers are welcome to attend this ceremony to remember and acknowledge the ultimate sacrifice our diggers have made during wartime.

The Grade 5/6's are currently completing a Powerpoint Presentation which will be utilised for the ceremony at Tallygaroopna on this day as well. We hope to have this finished early next week and this will then be emailed to Trish Moss.

Any students interested in making a wreath for the Anzac Day ceremony can participate in this session which is being organised by Philippa Collins. The session will begin on Wednesday 21st April at 11am and conclude at 11.30am. **If any families could donate some flowers for the wreath it would be greatly appreciated. Anzac Badges will soon be available for sale at the office – Gold coin donation each**

### **10. Attitude to Schools Survey**

Students in Grades 5 and 6 will complete the Attitude to School survey in the next couple of weeks. All results are confidential and students are given each question in detail.

### **15. Money at Schools**

Just a reminder to students and parents, that the Box on the side of the bench in the office should be utilised for any money which would be handed in at the office. This box sits near the alarm and should be utilised as much as possible. We would prefer money to not be put on the office bench – could this be reinforced at home please. A Cash Handling Policy has been put on Tiqbiz for feedback – this will be endorsed at School Council in a few weeks time.

### **16. Colder Months - Tissues**

Obviously, with anticipated colder weather students should be wearing appropriate clothes during this term. If families, could bring in a box of tissues each this would assist the school.

### **18. Head Lice – Consent Forms**
